The Commission has terminated the investigation.

The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at http:// edis.usitc.gov. Hearing-impaired persons are advised that information on

this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on June 11, 2014, based on a complaint filed on behalf of Silicon Laboratories Inc. ("Silicon Labs") of Austin, Texas. 79 FR 33595–96. The complaint alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain silicon tuners and products containing same, including television tuners, by reason of infringement of certain claims of U.S. Patent Nos. 6,137,372 and 6,233,441. The complaint further alleges the existence of a domestic industry. The Commission's notice of investigation named as respondents Hauppauge Computer and Cresta Technology Corporation ("CrestaTech") of Santa Clara, California. See 79 FR 33596. The Office of Unfair Import Investigations ("OUII") is also a party to the investigation. Id.

On July 24, 2014, the Commission issued notice of its determination not to review the ALJ's ID (Order No. 3) terminating the investigation as to CrestaTech based on a consent order stipulation, and issued the consent order. On August 6, 2014, complainant and Hauppauge Computer jointly moved for termination of the investigation as to the remaining respondents based on a settlement agreement. OUII supported the motion.

The ALJ issued the subject ID on August 8, 2014, granting the joint motion for termination of the investigation. He found that the motion for termination satisfies Commission rules 210.21(a)(2), (b)(1). The ALJ also found that there is no indication that termination of the investigation in view of the settlement agreement would have an adverse impact on the public interest. No party petitioned for review of the ID. The Commission has determined not to review the ID and has terminated the investigation.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, and in Part 210 of the Commission's Rules of Practice and Procedure, 19 CFR part 210.

By order of the Commission. Issued: September 5, 2014.
