Information Collection Request

1. **Title:** Certificate of Discharge to Merchant Mariner.

OMB Control Number: 1625-0012.

Summary: Title 46, United States Code 10311, requires each master or individual in charge of a vessel, for each merchant mariner being discharged from the vessel to prepare a Certificate of Discharge to Merchant Mariners and two copies. These documents are used to establish evidence of sea service aboard U.S. flagged merchant vessels for merchant mariners to upgrade their credentials, establish proof of eligibility for union and other benefits, and in

litigation where vessel service is an issue.

Need: The information collected provides the U.S. Coast Guard evidence of sea service used in determining eligibility for issuance of a merchant mariner credential, to determine eligibility for various benefits such as medical and retirement, and to provide information to the U.S. Maritime Administration (MARAD) on the availability of mariners in a time of a national emergency.

Forms: CG-718A.

Respondents: Shipping companies, masters or individuals in charge of a vessel.

Frequency: On occasion.

Burden Estimate: The estimated burden remains the same at 1,478 per year.

Authority: The Paperwork Reduction Act of 1995; 44 U.S.C. Chapter 35, as amended.

Dated: September 11, 2014.

Thomas P. Michelli,

U.S. Coast Guard, Deputy Chief Information Officer.

SUPPLEMENTARY INFORMATION:

Public Participation and Request for Comments

This Notice relies on the authority of the Paperwork Reduction Act of 1995; 44 U.S.C. Chapter 35, as amended. An ICR is an application to OIRA seeking the approval, extension, or renewal of a Coast Guard collection of information (Collection). The ICR contains information describing the Collection's purpose, the Collection's likely burden on the affected public, an explanation of the necessity of the Collection, and other important information describing the Collection. There is one ICR for each Collection.

The Coast Guard invites comments on whether the ICR should be granted based on the Collections being necessary for the proper performance of Departmental functions. In particular, the Coast Guard would appreciate comments addressing: (1) The practical utility of the Collections; (2) the accuracy of the estimated burden of the Collections; (3) ways to enhance the quality, utility, and clarity of information subject to the Collections; and (4) ways to minimize the burden of the Collections on respondents, including the use of automated collection techniques or other forms of information technology. In response to your comments, we may revise these ICRs or decide not to seek approval of revisions of the Collections. We will consider all comments and material received during the comment period.

We encourage you to respond to this request by submitting comments and related materials. Comments must contain the OMB Control Number of the ICR and the docket number of this request, [USCG–2014–0665], and must be received by November 17, 2014. We will post all comments received, without change, to <http://www.regulations.gov>. They will include any personal information you provide. We have an agreement with DOT to use their DMF. Please see the “Privacy Act” paragraph below.

Submitting Comments

If you submit a comment, please include the docket number [USCG–2014–0665], indicate the specific section of the document to which each comment applies, providing a reason for each comment.
