SMALL BUSINESS ADMINISTRATION

Delegations of Authority: Delegation of Authority No. 12-G, Revision 1

AGENCY: Small Business Administration.

ACTION: Notice of Delegations of Authority.

SUMMARY: This document provides the public notice of a revision to Delegations of Authority No. 12-G (70 FR 21262, April 25, 2005), which delegated authority for lender oversight and enforcement activities by the Administrator of the Small Business Administration (SBA) to the Associate Administrator for the Office of Lender Oversight (AA/OLO), the Lender Oversight Committee, and the Associate Deputy Administrator for Capital Access (ADA/CA). By this revision, the Administrator provides the public notice of a change in the name of Office of Lender Oversight to the "Office of Credit Risk Management." It also provides notice of changes in the position titles of the AA/OLO to the "Director, Office of Credit Risk Management" (D/OCRM) and the ADA/CA to the "Associate Administrator for Capital Access" (AA/CA). Through this document, the Administrator is delegating additional authority in lender oversight and enforcement matters to the D/OCRM, the Lender Oversight Committee, and the AA/CA. The additional delegations to the D/OCRM include, but are not limited to, the authority to renew certain delegated lending authorities accorded to 7(a) Lenders and Certified Development Companies, authorities over SBA Supervised Lender reporting, and the authority to oversee Agent activity in the business loan programs. The additional authorities delegated to the Lender Oversight Committee effect a transfer of certain supervision and enforcement authorities from the Director, Office of Financial Assistance to the Lender Oversight Committee. The additional authorities delegated to the AA/CA relate to Small Business Lending Company capital. Finally, this revision incorporates a few updates and clarifications. These Delegations of Authority No. 12-G, Revision 1

supersede Delegations of Authority No. 12-G.

Brent Ciurlino, Director, Office of Credit Risk Management, or Diane K. Wright, Attorney Advisor, Office of General Counsel, U.S. Small Business Administration, 409 3rd Street SW., Washington, DC 20416, telephone numbers: (202) 205-3049 or (202) 205-6642, respectively; facsimile number: (202) 205-6831; and electronic mail: brent.ciurlino@sba.gov or diane.wright@sba.gov, respectively.

SUPPLEMENTARY INFORMATION: This publication provides the public notice of a revision to the Administrator's Delegations of Authority with respect to SBA's lender oversight and enforcement activities. Specifically, this revision provides the public notice of a change in the name of the office from the "Office of Lender Oversight" to the "Office of Credit Risk Management." This document also provides the public notice of a change in the position titles from "Associate Administrator for the Office of Lender Oversight" to "Director, Office of Credit Risk Management" (D/OCRM) and from the "Associate Deputy Administrator for Capital Access" to the "Associate Administrator for Capital Access" (AA/CA).

In addition, the revision grants further authority in lender oversight and enforcement matters to the D/OCRM, the Lender Oversight Committee, and the AA/CA. This revision delegates to the D/OCRM the authority to renew delegated lending authority accorded to 7(a) Lenders in the Preferred Lenders Program (PLP), SBA Express Program, and Export Express Program and to renew delegated lending authority accorded to Certified Development Companies (CDCs) in the Accredited Lenders Program (ALP) and the Premier Certified Lenders Program (PCLP). The Director, Office of Financial Assistance (D/OFA) will make the delegated lending authority determination on initial applications (Nominations). This revision also delegates to the D/OCRM the authority over participation in the Community Advantage Program, currently a pilot program. The document further delegates to the D/OCRM authority over SBA Supervised Lender reporting. In addition, it eliminates the Risk Rating "4" and "5" delineation for the D/OCRM and the D/OFA in their respective responsibilities for dealings with 7(a) Lenders and CDCs (collectively, SBA Lenders), and Intermediaries in the Microloan Program and Intermediaries in the ILP

¹⁰ 17 CFR 200.30-3(a)(12).

Program (collectively, Intermediaries). More specifically, the D/OCRM will have responsibility for dealings with all SBA Lenders and Intermediaries in matters of oversight/monitoring, supervision, and enforcement, as applicable. Other dealings with SBA Lenders, including but not limited to approval of 7(a) Lender financing and other conveyances (e.g., securitizations, sales, sales of participations, and pledges) and approvals of SBA Supervised Lender applications and changes of ownership and control, will rest with the D/OFA regardless of Risk Rating. The D/OFA will make certain significant decisions (e.g., other conveyances and SBA Supervised Lender applications and changes of ownership and control) in consultation with the D/OCRM. The Administrator is also delegating to the D/OCRM oversight of Agent activity in SBA's business loan programs and the authority to suspend or revoke the privilege of these Agents to conduct business with SBA under 13 C.F.R. Part 103.

The revision also expands certain authorities of the Lender Oversight Committee. Specifically, the Lender Oversight Committee's authority to approve certain enforcement actions against lenders is no longer limited to lenders Risk Rated "4" and "5". With this Delegation, the Lender Oversight Committee has authority to approve such enforcement actions regardless of an SBA Lender's or Intermediary's Risk Rating. By this revision, the Administrator also delegates to the AA/CA additional authorities, including authorities involving SBA Supervised Lender capital regulation (e.g., the authority to set SBLC capital standards). These changes extend the formal migration of lender oversight and enforcement responsibilities from the D/OFA to the D/OCRM, the Lender Oversight Committee, and the AA/CA. Finally, the revision incorporates a few clarifications and updates (e.g., inclusion of risk-based reviews/examinations as an oversight tool in paragraph I.A.2.b. below, additional supervision and enforcement authorities over Intermediaries, and D/OCRM authority to implement certain portfolio transfers). Delegation of Authority No. 12-G Revision 1 reads as follows:

I. The Administrator of the SBA, pursuant to the authority vested in her by the Small Business Act, 15 U.S.C. 631 et. seq., as amended, and the Small Business Investment Act of 1958, 15 U.S.C. 661 et. seq., as amended, hereby delegates the following authorities:
