#### Large Power Transformers From the Republic of Korea: Preliminary Results of Antidumping Duty Administrative Review; 2012-2013

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on large power transformers (LPTs) from the Republic of Korea (Korea). The period of review (POR) is February 16, 2012, through July 31, 2013. The review covers five producers/exporters of the subject merchandise, Hyosung Corporation (Hyosung), Hyundai Heavy Industries Co., Ltd. (Hyundai), ILJIN, ILJIN Electric Co., Ltd. (ILJIN Electric), and LSIS Co., Ltd. (LSIS). ILJIN, ILJIN Electric, and LSIS, were not selected for individual examination.

We preliminarily determine that sales of subject merchandise by Hyosung and Hyundai were made at less than normal value during the POR. Interested parties are invited to comment on these preliminary results.

**DATES:** *Effective Date:* September 24, 2014.

**FOR FURTHER INFORMATION CONTACT:** Brian Davis or David Cordell, AD/CVD Operations, Office VI, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-7924 or (202) 482-0408, respectively.

#### SUPPLEMENTARY INFORMATION:

##### Scope of the Order

The scope of this order covers large liquid dielectric power transformers (LPTs) having a top power handling capacity greater than or equal to 60,000 kilovolt amperes (60 megavolt amperes), whether assembled or unassembled, complete or incomplete. The

merchandise subject to the order is currently classified in the Harmonized Tariff Schedule of the United States at subheadings 8504.23.0040, 8504.23.0080 and 8504.90.9540. This tariff classification is provided for convenience and Customs purposes; however, the written description of the scope of the order is dispositive. A full description of the scope of the order is contained in the memorandum from Gary Taverman, Associate Deputy Assistant Secretary for AD/CVD Operations, to Ronald K. Lorentzen, Acting Assistant Secretary for Enforcement and Compliance, titled "Decision Memorandum for Preliminary Results of Antidumping Duty Administrative Review: Large Power Transformers from the Republic of Korea; 2012-2103" (Preliminary Decision Memorandum), which is issued concurrent with and hereby adopted by this notice.

#### Methodology

The Department has conducted this review in accordance with section 751(a)(2) of the Tariff Act of 1930, as amended (the Act). Constructed export price (CEP) is calculated in accordance with section 772 of the Act. Normal value is calculated in accordance with section 773 of the Act. For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum.

The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (IA ACCESS). Access to IA ACCESS is available to registered users at <http://iaaccess.trade.gov> and is available to all parties in the Central Records Unit, Room 7046 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly on the Internet at <http://enforcement.trade.gov/frn/index.html>.

A list of topics discussed in the Preliminary Decision Memorandum is attached as an Appendix to this notice. The signed Preliminary Decision Memorandum and the electronic versions of the Preliminary Decision Memorandum are identical in content.

#### Preliminary Results of Review

We preliminarily determine that, for the period February 16, 2012, through July 31, 2013, the following dumping margins exist:<sup>1</sup>

<sup>1</sup> The rate applied to the non-selected companies (i.e., ILJIN, ILJIN Electric, and LSIS) is a weighted-

Manufacturer/exporter	Weighted-average margin (percent)
Hyosung Corporation ....	6.56
Hyundai Heavy Industries Co., Ltd. ....	9.34
ILJIN Electric Co., Ltd. ....	8.11
ILJIN .....	8.11
LSIS Co., Ltd. ....	8.11

The Department intends to publish the final results of this administrative review, including the results of its analysis of issues addressed in any case or rebuttal brief, no later than 120 days after publication of these preliminary results, unless extended.<sup>12</sup>

#### Assessment Rates

Upon completion of this administrative review, the Department shall determine, and CBP shall assess, antidumping duties on all appropriate entries.<sup>13</sup> If respondents' weighted-average dumping margin is not zero or *de minimis* in the final results of this review, we will calculate importer-specific assessment rates on the basis of the ratio of the total amount of antidumping duties calculated for an importer's examined sales and the total entered value of such sales in accordance with 19 CFR 351.212(b)(1). If respondents' weighted-average dumping margin is zero or *de minimis* in the final results of review, we will instruct CBP not to assess duties on any of its entries in accordance with the *Final Modification for Reviews, i.e.,* “{w}here the weighted-average margin of dumping for the exporter is determined to be zero or *de minimis*, no antidumping duties will be assessed.”<sup>14</sup>

The Department clarified its “automatic assessment” regulation on May 6, 2003.<sup>15</sup> This clarification will apply to entries of subject merchandise during the POR produced by Hyosung and Hyundai in these preliminary results of review for which the reviewed company did not know their merchandise was destined for the

United States. In such instances, we will instruct CBP to liquidate un-reviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.

We intend to issue liquidation instructions to CBP 15 days after publication of the final results of this review.

#### Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for Hyosung and Hyundai will be that established in the final results of this administrative review; (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or in the investigation but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be the all-others rate of 22.00 percent, which is the all-others rate established in the investigation.<sup>16</sup> These cash deposit requirements, when imposed, shall remain in effect until further notice.

#### Notification to Importers

This notice also serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: September 18, 2014.
