SUPPLEMENTARY INFORMATION:

I. Abstract

The President's Proclamation on Steel Safeguards mandated that the Departments of Commerce and Treasury institute an import licensing system to facilitate the monitoring of certain steel imports in 2002.

Regulations were established that implemented the Steel Import Monitoring and Analysis (SIMA) System and expanded on the licensing system in 2006 for steel that was part of those safeguards. The import license information is necessary to assess import trends of steel products.

In order to effectively monitor steel imports, Commerce must collect and provide timely aggregated summaries about the imports. The Steel Import License is the tool used to collect the necessary information. The Census Bureau currently collects import data and disseminates aggregate information about steel imports. However, the time required to collect, process, and disseminate this information through Census can take up to 90 days after importation of the product, giving interested parties and the public far less time to respond to injurious sales.

II. Method of Collection

The license application can be submitted electronically via the Commerce Web site (<http://enforcement.trade.gov/steel/license/>) or completed electronically and emailed or faxed to the Department.

Narrow Woven Ribbon With Woven Selvedge From the People's Republic of China: Final Results of Administrative Review; 2012–2013

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On June 9, 2014, the Department of Commerce (the “Department”) published the preliminary results and partial rescission of the 2012–2013 administrative review of the antidumping duty order on narrow woven ribbon with woven selvedge (“NWR”) from the People's Republic of China (“PRC”), in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (“the Act”).¹ The period of review (“POR”) is September 1, 2012, through August 31, 2013. Because the PRC-wide entity failed to cooperate to the best of its ability in complying with our requests for information, we preliminarily determined an estimated weighted-average dumping margin for the PRC-wide entity based on facts available with an adverse inference (“AFA”). The Department invited interested parties to comment on the *Preliminary Results*. No parties commented. Accordingly, our final results remain unchanged from the *Preliminary Results*.

DATES: *Effective Date:* October 10, 2014.

¹ See *Narrow Woven Ribbon With Woven Selvedge From the People's Republic of China: Preliminary Results and Partial Rescission of Administrative Review; 2012–2013*, 79 FR 32912 (June 9, 2014) (“*Preliminary Results*”).

SUPPLEMENTARY INFORMATION:

Background

On June 9, 2014, the Department published the *Preliminary Results*. The Department explained that it had initiated an administrative review of the company, Yangzhou Bestpak Gifts & Crafts Co., Ltd. (“Bestpak”) and issued questionnaires to Bestpak, which did not respond to those questionnaires. Because Bestpak did not establish that its export activities were separate from that of the PRC-wide entity, in accordance with 19 CFR 351.107(d), the Department preliminarily determined that Bestpak was part of the PRC-wide entity. Further, because the PRC-wide entity failed to provide responses to questionnaires and cooperate to the best of its ability in complying with the information requests, the Department preliminarily determined an estimated weighted-average dumping margin based on AFA, in accordance with sections 776(a) and (b) of the Act, for the PRC-wide entity. We invited interested parties to submit comments on the *Preliminary Results*. No party commented, nor did any party request a hearing.

Scope of the Order

The products covered by the order are narrow woven ribbons with woven selvage.² The merchandise subject to the order is classifiable under the Harmonized Tariff Schedule of the United States (“HTSUS”) subheadings 5806.32.1020; 5806.32.1030; 5806.32.1050 and 5806.32.1060. Subject merchandise also may enter under HTSUS subheadings 5806.31.00; 5806.32.20; 5806.39.20; 5806.39.30; 5808.90.00; 5810.91.00; 5810.99.90; 5903.90.10; 5903.90.25; 5907.00.60; and 5907.00.80 and under statistical categories 5806.32.1080; 5810.92.9080; 5903.90.3090; and 6307.90.9889. Although the HTSUS subheadings are provided for convenience and customs purposes, the written product

description in the *Order* remains dispositive.³

Final Results of Review

As noted above, the Department received no comments concerning the *Preliminary Results* on the record of this segment of the proceeding. As there are no changes from, or comments upon, the *Preliminary Results*, the Department finds that there is no reason to modify its analysis. Thus, we continue to determine that Bestpak is part of the PRC-wide entity for these final results, and that the PRC-wide entity has failed to act to the best of its ability to responding to the Department’s requests for information, warranting the application of AFA, in accordance with sections 776(a) and (b) of the Act. Accordingly, no decision memorandum accompanies this **Federal Register** notice. For further details of the issues addressed in this proceeding, see the *Preliminary Results* and the accompanying Preliminary Decision Memorandum. The final weighted-average dumping margin for the period September 1, 2012, through August 31, 2013, is as follows:

Exporter	Weighted-average dumping margin (percent)
PRC-wide entity ⁴	247.65

issue assessment instructions to CBP 15 days after the date of publication of these final results of review. The Department intends to instruct CBP to liquidate entries of subject merchandise from Bestpak at the PRC-wide rate of 247.65 percent.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(2)(C) of the Act: (1) For previously investigated or reviewed PRC and non-PRC exporters which are not under review in this segment of the proceeding but which have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recent period; (2) for all PRC exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the PRC-wide rate of 247.65 percent; and (3) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporter(s) that supplied that non-PRC exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers Regarding the Reimbursement of Duties

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Department’s presumption that reimbursement of antidumping duties has occurred and the subsequent assessment of doubled antidumping duties.

Notification to Interested Parties

This notice also serves as a reminder to parties subject to the administrative protective order (“APO”) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely notification of the destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing these results and this notice in accordance with sections 751(a)(1) and 777(i) of the Act.

Dated: October 3, 2014.

Assistant Secretary for Enforcement and Compliance.

Certain Frozen Warmwater Shrimp From India: Initiation and Preliminary Results of Antidumping Duty Changed Circumstances Review

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: In response to a request by Premier Marine Products Private Limited (PPL), a producer/exporter of certain frozen warmwater shrimp (shrimp) from India, and pursuant to section 751(b) of the Tariff Act of 1930, as amended (the Act), 19 CFR 351.216 and 351.221(c)(3)(ii), the Department of Commerce (the Department) is initiating a changed circumstances review (CCR) of the antidumping duty (AD) order on shrimp from India with regards to PPL. Based on the information received, we preliminarily determine that PPL is the successor-in-interest to Premier Marine Products (PMP) for purposes of determining AD liability. Interested parties are invited to comment on these preliminary results.

DATES: *Effective Date:* October 10, 2014.

FOR FURTHER INFORMATION CONTACT: Blaine Wiltse or Stephen Banea, AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-6345 or (202) 482-0656, respectively.

SUPPLEMENTARY INFORMATION:

Background

On February 1, 2005, the Department published in the **Federal Register** the AD order on shrimp from India.¹ Effective April 8, 2013, PMP, a producer/exporter of Indian shrimp covered by this order, converted from a

partnership company to a private limited company, under the definition in Indian law and, as part of this conversion, it changed its name to PPL.² On August 22, 2014, PPL requested³ that the Department conduct an expedited CCR to determine that it is the successor-in-interest to PMP, for the purpose of being assigned PMP's cash deposit rate, as a part of the Liberty Group of companies.⁴ We received no comments opposing PPL's request.

Scope of the Order

The scope of this order includes certain frozen warmwater shrimp and prawns, whether wild-caught (ocean harvested) or farm-raised (produced by aquaculture), head-on or head-off, shell-on or peeled, tail-on or tail-off, deveined or not deveined, cooked or raw, or otherwise processed in frozen form.

The frozen warmwater shrimp and prawn products included in the scope of this order, regardless of definitions in the Harmonized Tariff Schedule of the United States (HTSUS), are products which are processed from warmwater shrimp and prawns through freezing and which are sold in any count size.

The products described above may be processed from any species of warmwater shrimp and prawns. Warmwater shrimp and prawns are generally classified in, but are not limited to, the Penaeidae family. Some examples of the farmed and wild-caught warmwater species include, but are not limited to, whiteleg shrimp (*Penaeus vannamei*), banana prawn (*Penaeus merguensis*), fleshy prawn (*Penaeus chinensis*), giant river prawn (*Macrobrachium rosenbergii*), giant tiger prawn (*Penaeus monodon*), redspotted shrimp (*Penaeus brasiliensis*), southern brown shrimp (*Penaeus subtilis*), southern pink shrimp (*Penaeus notialis*), southern rough shrimp (*Trachypenaeus curvirostris*), southern white shrimp (*Penaeus schmitti*), blue shrimp (*Penaeus stylirostris*), western white shrimp (*Penaeus occidentalis*), and Indian white prawn (*Penaeus indicus*).

Frozen shrimp and prawns that are packed with marinade, spices or sauce are included in the scope of this order. In addition, food preparations, which are not "prepared meals," that contain

more than 20 percent by weight of shrimp or prawn are also included in the scope of this order.

Excluded from the scope are: (1) Breaded shrimp and prawns (HTSUS subheading 1605.20.10.20); (2) shrimp and prawns generally classified in the Pandalidae family and commonly referred to as coldwater shrimp, in any state of processing; (3) fresh shrimp and prawns whether shell-on or peeled (HTSUS subheadings 0306.23.00.20 and 0306.23.00.40); (4) shrimp and prawns in prepared meals (HTSUS subheading 1605.20.05.10); (5) dried shrimp and prawns; (6) canned warmwater shrimp and prawns (HTSUS subheading 1605.20.10.40); (7) certain battered shrimp. Battered shrimp is a shrimp-based product: (1) That is produced from fresh (or thawed-from-frozen) and peeled shrimp; (2) to which a "dusting" layer of rice or wheat flour of at least 95 percent purity has been applied; (3) with the entire surface of the shrimp flesh thoroughly and evenly coated with the flour; (4) with the non-shrimp content of the end product constituting between four and ten percent of the product's total weight after being dusted, but prior to being frozen; and (5) that is subjected to IQF freezing immediately after application of the dusting layer. When dusted in accordance with the definition of dusting above, the battered shrimp product is also coated with a wet viscous layer containing egg and/or milk, and par-fried.

The products covered by this order are currently classified under the following HTSUS subheadings: 0306.17.00.03, 0306.17.00.06, 0306.17.00.09, 0306.17.00.12, 0306.17.00.15, 0306.17.00.18, 0306.17.00.21, 0306.17.00.24, 0306.17.00.27, 0306.17.00.40, 1605.21.10.30, and 1605.29.10.10. These HTSUS subheadings are provided for convenience and for customs purposes only and are not dispositive, but rather the written description of the scope of this order is dispositive.

Initiation and Preliminary Results of Changed Circumstances Review

Pursuant to section 751(b)(1)(A) of the Act and 19 CFR 351.216(d), the Department will conduct a CCR upon receipt of a request from an interested party for a review of an AD order which shows changed circumstances sufficient to warrant a review of the order.
