Use of Facts Available and Adverse Facts Available

As stated in the *Preliminary Results*, Goldon Bedding Manufacturing (M) Sdn Bhd ("Goldon") and Ta Cheng Coconut Knitting Company Ltd. ("Ta Cheng") each failed to cooperate to the best of their ability in providing requested information because they withheld requested information, failed to provide the information in a timely manner and in the form requested, and significantly impeded this proceeding.⁵ Accordingly, pursuant to sections 776(a)(2)(A), (B), and (C) and section 776(b) of the Tariff Act of 1930, as amended ("the Act"), we find it appropriate to assign to Goldon and Ta Cheng dumping margins of 234.51 percent based on total adverse facts available ("AFA"). Because Goldon is located in Malaysia and Ta Cheng is located in Taiwan, we are treating them as third-country resellers. Accordingly, this rate only applies to Goldon's and Ta Cheng's PRC-origin merchandise.⁶

Final Results of Review

The weighted-average dumping margins for the period February 1, 2012, through January 31, 2013, are as follows:

Exporter	Weighted-average dumping margin (percent)
Goldon Bedding Manufacturing (M) Sdn Bhd	234.51
Ta Cheng Coconut Knitting Company Ltd.	234.51

Assessment

Pursuant to section 751(a)(2)(A) of the Act and 19 CFR 351.212(b), the Department will determine, and U.S.

⁵ See *Preliminary Results*, and accompanying Preliminary Decision Memorandum at 5–6.

⁶ See Issues and Decision Memorandum for further discussion of this issue.

Customs and Border Protection ("CBP") shall assess, antidumping duties on all appropriate entries. The Department intends to issue assessment instructions to CBP 15 days after the date of publication of the final results of review in the **Federal Register**.

For Goldon and Ta Cheng, the Department will instruct CBP to assess antidumping duties on their entries of subject merchandise at the rate of 234.51 percent.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: (1) For the exporters listed above, the cash deposit rate will be 234.51 percent for their entries of subject (*i.e.*, PRC-origin PSF) merchandise; (2) for previously investigated or reviewed PRC and non-PRC exporters not listed above that have a separate rate, the cash deposit rate will continue to be the exporter-specific rate published for the most recently completed segment of this proceeding; (3) for all PRC exporters of subject merchandise which have not been found to be entitled to a separate rate, the cash deposit rate will be that established for the PRC-wide entity of 234.51 percent; and (4) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporter that supplied that non-PRC exporter with the subject merchandise. The deposit requirements, when imposed, shall remain in effect until further notice.

Reimbursement of Duties

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this period of review. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Administrative Protective Orders

In accordance with 19 CFR 351.305(a)(3), this notice also serves as a reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the

return or destruction of proprietary information disclosed under APO, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

Notification to Interested Parties

We are issuing and publishing this administrative review and notice in accordance with sections 751(a)(1) and 777(i) of the Act.

Dated: September 12, 2014.

Certain Pasta From Italy: Notice of Final Results of Antidumping Duty Changed Circumstances Review

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On May 16, 2014, the Department of Commerce ("Department") published the preliminary results of the changed circumstances review of the antidumping duty order on certain pasta from Italy and preliminarily determined that Delverde Industrie Alimentari S.p.A. ("Delverde") was not the successor-in-interest to Del Verde S.p.A., a company excluded from the order.¹ We received comments from interested parties. Based on our analysis, for the final results, the Department continues to find that Delverde is not the successor-in-interest to Del Verde S.p.A.

Background

On July 24, 1996, the Department published in the **Federal Register** the antidumping duty order on pasta from Italy.² Pursuant to a decision by the Court of International Trade, the Department determined that Del Verde S.p.A. had a *de minimis* dumping margin and should be excluded from the order.³

On July 18, 2012, Delverde requested a changed circumstances review. On August 10, 2012, the Department initiated this review.⁴ On May 16, 2014, the Department published in the **Federal Register** a preliminary finding that Delverde was not the successor-in-interest to Del Verde S.p.A.⁵

On May 27, 2014, Delverde submitted a case brief.⁶ On June 9, 2014, Petitioners submitted a rebuttal brief.⁷ The Department extended the deadline for the final results until August 14, 2014 on June 23, 2014.⁸

Scope of the Order

Imports covered by this order are shipments of certain non-egg dry pasta in packages of five pounds four ounces or less, whether or not enriched or fortified or containing milk or other optional ingredients such as chopped vegetables, vegetable purees, milk, gluten, diastasis, vitamins, coloring and flavorings, and up to two percent egg white. The pasta covered by this scope is typically sold in the retail market, in fiberboard or cardboard cartons, or polyethylene or polypropylene bags of varying dimensions.

⁷ See Petitioner’s June 9, 2014 Rebuttal Brief.

⁸ See June 23, 2014 Letter to Delverde.

Excluded from the scope of this order are refrigerated, frozen, or canned pastas, as well all forms of egg pasta, with the exception of non-egg dry pasta containing up to two percent egg white. Also excluded are imports of organic pasta from Italy that are certified by a European Union (“EU”) authorized body and accompanied by a National Organic Program import certificate for organic products.⁹ Effective July 1, 2008, gluten free pasta is also excluded from this order.¹⁰

The merchandise subject to this order is currently classifiable under items 1902.19.20 and 1901.90.9095 of the Harmonized Tariff Schedule of the United States (“HTSUS”). Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the merchandise subject to the order is dispositive.

Analysis of Comments Received

All issues raised in the case and rebuttal briefs by parties to this changed circumstances review are addressed in the Issues and Decision Memorandum, which is hereby adopted by this notice. A list of the issues which parties have raised, and to which we have responded in the Issues and Decision Memorandum, is attached to this notice as an Appendix.

The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (“IA ACCESS”). The paper copy and electronic version of the Issues and Decision Memorandum are identical in content.

⁹ On October 10, 2012, the Department revised the “Scope of the Order” to recognize the EU-authorized Italian agents for purposes of the antidumping and countervailing duty orders on pasta from Italy. See Memorandum from Yasmin Nair to Susan Kuhbach, titled “Recognition of EU Organic Certifying Agents for Certifying Organic Pasta From Italy,” dated October 10, 2012, which is on file in the Department’s Central Records Unit.

Final Results of Changed Circumstances Review

For the *Preliminary Results*, the Department found that Delverde was not the successor-in-interest to Del Verde S.p.A. based on aspects of the bankruptcy of the company, changes in management, changes in supplier relationships, and changes in production facilities.¹¹ Based on our analysis of the comments received, the Department continues to find that Delverde is not the successor-in-interest to Del Verde S.p.A. and is not excluded from the order.¹² This determination will apply to all entries of the subject merchandise entered or withdrawn from warehouse, for consumption on or after the date of the publication of the final results.

Notification

This notice serves as a reminder to parties subject to administrative protective orders (APOs) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.306. Timely written notification of the destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This notice is published in accordance with sections 751(b)(1) and 777(i) of the Act and 19 CFR 351.216 and 351.221.

Date: September 12 2014.
