

invited to complete a questionnaire upon completing their service term. The questionnaire asks members about their motivations for joining AmeriCorps, experiences while serving, and future plans and aspirations. Completion of the questionnaire is not required to successfully exit AmeriCorps, receive any stipends, educational awards, or other benefits of service. The purpose of the information collection is to learn more about the member experience and member perceptions of their AmeriCorps experience in order to improve the program. Members complete the questionnaire electronically through the AmeriCorps Member Portal. Members are invited to respond as their exit date nears and are allowed to respond for an indefinite period following the original invitation.

Current Action

CNCS seeks to renew the current information collection. The questionnaire submitted for clearance is a combination of new and existing content from the previously cleared exit questionnaire. The new content reflects changing agency and program priorities. In addition, some approved questions have been edited to make them easier to understand and to provide more useful information for programs. The new questions include data points on problem-solving and cross-cultural communication skills.

The information collection will otherwise be used in the same manner as the existing application. CNCS also seeks to continue using the current application until the revised application is approved by OMB. The current application expired on 7/31/2014.
