SUPPLEMENTARY INFORMATION:

Extension of Comment Period

The Department of Justice published a Notice of Proposed Rulemaking (NPRM) in the **Federal Register** on August 1, 2014, proposing amendments to its Americans with Disabilities Act title III regulation to require the provision of closed movie captioning and audio description in order to give persons with hearing and vision disabilities access to movies. The NPRM asked 21 multi-part questions, seeking public comment on a wide range of issues related to the proposed requirements, as well as the Department's analysis of the costs and benefits of the proposed rule. Following publication of the NPRM, the Department received a request to extend the deadline for public comment by an additional 60 days, citing the number and complexity of the data requests on a broad range of topics and the resulting need for additional time in order to provide an informed response to the Department's questions. The Department has decided to grant an extension of the comment period until December 1, 2014. The Department believes this extension provides ample time to allow interested parties to provide comments on this proposed rule. Comments on the NPRM may be provided by December 1, 2014 online at <http://www.regulations.gov/#!docketDetail;D=DOJ-CRT-2014-0004> or by mail at P.O. Box 2885, Fairfax, VA 22031-0885.

Dated: September 2, 2014.
