SUPPLEMENTARY INFORMATION:

I. Abstract and Request for Comments

NCUA is reinstating the collection for 3133-0129. Part 704 of the NCUA Rules and Regulations, established the regulatory framework for corporate credit unions. This includes various reporting requirements as well as safety and soundness standards. The burden for this collection has decreased from the previously approved submission as the number of corporate credit unions has declined from 27 to 15. However, the remaining corporate credit unions tend to be more complex and approved for expanded authorities.

The NCUA requests that you send your comments on this collection to the location listed in the addresses section. Your comments should address: (a) The necessity of the information collection for the proper performance of NCUA, including whether the information will have practical utility; (b) the accuracy of our estimate of the burden (hours and cost) of the collection of information, including the validity of the methodology and assumptions used; (c) ways we could enhance the quality, utility, and clarity of the information to be collected; and (d) ways we could minimize the burden of the collection of the information on the respondents such as through the use of automated collection techniques or other forms of information technology. It is NCUA's policy to make all comments available to the public for review.
