

Tulsa, Oklahoma, (TA-W-82,900B). The Department's notice of determination was published in the **Federal Register** on November 21, 2013 (Volume 78, No. 225 FR 69881).

At the request of workers and a State Workforce Official, the Department reviewed the certification for workers of the subject firm. The workers are engaged in activities related to the supply of order management services, in circuit testing services, and customer services. The investigation confirmed that worker separations in the Customer Service Division are attributable to an acquisition of services from a foreign country, as were the separations in the other divisions. The worker group includes off-site workers reporting to the certified locations.

The amended notice applicable to TA-W-82,900, TA-W-82,900A, TA-W-82,900B, is hereby issued as follows:

All workers of Honeywell International, Inc., Aerospace Order Management Division, Process Solutions, In Circuit Test Engineers, Customer Service Division, including on-site leased workers from, Tapfin-Manpower Group Solutions, three locations in Phoenix, Arizona, (TA-W-82,900), Honeywell International, Inc., Aerospace Order Management Division, Customer Service Division, including on-site leased workers from Tapfin-Manpower Group Solutions, Tempe, Arizona, (TA-W-82,900A), and Honeywell International, Inc., Aerospace Order Management Division, Customer Service Division, including on-site leased workers from Tapfin-Manpower Group Solutions, Tulsa, Oklahoma, (TA-W-82,900B), who became totally or partially separated from employment on or after July 11, 2012 through November 1, 2015, and all workers in the group threatened with total or partial separation from employment on the date of certification through November 1, 2015, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended.

I. Section (a)(2)(A) all of the following must be satisfied:

B. the sales or production, or both, of such firm or subdivision have decreased absolutely; and

C. increased imports of articles like or directly competitive with articles produced by such firm or subdivision have contributed importantly to such workers' separation or threat of separation and to the decline in sales or production of such firm or subdivision; or

A. a significant number or proportion of the workers in such workers' firm, or an appropriate subdivision of the firm, have become totally or partially separated, or are threatened to become totally or partially separated;

Negative Determinations for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance

In the following cases, the investigation revealed that the eligibility criteria for worker adjustment assistance have not been met for the reasons specified.

Because the workers of the firm are not eligible to apply for TAA, the workers cannot be certified eligible for ATAA.

The investigation revealed that criteria (a)(2)(A)(I.C.) (increased imports) and (a)(2)(B)(II.B.) (shift in production to a foreign country) have not been met.

Determinations Terminating Investigations of Petitions for Worker Adjustment Assistance

After notice of the petitions was published in the **Federal Register** and on the Department's Web site, as required by Section 221 of the Act (19 U.S.C. 2271), the Department initiated investigations of these petitions.

The following determinations terminating investigations were issued because the petitioner has requested that the petition be withdrawn.

85,430, *EveryWare Global, Inc.*, Monaca,
Pennsylvania.

85,437, *Microsemi Corporation*, Garden
Grove, California.

The following determinations terminating investigations were issued because the petitioning groups of workers are covered by active certifications. Consequently, further investigation in these cases would serve no purpose since the petitioning group of workers cannot be covered by more than one certification at a time.

85,270, *Honeywell International, Inc.*,
Phoenix, Arizona.

85,471, *Motorola Mobility*, Fort Worth,
Texas.

I hereby certify that the aforementioned determinations were issued during the period of August 18, 2014 through August 22, 2014. These determinations are available on the Department's Web site www.doleta.gov/tradeact/taa/taa_search_form.cfm under the searchable listing of determinations or by calling the Office of Trade Adjustment Assistance toll free at 888-365-6822.
