

52 license (e.g., an early site permit) and/or NRC's regulatory approval (e.g., a design certification rule) with specified issue finality provisions. The staff does not, at this time, intend to impose the positions represented in this RG in a manner that is inconsistent with any part 52 issue finality provisions. If, in the future, the staff seeks to impose a position in the regulatory guide section in a manner which does not provide issue finality as described in the applicable issue finality provision, then the staff must address the criteria for avoiding issue finality in that issue finality provision.

Dated at Rockville, Maryland, this 8th day of September, 2014.

For the Nuclear Regulatory Commission.
