

increases the annual fee for access to the Registry for each area code of data from \$59 to \$60 per area code; increases the maximum amount that will be charged to any single entity for accessing area codes of data from \$16,228 to \$16,482; and the fee per area code of data during the second six months of an entity's annual subscription period remains \$30.

These increases are in accordance with the Act, which specifies that beginning after fiscal year 2009, the dollar amounts charged shall be increased by an amount equal to the amounts specified in the Act, multiplied by the percentage (if any) by which the average of the monthly consumer price index (for all urban consumers published by the Department of Labor) ("CPI") for the most recently ended 12-month period ending on June 30 exceeds the CPI for the 12-month period ending June 30, 2008. The Act also states that any increase shall be rounded to the nearest dollar and that there shall be no increase in the dollar amounts if the change in the CPI is less than one percent. For fiscal year 2009, the Act specified that the original annual fee for access to the Registry for each area code of data was \$54 per area code, or \$27 per area code of data during the second six months of an entity's annual subscription period, and that the maximum amount that would be charged to any single entity for accessing area codes of data would be \$14,850.

The determination whether a fee change is required and the amount of the fee change involves a two-step process. First, to determine whether a fee change is required, we measure the change in the CPI from the time of the previous increase in fees. There was an increase in the fees for fiscal year 2014. Accordingly, we calculated the change in the CPI since last year, and the increase was 1.56 percent. Because this change is over the one percent threshold, the fees will change for fiscal year 2015.

Second, to determine how much the fees should increase this fiscal year, we use the calculation specified by the Act set forth above, the percentage change in the baseline CPI applied to the original fees for fiscal year 2009. The average value of the CPI for July 1, 2007 to June 30, 2008 was 211.702; the average value for July 1, 2013 to June 30, 2014 was 234.966, an increase of 10.99 percent. Applying the 10.99 percent increase to the base amount from fiscal year 2009, leads to an increase from \$59 to \$60 in the fee from last year for access to a single area code of data for a full year for fiscal year 2015. The actual amount is \$59.93, but when rounded, pursuant

to the Act, the amount is \$60. The fee for accessing an additional area code for a half year remains \$30 (rounded from \$29.97). The maximum amount charged increases to \$16,482.02 (rounded to \$16,482).

Administrative Procedure Act; Regulatory Flexibility Act; Paperwork Reduction Act. The revisions to the Fee Rule are technical in nature and merely incorporate statutory changes to the TSR. These statutory changes have been adopted without change or interpretation, making public comment unnecessary. Therefore, the Commission has determined that the notice and comment requirements of the Administrative Procedure Act do not apply. *See* 5 U.S.C. 553(b). For this reason, the requirements of the Regulatory Flexibility Act also do not apply. *See* 5 U.S.C. 603, 604.

Pursuant to the Paperwork Reduction Act, 44 U.S.C. 3501–3521, the Office of Management and Budget ("OMB") approved the information collection requirements in the Amended TSR and assigned the following existing OMB Control Number: 3084–0097. The amendments outlined in this Final Rule pertain only to the fee provision (§ 310.8) of the Amended TSR and will not establish or alter any record keeping, reporting, or third-party disclosure requirements elsewhere in the Amended TSR.

Accordingly, the Federal Trade Commission amends part 310 of title 16 of the Code of Federal Regulations as follows:

PART 310—TELEMARKETING SALES RULE

■ 1. The authority citation for part 310 continues to read as follows:

Authority: 15 U.S.C. 6101–6108; 15 U.S.C. 6151–6155.

■ 2. In § 310.8, revise paragraphs (c) and (d) to read as follows:

§ 310.8 Fee for access to the National Do Not Call Registry.

* * * * *

(c) The annual fee, which must be paid by any person prior to obtaining access to the National Do Not Call Registry, is \$60 for each area code of data accessed, up to a maximum of \$16,482; *provided*, however, that there shall be no charge to any person for accessing the first five area codes of data, and *provided further*, that there shall be no charge to any person engaging in or causing others to engage in outbound telephone calls to consumers and who is accessing area codes of data in the National Do Not Call Registry if the person is permitted

to access, but is not required to access, the National Do Not Call Registry under this Rule, 47 CFR 64.1200, or any other Federal regulation or law. Any person accessing the National Do Not Call Registry may not participate in any arrangement to share the cost of accessing the registry, including any arrangement with any telemarketer or service provider to divide the costs to access the registry among various clients of that telemarketer or service provider.

(d) Each person who pays, either directly or through another person, the annual fee set forth in § 310.8(c), each person excepted under § 310.8(c) from paying the annual fee, and each person excepted from paying an annual fee under § 310.4(b)(1)(iii)(B), will be provided a unique account number that will allow that person to access the registry data for the selected area codes at any time for the twelve month period beginning on the first day of the month in which the person paid the fee ("the annual period"). To obtain access to additional area codes of data during the first six months of the annual period, each person required to pay the fee under § 310.8(c) must first pay \$60 for each additional area code of data not initially selected. To obtain access to additional area codes of data during the second six months of the annual period, each person required to pay the fee under § 310.8(c) must first pay \$30 for each additional area code of data not initially selected. The payment of the additional fee will permit the person to access the additional area codes of data for the remainder of the annual period.

* * * * *

By direction of the Commission.

Janice Podoll Frankle,

Acting Secretary.

BILLING CODE 6750–01–P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Parts 100 and 165

[Docket Number USCG–2014–0717]

RIN 1625–AA08; 1625–AA00

Special Local Regulation and Safety Zone; Marine Events in Captain of the Port Long Island Sound Zone

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a special local regulation

for one marine event and establishing one safety zone for one marine event within the Captain of the Port (COTP) Long Island Sound (LIS) Zone. This temporary final rule is necessary to provide for the safety of life on navigable waters during these events. Entry into, transit through, mooring or anchoring within these regulated areas and safety zone is prohibited unless authorized by COTP Sector Long Island Sound.

DATES: This rule is effective from September 6, 2014 to September 14, 2014.

ADDRESSES: Documents mentioned in this preamble are part of docket [USCG–2014–0717]. To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type the docket number in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this rulemaking. You may also visit the Docket Management Facility in Room W12–140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email Petty Officer Ian M. Fallon, Prevention Department, Coast Guard Sector Long Island Sound, (203) 468–4565, Ian.M.Fallon@uscg.mil. If you have questions on viewing or submitting material to the docket, call Cheryl Collins, Program Manager, Docket Operations, telephone (202) 366–9826.

SUPPLEMENTARY INFORMATION:

Table of Acronyms

COTP Captain of the Port
 DHS Department of Homeland Security
 FR Federal Register
 NAD 83 North American Datum of 1983

A. Regulatory History and Information

The Great Peconic Race is a first time event with no regulatory history.

The Region 8 Beach Brawl is a first time event with no regulatory history.

Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because doing so would be impracticable and contrary to the public interest. There is insufficient time to publish a NPRM and solicit comments from the public before these events take place. Thus, waiting for a comment period to run would inhibit the Coast Guard’s ability to fulfill its mission to keep the ports and waterways safe.

Under 5 U.S.C. 553(d)(3), and for the same reasons stated in the preceding paragraph, the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**.

B. Basis and Purpose

The legal basis for this temporary rule is 33 U.S.C. 1231, 1233; 46 U.S.C. Chapter 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05–1, 6.04–1, 6.04–6 and 160.5; Public Law 107–295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1 which collectively authorize the Coast Guard to define regulatory special local regulations and safety zones.

As discussed in the *Regulatory History and Information* section, two regattas will take place in the COTP Long Island Sound Zone between

September 6, 2014 and September 14, 2014. The COTP Long Island Sound has determined that one special local regulation and one safety zone established by this temporary final rule are necessary to provide for the safety of life on navigable waterways during those events.

The Great Peconic Race course itself will start and end at Wades Beach on Shelter Island proceeding in a counter-clockwise direction to the east around Mashomack Point, and encompass a complete circumnavigation of Shelter Island, a total distance of 19 miles. On the south shore two event safety vessels will be present with a member of the south ferry staff with a red flag to stop and then wave paddlers on for safe crossing. One safety boat will be present on the north shore to assist paddlers as well.

The Region 8 Beach Brawl is a two day marine event held close to the shore of Savin Rock Beach in West Haven, CT. During the event, multiple jet-skis will be running a closed loop course approximately 600 feet by 1,000 feet in size. There will three support craft supervising the event and will be using flags to control the race participants.

C. Discussion of the Final Rule

The Coast Guard is establishing one special local regulation for one regatta, and one safety zone for another regatta, to provide for the safety of life on navigable waters during these events. This rule will be effective from September 6, 2014 to September 14, 2014.

The special local regulation and safety zone for these events covered by this regulation will be enforced on the dates, times, and locations listed in the table below.

Regatta event

<p>1 Great Peconic Race</p>	<ul style="list-style-type: none"> • Date: September 14, 2014. • Time: 7:30 a.m. to 4:30 p.m. • Location: There will be two areas created for the special local regulation. The first area will encompass all navigable waters along the north shore of Shelter Island, NY including Shelter Island Sound, Pipes Cove, Greenport Harbor and Dering Harbor. The second area will encompass all navigable waters along the south shore of Shelter Island, NY including Shelter Island Sound and Smith Cove.
<p>2 Region 8 Beach Brawl</p>	<ul style="list-style-type: none"> • Date: September 6, 2014. • Time: 8:00 a.m. to 4:00 p.m. • Date: September 7, 2014. • Time: 8:00 a.m. to 4:00 p.m. • Location: Savin Rock Beach, West Haven, CT.

For the special local regulation created in support of the Great Peconic Race under the general regulations in § 100.901 of this part, vessels transiting

within the regulated area shall travel at a no-wake speed and remain vigilant at all times. Additionally, recreational vessels shall yield right-of-way for event

participants and event safety craft and shall follow directions given by event representatives during the event. Commercial vessels will have right-of-

way over event participants, and event safety craft.

For the safety zone created in support of the Region 8 Beach Brawl this rule prevents vessels from entering, transiting, mooring or anchoring within the area specifically designated as a safety zone.

Public notifications will be made to the local maritime community prior to the event through the Local Notice to Mariners and Broadcast Notice to Mariners.

D. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes or executive orders.

1. Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of Executive Order 12866 or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under those Orders.

The Coast Guard determined that this rulemaking is not a significant regulatory action for the following reasons: The enforcement of the regulated area and safety zone will be relatively short in duration. Also, persons or vessels desiring entry into a regulated area or a deviance from the stipulations within a regulated area may be authorized to do so by the COTP Sector Long Island Sound or designated representative. Additionally, persons or vessels desiring to enter the safety zone may do so with permission from the COTP Sector Long Island Sound or designated representative. Furthermore, the special local regulation and the safety zone are designed in a way to limit impacts on vessel traffic, permitting vessels to navigate in other portions of the waterways not designated as a regulated area or as a safety zone. Finally, to increase public awareness of the special local regulation and the safety zone, the Coast Guard will notify the public of the enforcement of this rule via appropriate means, such as via Local Notice to Mariners and Broadcast Notice to Mariners.

2. Impact on Small Entities

The Regulatory Flexibility Act of 1980 (RFA), 5 U.S.C. 601–612, as amended,

requires federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard received zero comments from the Small Business Administration on this rule. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

This rule will affect the following entities, some of which may be small entities: The owners or operators of vessels intending to enter, transit, anchor or moor within the regulated area or the safety zone during the periods of enforcement from September 6, 2014 to September 14, 2014. However, this temporary final rule will not have a significant economic impact on a substantial number of small entities for the same reasons discussed in the Regulatory Planning and Review section.

3. Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT**, above.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

4. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

5. Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and determined that this rule does not have implications for federalism.

6. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

7. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

8. Taking of Private Property

This rule will not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

9. Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

10. Protection of Children From Environmental Health Risks

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that might disproportionately affect children.

11. Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination

with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

12. Energy Effects

This rule is not a “significant energy action” under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

13. Technical Standards

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

14. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023-01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321-4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves the establishment of one special local regulation and one safety zone. This rule is categorically excluded from further review under paragraph 34(g) and (h) of Figure 2-1 of the

Commandant Instruction. An environmental analysis checklist supporting this determination and a Categorical Exclusion Determination are available in the docket where indicated under **ADDRESSES**. We seek any comments or information that may lead to the discovery of a significant environmental impact from this rule.

List of Subjects

33 CFR Part 100

Marine safety, Navigation (water), Reporting and recording requirements, Waterways.

33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, and Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR parts 100 and 165 as follows:

PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS

■ 1. The authority citation for part 100 continues to read as follows:

Authority: 33 U.S.C. 1233.

■ 2. Add § 100.35T01-0717 to read as follows:

§ 100.35T01-0717 Special Local Regulation; Marine Event in Captain of the Port Long Island Sound Zone.

(a) *Regulations.* The general regulations contained in 33 CFR 100.901 as well as the following regulations apply to the event listed in the TABLE

1 of § 100.35T01-0717. These regulations will be enforced for the duration of the event.

(b) *Enforcement period.* This rule will be enforced on the date and time listed for the event in TABLE 1 of § 100.35T01-0717.

(c) *Definitions.* The following definitions apply to this section:

(1) *Patrol Commander.* Patrol Commander means a Coast Guard commissioned, warrant, or petty officer who has been designated by the Captain of the Port to monitor a regatta area, permit entry into the regatta area, give legally enforceable orders to persons or vessels within the regatta area, and take other actions authorized by the Captain of the Port. The Patrol Commander will be aboard either a Coast Guard or Coast Guard Auxiliary vessel. The Patrol Commander may be contacted on Channel 16 (156.8 MHz) by the call sign “Coast Guard Patrol Commander.”

(2) *Official patrol vessels.* Official patrol vessels may consist of any Coast Guard, Coast Guard Auxiliary, state, or local law enforcement vessels assigned or approved by the COTP.

(d) *Enforcement.* Upon being hailed by an official patrol vessel or the designated representative, by siren, radio, flashing light or other means, the operator of the vessel shall proceed as directed. Failure to comply with a lawful direction may result in expulsion from the area, citation for failure to comply, or both.

(e) *Locations.* The regulated area for the regatta is described in TABLE 1 of § 100.35T01-0717.

TABLE 1 TO § 100.35T01–0717

Regatta event	
1 Great Peconic Race	<ul style="list-style-type: none"> • Date: September 14, 2014. • Time: 7:30 a.m. to 4:30 p.m. • Location: All navigable waters surrounding, Shelter Island, NY within two areas. First area is along the north shore of Shelter Island and includes Shelter Island Sound, Pipes Cove, Greenport Harbor and Dering Harbor. Starting from a point on land at Beach Point at position 41°06'25.66" N; 072°20'04.95" W then straight across Shelter Island Sound to a point on land near Cleaves Point at position 41°06'43.70" N; 072°20'31.99" W then west along the shoreline to a point on land near Brick Cove Marina at position 41°04'44.91" N; 072°23'06.25" W then straight across Shelter Island Sound to a point on land near Jennings Point at position 41°04'20.46" N; 072°22'57.60" W then east along the shoreline back to the point of origin. (NAD 83.) The second area is along the south shore of Shelter Island and includes Shelter Island Sound and Smith Cove. Starting at a point on land near West Neck Point at position 41°02'48.14" N; 072°20'19.34" W then straight across Shelter Island Sound to a point on land near Gleason Point at position 41°02'04.91" N; 072°19'54.47" W then east along the shoreline to a point on land at position 41°01'07.56" N; 072°17'53.34" W then straight across Smith Cove to a point on land near Mashomack Point at position 41°01'44.68" N; 072°16'54.87" W and then west along the shoreline to a point on land at position 41°02'48.94" N; 072°19'49.98" W and then across West Neck Harbor to the point of origin. (NAD 83) All positions are approximate. • Additional stipulations: Recreation vessel speed in the regulated area is restricted to no wake speed or 6 knots, whichever is slower. Recreational vessels shall not anchor, block, loiter, or impede the transit of event participants or official patrol vessels in the regulated areas unless authorized by COTP or designated representative. Recreational vessels shall yield right-of-way for event participants and event safety craft and shall follow directions given by event representatives during the event. Commercial vessels will have right-of-way over event participants, and event safety craft.

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 3. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 46 U.S.C. Chapters 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Pub. L. 107–295, 116 Stat. 2064; and Department of Homeland Security Delegation No. 0170.1.

■ 4. Add § 165.T01–0717 to read as follows:

§ 165.T01–0717 Safety Zones; Marine Event in Captain of the Port Long Island Sound Zone.

(a) *Regulations.* The general regulations contained in 33 CFR 165.23 as well as the following regulations apply to the events listed in the TABLE 1 of § 165.T01–0717.

(b) *Enforcement period.* This rule will be enforced on the dates and times listed for each event in TABLE 1 of § 165.T01–0717.

(c) *Definitions.* The following definitions apply to this section:

(1) *Designated representative.* A “designated representative” is any commissioned, warrant or petty officer of the U.S. Coast Guard who has been designated by the Captain of the Port (COTP), Sector Long Island Sound, to act on his or her behalf. The designated representative may be on an official patrol vessel or may be on shore and will communicate with vessels via VHF–FM radio or loudhailer. While members of the Coast Guard Auxiliary will not serve as the designated representative, they may be present to inform vessel operators of this regulation.

(2) *Official patrol vessels.* Official patrol vessels may consist of any Coast Guard, Coast Guard Auxiliary, state, or local law enforcement vessels assigned or approved by the COTP.

(d) Vessels desiring to enter or operate within a safety zone should contact the COTP or the designated representative via VHF channel 16 or by telephone at (203) 468–4401 to obtain permission to do so. Vessels given permission to enter or operate in a safety zone must comply with all directions given to them by the COTP Sector Long Island Sound or the designated on-scene representative.

(e) Upon being hailed by an official patrol vessel or the designated representative, by siren, radio, flashing light or other means, the operator of the vessel shall proceed as directed. Failure to comply with a lawful direction may result in expulsion from the area, citation for failure to comply, or both.

TABLE 1 TO § 165.T01-0717

Regatta event

1 Region 8 Beach Brawl	<ul style="list-style-type: none"> • Date: September 6, 2014. • Time: 8:00 p.m. to 4:00 p.m. • Date: September 7, 2014. • Time: 8:00 p.m. to 4:00 p.m. • Location: All navigable waters in New Haven Harbor, West Haven, CT encompassing an area starting from a point on land at 41°15'18" N; 072°57'13" W then southeast to point at 41°15'12" N; 072°57'13" W the northeast to point at 41°15'15" N; 072°57'59" W the northwest to a point on land at 41°15'21" N; 072°57'02" W then southwest along shoreline back to point of origin. (NAD 83) All positions are approximate.

BILLING CODE 9110-04-P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 117

[Docket No. USCG-2014-0354]

Drawbridge Operation Regulation; Gulf Intracoastal Waterway, Venice, FL

ACTION: Notice of deviation from drawbridge regulation.

SUMMARY: The Coast Guard has issued a temporary deviation from the operating schedule that governs the Venice Avenue Bridge, Gulf Intracoastal Waterway, mile 56.6, Venice, FL. This temporary operating schedule will allow the bridge to not open to navigation including tugs with tows, during the Sarasota Iron Man Triathlon scheduled for the second Sunday of November, for the safety of the participants.

DATES: This deviation is effective from 7 a.m. to 10 a.m. November 8, 2014.

ADDRESSES: The docket for this deviation, [USCG-2014-0354] is available at <http://www.regulations.gov>. Type the docket number in the "SEARCH" box and click "SEARCH." Click on Open Docket Folder on the line associated with this deviation. You may also visit the Docket Management Facility in Room W12-140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions about this temporary

deviation, call or email Ms. Danielle Mauser, Bridge Transportation Assistant, Seventh Coast Guard District, Bridge Branch; telephone 305-415-6946, email Danielle.L.Mauser2@uscg.mil. If you have questions about viewing the docket, call Cheryl Collins, Program Manager, Docket Operations, telephone 202-366-9826.

SUPPLEMENTARY INFORMATION: In order to accommodate the annual Sarasota Iron Man Triathlon, a temporary schedule deviation has been authorized for the Venice Avenue Bridge, across the Gulf Intracoastal Waterway, mile 56.6 in Venice, FL. This deviation is in effect from 7 a.m. to 10 a.m. on November 8, 2014. During this time, the bridge shall remain closed to navigation, including tugs with tows. Currently, the bridge opens as required per 33 CFR 117.287 (a-2), which states "the draw of the Venice Avenue bridge, shall open on signal, except that from 7 a.m. to 4:30 p.m., Monday through Friday except Federal holidays. The draw need open only at 10 minutes after the hour, 30 minutes after the hour and 50 minutes after the hour, except between 4:35 p.m. and 5:35 p.m." The regulation changes may have a minor impact on vessels transiting the Gulf Intracoastal Waterway in the vicinity of Venice, FL, but will still meet the reasonable needs of navigation.

The Venice Avenue Bridge provides a vertical clearance of 30 feet at mean high water in the closed position and a horizontal clearance of 90 feet. Vessels able to pass through the bridge in the closed position may do so at anytime. The bridge will be able to open for emergencies. Also, vessels capable of using the Gulf of Mexico as an alternate route may do so in lieu of transiting the Gulf Intracoastal Waterway at mile 56.6 in Venice, FL from 7 a.m. to 10 a.m. November 8, 2014. The Coast Guard will inform users of the waterways through Local and Broadcast Notices to Mariners of the change in operating schedule for the bridge so that vessels can arrange

transits to minimize any impact caused by the temporary deviation.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately following the end of the effective period of this temporary deviation. This deviation from the normal operating regulations is authorized under 33 CFR 117.35.

Dated: August 15, 2014.

Barry Dragon,

Director, Bridge Administration, Seventh Coast Guard District.

Coast Guard

33 CFR Part 117

[Docket No. USCG-2014-0762]

Drawbridge Operation Regulations; Townsend Gut, Boothbay Harbor and Southport, ME

AGENCY: Coast Guard, DHS.

ACTION: Notice of deviation from drawbridge regulation.

SUMMARY: The Coast Guard has issued a temporary deviation from the operating schedule that governs the operation of the Southport SR27 Bridge across Townsend Gut, mile 0.7, between Boothbay Harbor and Southport, Maine. The bridge owner, Maine Department of Transportation will be performing structural repairs at the bridge. This deviation allows the bridge to operate on a temporary schedule for eleven weeks to facilitate scheduled bridge maintenance.

DATES: This deviation is effective from September 8, 2014 through November 22, 2014.

ADDRESSES: The docket for this deviation, [USCG-2014-0762] is
