**SUPPLEMENTARY INFORMATION:** Section 1320.8(d), Title 5, Code of Federal Regulations, requires PHMSA to provide interested members of the public and affected agencies an opportunity to comment on information collection and recordkeeping requests. This notice identifies an information collection request that PHMSA will be submitting to OMB for renewal and extension. The information collection expires October 31, 2014, and is identified under Control No. 2137-0622, titled: "Pipeline Safety: Public Awareness Program." The following information is provided for this information collection: (1) Title of the information collection; (2) OMB control number; (3) Type of request; (4) Abstract of the information collection activity; (5) Description of affected public; (6) Estimate of total annual reporting and recordkeeping burden; and (7) Frequency of collection. PHMSA will request a three-year term of approval for this information collection activity. PHMSA requests comments on the following information collection:

*Title:* Pipeline Safety: Public Awareness Program.

*OMB Control Number:* 2137-0622.

*Type of Request:* Renewal of a currently approved information collection.

*Abstract:* The Federal Pipeline Safety Regulations require each operator to develop and implement a written continuing public education program

that follows the guidance provided in the American Petroleum Institute's Recommended Practice RP 1162. Upon request, operators must submit their completed programs to PHMSA or, in the case of an intrastate pipeline facility operator, the appropriate state agency. The operator's program documentation and evaluation results must also be available for periodic review by appropriate regulatory agencies (49 CFR 192.616 and 195.440).

*Affected Public:* Operators of natural gas and hazardous liquid pipelines.

*Estimated number of responses:* 22,500.

*Estimated annual burden hours:* 517,480 hours.

*Frequency of collection:* Annual.

Comments are invited on:

(a) The need for the proposed collection of information for the proper performance of the functions of the agency, including whether the information will have practical utility;

(b) The accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(d) Ways to minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques.

**Authority:** The Paperwork Reduction Act of 1995; 44 U.S.C. Chapter 35, as amended.

Issued in Washington, DC on September 17, 2014.

**SUPPLEMENTARY INFORMATION:** In accordance with the requirements of the PRA, the Agencies may not conduct or sponsor, and the respondent is not required to respond to, an information collection unless it displays a currently valid OMB control number. The Agencies are requesting comment on a continuing information collection.

The agencies published a notice for 60 days of comment on June 9, 2014 (79 FR 33039). No comments were received. Comments continue to be invited on:

(a) Whether the collection of information is necessary for the proper performance of the Agencies’ functions, including whether the information has practical utility;

(b) The accuracy of the estimates of the burden of the information collection, including the validity of the methodology and assumptions used;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected;

(d) Ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology; and

(e) Estimates of capital or start up costs and costs of operation, maintenance, and purchase of services to provide information.

*Title of Information Collection:* Basel II Interagency Supervisory Guidance for the Supervisory Review Process (Pillar 2).

*OMB Control Numbers:*

OCC: 1557-0242.

FDIC: 3064-0165.

*Frequency of Response:* Event-generated.

*Affected Public:*

OCC: National banks and Federal savings associations.

*FDIC:* Insured state nonmember banks and certain subsidiaries of these entities.

*Abstract:* The agencies issued a supervisory guidance document for implementing the supervisory review process (Pillar 2) on July 31, 2008 (73 FR 44620). Sections 37, 41, 43, and 46 of the guidance impose information collection requirements on financial institutions, including national banks and Federal savings associations, which are collectively defined in the guidance as banks. Section 37 states that banks should state clearly the definition of capital used in any aspect of its internal capital adequacy assessment process (ICAAP) and document any changes in the internal definition of capital. Section 41 requires banks to maintain thorough documentation of ICAAP. Section 43 specifies that boards of directors must approve the bank’s ICAAP, review it on a regular basis, and approve any changes. Boards of directors also are required under section 46 to periodically review the assessment of overall capital adequacy and to analyze how measures of internal capital adequacy compare with other capital measures (such as regulatory or accounting).

*Estimated Burden:*
