[Docket No. 111201710-4701-01]

RIN 0691-AA82

Direct Investment Surveys: BE-13, Survey of New Foreign Direct Investment in the United States; Correction

AGENCY: Bureau of Economic Analysis, Commerce.

ACTION: Final rule; correcting amendment.

SUMMARY: This final rule corrects: The Regulation Identifier Number (RIN) for this action; the effective date; and the statement that the Office of Management and Budget (OMB) has approved the information collection for the BE-13, Survey of New Foreign Direct Investment in the United States, pursuant to the Paperwork Reduction Act. BEA's information collection request is pending at OMB.

DATES: The effective date of the final rule published on August 14, 2014 (79 FR 47573), will be announced after the Office of Management and Budget approves the Bureau of Economic Analysis' information collection request.

FOR FURTHER INFORMATION CONTACT: Barbara K. Hubbard, Chief, Direct Transactions and Positions Branch (BE-49NI), Bureau of Economic Analysis, U.S. Department of Commerce, Washington, DC 20230; phone (202) 606-9846.

SUPPLEMENTARY INFORMATION: On Thursday, August 14, 2014, BEA published a final rule reinstating in the Code of Federal Regulations BEA's BE-13 Survey of New Foreign Direct Investment in the United States (79 FR 47573). That rule incorrectly identified the Regulation Identifier Number (RIN) as 0691-XC025. The correct RIN for this action is 0691-AA82.

The document also stated that OMB had approved the information collection

for BE-13 under OMB control number 0608-0035. This control number has expired, and BEA has requested it be renewed by OMB. That request is currently pending approval at OMB. Once OMB approves the information collection, BEA will publish a document in the **Federal Register** informing the public that the control number has been approved. Until that time, no party is required to provide any information to BEA based on OMB control number 0608-0035.

Finally, the document stated that the final rule is effective on September 15, 2014. The effective date of the final rule will be announced after OMB issues a valid OMB control number for the information collection.

Correction

Accordingly, in final rule FR Doc. 2014-19256, appearing on page 47573 in the issue published on Thursday, August 14, 2014 (79 FR 47573), the following revisions are being made.

1. On page 47573, in the heading of the document, first column, the RIN is revised to read 0691-AA82.

2. On page 47573, the sentence in the second column under DATES is revised to read: "The effective date of this final rule will be announced after OMB issues a valid OMB control number for this information collection."

3. On page 47574, second column under Paperwork Reduction Act, the last sentence of the first paragraph is revised to read: "A new information collection request is pending approval at OMB."

RIN 1625-AA08

Special Local Regulation, Hydrocross, Lake Dora; Tavares, FL

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing special local regulations on the waters of Lake Dora in Tavares, Florida, during the Hydrocross, a series of high-speed personal watercraft races. The event is scheduled to take place on September 13 and 14, 2014.

Approximately 50 vessels are anticipated to participate in the races. This special local regulation is necessary to ensure the safety of life on navigable waters of the United States during the races.

DATES: This rule is effective on September 13 and 14, 2014 and will be enforced daily from 9 a.m. to 5 p.m.

ADDRESSES: Documents mentioned in this preamble are part of docket USCG-2014-0691. SUPPLEMENTARY INFORMATION:

Table of Acronyms

DHS Department of Homeland Security
FR Federal Register
NPRM Notice of Proposed Rulemaking

A. Regulatory History and Information

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) because the Coast Guard did not receive

necessary information about the event until July 23, 2014. As a result, the Coast Guard did not have sufficient time to publish a NPRM and to receive public comments prior to the event. Any delay in the effective date of this rule would be contrary to the public interest because immediate action is needed to minimize potential danger to the race participants, participant vessels, spectators, and the general public.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register** for the same reasons discussed above.

B. Basis and Purpose

The legal basis for the rule is the Coast Guard's authority to establish special local regulations: 33 U.S.C. 1233. The purpose of the rule is to ensure safety of life on navigable waters of the United States during the Hydrocross.

C. Discussion of the Final Rule

On September 13 and 14, 2014, HXR INC Promotions will host the Hydrocross, a series of high-speed personal watercraft races. The Hydrocross will be held on Lake Dora in Tavares, Florida. Approximately 50 vessels are anticipated to participate in the races. No spectator vessels are expected to attend the Hydrocross.

The rule will establish a special local regulation that encompasses certain waters of Lake Dora in Tavares, Florida. The special local regulation will be enforced from 9 a.m. until 5 p.m. on September 13 and 14, 2014. This special local regulation is necessary to ensure the safety of life on navigable waters of the United States during the races. The special local regulation will consist of the following two areas: (1) A race area, where all persons and vessels, except those persons and vessels participating in the high-speed personal watercraft races, are prohibited from entering, transiting, anchoring, or remaining; and (2) a buffer zone around the race area, where all persons and vessels, except those persons and vessels enforcing the buffer zone, or authorized participants transiting to and from the race area, are prohibited from entering, transiting, anchoring, or remaining unless authorized by the Captain of the Port Jacksonville or a designated representative.

Persons and vessels may request authorization to enter, transit through, anchor in, or remain within the race area or buffer zone by contacting the Captain of the Port Jacksonville by telephone at (904) 564-7513, or a

designated representative via VHF radio on channel 16. If authorization to enter, transit through, anchor in, or remain within the race area or buffer zone is granted by the Captain of the Port Jacksonville or a designated representative, all persons and vessels receiving such authorization must comply with the instructions of the Captain of the Port Jacksonville or a designated representative. The Coast Guard will provide notice of the special local regulations by Local Notice to Mariners, Broadcast Notice to Mariners, and on-scene designated representatives.

D. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on these statutes and executive orders.

1. Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of Executive Order 12866 or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under those Orders.

The economic impact of this rule is not significant for the following reasons: (1) The special local regulation will be enforced for only 16 hours; (2) although persons and vessels will not be able to enter, transit through, anchor in, or remain within the race area or buffer zone without being an authorized participant or enforcing the buffer zone, or receiving authorization from the Captain of the Port Jacksonville or a designated representative, they may operate in the surrounding area during the enforcement periods; (3) nonparticipant persons and vessels may still enter, transit through, anchor in, or remain within the race area or buffer zone if authorized by the Captain of the Port Jacksonville or a designated representative; and (4) the Coast Guard will provide advance notification of the special local regulation to the local maritime community by Local Notice to Mariners and Broadcast Notice to Mariners.

2. Impact on Small Entities

The Regulatory Flexibility Act of 1980 (RFA), 5 U.S.C. 601-612, as amended, requires federal agencies to consider the

potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

This rule may affect the following entities, some of which may be small entities: The owners or operators of vessels intending to enter, transit through, anchor in, or remain within that portion of Lake Dora encompassed within the special local regulation from 9 a.m. until 5 p.m. on September 13 and 14, 2014. For the reasons discussed in the Executive Order 12866 and Executive Order 13563 section above, this rule will not have a significant economic impact on a substantial number of small entities.

3. Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the “**FOR FURTHER INFORMATION CONTACT**” section above.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

4. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

5. Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct

effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and determined that this rule does not have implications for federalism.

6. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the “**FOR FURTHER INFORMATION CONTACT**” section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

7. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such expenditure, we do discuss the effects of this rule elsewhere in this preamble.

8. Taking of Private Property

This rule will not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

9. Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

10. Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

11. Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes,

or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

12. Energy Effects

This action is not a “significant energy action” under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

13. Technical Standards

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

14. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.ID, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a special local regulation issued in conjunction with a regatta or marine parade. This rule is categorically excluded from further review under paragraph 34(h) of Figure 2–1 of the Commandant Instruction. An environmental analysis checklist supporting this determination and a Categorical Exclusion Determination are available in the docket where indicated under **ADDRESSES**. We seek any comments or information that may lead to the discovery of a significant environmental impact from this rule.

List of Subjects in 33 CFR Part 100

Marine safety, Navigation (water), Reporting and recordkeeping requirements, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 100 as follows:

PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS

- 1. The authority citation for part 100 continues to read as follows:

Authority: 33 U.S.C. 1233.

- 2. Add a temporary § 100.35T07–0691 to read as follows:

§ 100.35T07–0691 Special Local Regulations; Hydrocross, Lake Dora; Tavares, FL.

(a) *Regulated Areas*. The following regulated areas are established as a

special local regulation. All coordinates are North American Datum 1983.

(1) *Race Area*. All waters of Lake Dora encompassed within the following points: Starting at Point 1 in position 28°47'57" N, 81°43'39" W; thence south to Point 2 in position 28°47'55" N, 81°43'39" W; thence east to Point 3 in position 28°47'55" N, 81°43'22" W; thence north to Point 4 in position 28°47'58" N, 81°43'22" W; thence west back to origin. All persons and vessels, except those persons and vessels participating in the high-speed personal watercraft races, are prohibited from entering, transiting through, anchoring in, or remaining within the race area.

(2) *Buffer Zone*. All waters of Lake Dora, excluding the race area, encompassed within the following points: Starting at Point 1 in position 28°47'59" N, 81°43'40" W; thence south to Point 2 in position 28°47'53" N, 81°43'41" W; thence east to Point 3 in position 28°47'53" N, 81°43'19" W; thence north to Point 4 in position 28°47'59" N, 81°43'19" W; thence west back to origin. All persons and vessels except those persons and vessels enforcing the buffer zone, or authorized participants transiting to or from the race area, are prohibited from entering, transiting through, anchoring in, or remaining within the buffer zone.

(b) *Definition*. The term "designated representative" means Coast Guard Patrol Commanders, including Coast Guard coxswains, petty officers, and other officers operating Coast Guard vessels, and Federal, state, and local officers designated by or assisting the Captain of the Port Jacksonville in the enforcement of the regulated areas.

(c) *Regulations*. (1) All persons and vessels are prohibited from:

(i) Entering, transiting through, anchoring in, or remaining within the race area unless participating in the race.

(ii) Entering, transiting through, anchoring in, or remaining within the buffer zone, unless enforcing the buffer zone or an authorized race participant transiting to or from the race area.

(2) Persons and vessels desiring to enter, transit through, anchor in, or remain within the regulated areas may contact the Captain of the Port Jacksonville by telephone at (904) 564-7513, or a designated representative via VHF radio on channel 16, to request authorization. If authorization is granted by the Captain of the Port Jacksonville or a designated representative, all persons and vessels receiving such authorization must comply with the instructions of the Captain of the Port Jacksonville or a designated representative.

(3) The Coast Guard will provide notice of the regulated areas to the public by Local Notice to Mariners, Broadcast Notice to Mariners, and on-scene designated representatives.

(d) *Enforcement Period*. This rule will be enforced daily from 9 a.m. until 5 p.m. on September 13 and 14, 2014.

Dated: August 27, 2014.

T.G. Allan, Jr.,
Captain, U.S. Coast Guard, Captain of the Port Jacksonville.

33 CFR Part 117

[Docket No. USCG-2014-0793]

Drawbridge Operation Regulation; Boeuf Bayou, Amelia, LA

AGENCY: Coast Guard, DHS.

ACTION: Notice of deviation from drawbridge regulation.

SUMMARY: The Coast Guard has issued a temporary deviation from the operating schedule that governs the Burlington Northern Santa Fe (BNSF) Railway Company swing span bridge across the Boeuf Bayou, mile 10.2, in Amelia, St. Mary Parish, Louisiana. The deviation is necessary to complete scheduled maintenance and repairs for the continued safe operation of the bridge. This deviation allows the bridge to remain in the closed-to-navigation position for seven consecutive hours.

DATES: This deviation is effective from 7 a.m. through 2 p.m. on September 18, 2014.

ADDRESSES: The docket for this deviation, [USCG-2014-0793] is available at <http://www.regulations.gov>. Type the docket number in the "SEARCH" box and click "SEARCH." Click on Open Docket Folder on the line associated with this deviation. You may also visit the Docket Management Facility in Room W12-140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary deviation, call or email David Frank, Bridge Administration Branch, Coast Guard; telephone 504-671-2128, email David.M.Frank@uscg.mil. If you have

questions on viewing the docket, call Cheryl Collins, Program Manager, Docket Operations, telephone 202-366-9826.

SUPPLEMENTARY INFORMATION: The BNSF Railway Company has requested a temporary deviation from the operating schedule of the swing span railroad bridge across Boeuf Bayou, mile 10.2, in Amelia, St. Mary Parish, Louisiana. The deviation was requested for the purpose of removal and installation of the east end reduction gear box, motor shaft, and also to perform an alignment.

In accordance with 33 CFR 117.5, the bridge currently opens on signal for the passage of vessels. This deviation allows the swing span of the bridge to remain in the closed-to-navigation position from 7 a.m. through 2 p.m. on September 18, 2014. At mean high water, the bridge provides 6.6' of vertical clearance in the closed-to-navigation position. However, the bridge will be able to open in the event of an emergency.

Notices will be published in the Eighth Coast Guard District Local Notice to Mariners and will be broadcast via the Coast Guard Broadcast Notice to Mariners System.

Navigation at the site of the bridge consists mainly of tows with barges and some recreational pleasure craft. Due to prior experience, as well as coordination with waterway users, it has been determined that this closure will not have a significant effect on these vessels. An alternate route is available by using the GIWW, Morgan City to Port Allen Alternate Route.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the effective period of this temporary deviation. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: August 27, 2014.

David M. Frank,

Bridge Administrator, Eighth Coast Guard District.
