ENVIRONMENTAL PROTECTION AGENCY

[EPA-HQ-OPP-2004-0202; FRL-9916-87]

Pentachloronitrobenzene (PCNB); Cancellation Order for Amendments To Terminate Uses

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: This notice announces EPA's order for amendments to terminate uses, voluntarily requested by the registrant

and accepted by the Agency, of products containing pentachloronitrobenzene (PCNB), pursuant to the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA). This cancellation order follows a June 6, 2014 **Federal Register** Notice of Receipt of Requests from the registrant listed in Table 2 of Unit II. to voluntarily amend to terminate certain uses of these product registrations. These are not the last products containing this pesticide registered for use in the United States. In the June 6, 2014 notice, EPA indicated that it would issue an order implementing the amendments to terminate uses, unless the Agency received substantive comments within the 30-day comment period that would merit its further review of these requests, or unless the registrant withdrew its requests. The Agency did not receive any comments on the notice. Further, the registrant did not withdraw its requests. Accordingly, EPA hereby issues in this notice a cancellation order granting the requested amendments to terminate uses. Any distribution, sale, or use of the products subject to this cancellation order is permitted only in accordance with the terms of this order, including any existing stocks provisions.

DATES: The amendments are effective September 24, 2014.
