Foreign-Trade Zones Board

[S-63-2014]

Approval of Subzone Status; Correa Tire Distributor, Inc.; Dorado, Puerto Rico

On May 22, 2014, the Executive Secretary of the Foreign-Trade Zones (FTZ) Board docketed an application submitted by CODEZOL, C.D., grantee of FTZ 163, requesting subzone status subject to the existing activation limit of FTZ 163, on behalf of Correa Tire Distributor, Inc., in Dorado, Puerto Rico.

The application was processed in accordance with the FTZ Act and Regulations, including notice in the **Federal Register** inviting public comment (79 FR 31298, 6/2/2014). The FTZ staff examiner reviewed the application and determined that it meets the criteria for approval.

Pursuant to the authority delegated to the FTZ Board's Executive Secretary (15 CFR 400.36(f)), the application to establish Subzone 163D is approved, subject to the FTZ Act and the Board's regulations, including Section 400.13, and further subject to FTZ 163's 923.36-acre activation limit.

Dated: August 21, 2014.

Andrew McGilvray,
Executive Secretary.

Transportation and Related Equipment; Technical Advisory Committee; Notice of Partially Closed Meeting

The Transportation and Related Equipment Technical Advisory Committee will meet on September 10, 2014, 9:30 a.m., in the Herbert C. Hoover Building, Room 3884, 14th Street between Constitution & Pennsylvania Avenues NW., Washington, DC. The Committee advises the Office of the Assistant Secretary for Export Administration with respect to technical questions that affect the level of export controls applicable to transportation and related equipment or technology.

Agenda

Public Session

1. Welcome and Introductions.
2. Status reports by working group chairs.
3. Public comments and Proposals.

Closed Session

4. Discussion of matters determined to be exempt from the provisions relating to public meetings found in 5 U.S.C. app. 2 §§ 10(a)(1) and 10(a)(3).

The open session will be accessible via teleconference to 20 participants on a first come, first serve basis. To join the conference, submit inquiries to Ms. Yvette Springer at Yvette.Springer@bis.doc.gov no later than September 3, 2014.

A limited number of seats will be available during the public session of the meeting. Reservations are not accepted. To the extent time permits, members of the public may present oral statements to the Committee. The public may submit written statements at any time before or after the meeting. However, to facilitate distribution of public presentation materials to Committee members, the Committee suggests that presenters forward the public presentation materials prior to the meeting to Ms. Springer via email.

The Assistant Secretary for Administration, with the concurrence of the delegate of the General Counsel, formally determined on December 30, 2013, pursuant to Section 10(d) of the Federal Advisory Committee Act, as amended (5 U.S.C. app. 2 § (10)(d)), that the portion of the meeting dealing with pre-decisional changes to the Commerce Control List and U.S. export control policies shall be exempt from the provisions relating to public meetings

found in 5 U.S.C. app. 2 §§ 10(a)(1) and 10(a)(3). The remaining portions of the meeting will be open to the public.

For more information, call Yvette Springer at (202) 482-2813.

Dated: August 22, 2014.

Yvette Springer,
Committee Liaison Officer.

Saccharin From the People's Republic of China: Final Results of Expedited Second Sunset Review of Antidumping Duty Order

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: As a result of this sunset review, the Department of Commerce ("the Department") finds that revocation of the antidumping duty ("AD") order on saccharin from the People's Republic of China ("PRC") would be likely to lead to continuation or recurrence of dumping as indicated in the "Final Results of Review" section of this notice.

DATES: *Effective Date:* August 27, 2014.

FOR FURTHER INFORMATION CONTACT: Laurel LaCivita, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-4243.

SUPPLEMENTARY INFORMATION:

Background

On May 1, 2014, the Department published the notice of initiation of the second sunset review of the AD order on saccharin from the PRC,¹ pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act").² The Department received a notice of intent to participate from Kinetic Industries, Inc. ("Kinetic"), within the deadline specified in 19 CFR 351.218(d)(1)(i).³ Kinetic claimed interested party status under section 771(9)(C) of the Act, as a

² See *Initiation of Five-Year ("Sunset") Review*, 79 FR 24673 (May 1, 2014).

³ See letter from Kinetic, "Five-Year (Sunset) (2nd Review) of Antidumping Duty Order on Saccharin From the People's Republic of China: Notice of Intent to Participate of Kinetic Industries, Inc.," dated May 15, 2014.

domestic producer of saccharin.⁴ We received a complete substantive response from Kinetic within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i).⁵ We did not receive any responses from any respondent interested parties. As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), we conducted an expedited (120-day) sunset review of the order on saccharin from the PRC.

Scope of the Order

The product covered by this AD order is saccharin. Saccharin is defined as a non-nutritive sweetener used in beverages and foods, personal care products such as toothpaste, table top sweeteners, and animal feeds. It is also used in metalworking fluids. There are four primary chemical compositions of saccharin: (1) Sodium saccharin (American Chemical Society Chemical Abstract Service (“CAS”) Registry 128–44–9); (2) calcium saccharin (CAS Registry 6485–34–3); (3) acid (or insoluble) saccharin (CAS Registry 81–07–2); and (4) research grade saccharin. Most of the U.S.-produced and imported grades of saccharin from the PRC are sodium and calcium saccharin, which are available in granular, powder, spray-dried powder, and liquid forms. The merchandise subject to this order is currently classifiable under subheading 2925.11.00 of the Harmonized Tariff Schedule of the United States (“HTSUS”) and includes all types of saccharin imported under this HTSUS subheading, including research and specialized grades. Although the HTSUS subheading is provided for convenience and customs purposes, the Department’s written description of the scope of this order remains dispositive.

Analysis of Comments Received

A complete discussion of all issues raised in this sunset review is provided in the accompanying Issues and Decision Memorandum, which is hereby adopted by this notice.⁶ The issues discussed in the Issues and Decision Memorandum include the likelihood of continuation or recurrence of dumping

and the magnitude of the margins of dumping likely to prevail if the order were revoked. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (“IA ACCESS”). Access to IA ACCESS is available to registered users at <http://iaaccess.trade.gov> and to all parties in the Central Records Unit, room 7046 of the main Department of Commerce building. In addition, a complete version of the Issues and Decision Memorandum can be accessed at <http://enforcement.trade.gov/frn/>. The signed Issues and Decision Memorandum and the electronic version of the Issues and Decision Memorandum are identical in content.

Final Results of the Sunset Review

Pursuant to section 752(c)(3) of the Act, we determine that revocation of the AD order on saccharin from the PRC would be likely to lead to continuation or recurrence of dumping at the following weighted-average percentage margins:

Manufacturers/exporters/ producers	Weighted- average margin (percent)
Suzhou Fine Chemical Group Co., Ltd	291.57
Shanghai Fortune Chemical Co., Ltd	249.39
Kaifeng Xinhua Fine Chemical Factory	281.97
PRC-Wide Rate	329.94

Notification Regarding Administrative Protective Orders

This notice also serves as the only reminder to parties subject to administrative protective orders (“APO”) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing the results and notice in accordance with sections 751(c), 752(c), and 777(i)(1) of the Act.

Dated: August 20, 2014.

Ronald K. Lorentzen,

Acting Assistant Secretary for Enforcement and Compliance.

Circular Welded Carbon Steel Pipes and Tubes From Turkey: Final Results of Countervailing Duty Administrative Review; Calendar Year 2012 and Rescission of Countervailing Duty Administrative Review, in Part

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) completed the administrative review of the countervailing duty (CVD) order on circular welded carbon steel pipes and tubes (steel pipes and tubes) from Turkey for the January 1, 2012, through December 31, 2012, period of review (POR) in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act). This review covers multiple exporters/producers, one of which is being individually examined as a mandatory respondent. We determine that the net subsidy rate for the sole mandatory respondent, Borusan Mannesmann Boru Sanayi ve Ticaret A.S. (BMB), and Borusan Istikbal Ticaret T.A.S. (Istikbal), (collectively, the Borusan Companies), although revised from the preliminary results, continues to be *de minimis*. We further continue to find that the net subsidy rates for Erbosan Erciyas Boru Sanayi ve Ticaret A.S. (Erbosan AS) and Erbosan Erciyas Pipe Industry and Trade Co. Kayseri Free Zone Branch (Erbosan FZB), (collectively Erbosan), and Tosyali dis Ticaret A.S. (Tosyali) and Toscelik Profil ve Sac Endustrisi A.S. (Toscelik Profil), (collectively, Toscelik), the two firms not individually examined in this review, are *de minimis* and 0.83 percent *ad valorem*, respectively. Additionally, the Department is rescinding the review of three companies that timely certified that they had no shipments of subject merchandise during the POR.

DATES: *Effective Date:* August 27, 2014.
