OMB No. 0915–0044—Extension
Abstract: The HPSL program, as authorized by Public Health Service (PHS) Act sections 721–722, and 725–735, provides long-term, low-interest loans to students attending schools of medicine, osteopathic medicine, dentistry, veterinary medicine, optometry, podiatric medicine, and pharmacy. The NSL program as authorized by PHS Act sections 835–842, provides long-term, low-interest loans to students who attend eligible schools of nursing in programs leading to a diploma in nursing, including an associate degree, a baccalaureate degree, or graduate degree in nursing.

Need and Proposed Use of the Information: Participating HPSL and NSL schools are responsible for determining eligibility of applicants, making loans, and collecting monies owed by borrowers on their outstanding loans. The Annual Operating Report (AOR-HRSA Form 501) provides the U.S. Department of Health and Human Services with information from participating schools

(including schools that are no longer disbursing loans but are required to report and maintain program records, student records, and repayment records until all student loans are repaid in full and all monies due to the federal government are returned) relating to HPSL and NSL program operations and financial activities.

Likely Respondents: Financial Aid Directors working at institutions participating in the HPSL and NSL programs.
