FOR FURTHER INFORMATION CONTACT: To request more information on this proposed information collection or to obtain a copy of the proposal and associated collection instruments, please write to the Pentagon Force Protection Agency Project Integration Directorate (PFPA\PID), 9000 Defense Pentagon, Washington, DC 20301–9000, ATTN: PID, or email at PFPAHSPD-12@pfpa.mil.

SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: Privilege Management Program (PMP); DD Form 2249A and Pentagon Tours Web site; OMB Control Number 0704–TBD.

Needs and Uses: The information collection requirement is necessary to facilitate background investigations and properly assign privileges to the customer utilized within the Pentagon Reservation and National Capital Region (NCR). The collection is also required to facilitate verification of background investigations for individuals applying for access to the Pentagon in connection with Pentagon Visitor Tours.

The Visitor & Parking Management feature of the Privilege Management Program (PMP—Access Control System) utilizes DD Form 2249A as evidence

that the customer has been properly vetted and provides justification for access to the locations needed to perform their occupational duties. The information collection requirement is necessary to facilitate background investigations and properly assign physical access and parking privileges to the customer utilized within the Pentagon Reservation.

The Electronic Security System of the PMP is related to the Pentagon Tours feature of the PMP whereby the information is provided by the individual requesting the tour and is entered directly into the PFPA Web site.

Respondents are tenants and visitors who are provided identification badges, submit biometric attributes for collection, and/or have access privileges assigned. The PMP Access Control System is the authoritative system which integrates into American Magnetics System, AMAG, for the Pentagon, and SoftwareHouse C-Cure-9000 for the Mark Center and the Defense Health Headquarters.

The PMP Visitor Management & Parking Management Systems utilize the DD Form 2249A and records customer information to facilitate verification of background investigations for individuals applying for access and parking to DOD buildings in connection with their official duties. If DD Form

2249A is not completed by the customer at time of enrollment, the enrollment agent cannot issue credential(s). Having qualified agents provide credentialing and enrollment services is essential to maintaining daily operations and access rights to various installations throughout the NCR. The data are collected and stored in the PMP database at the time of enrollment.

Regarding the Pentagon tours Web site, respondents are visitors who wish to be conducted on a tour of the Pentagon. The Pentagon Visitor Tour Online Web site records customer information to facilitate verification of background investigations for individuals applying for access to Pentagon in connection with Pentagon Visitor Tours. If the online information is not presented by customers they will not be scheduled or allowed access into

the Pentagon. The data are collected and stored in the PMP Electronic Security System Database at the time of tour scheduling.
