**The Proposal**

This action proposes to amend Title 14, Code of Federal Regulations (14 CFR), Part 71 by establishing Class E airspace extending upward from 700 feet above the surface within a 6.5-mile radius of Dry Creek Airport, Cypress, TX, to accommodate new standard instrument approach procedures. Controlled airspace is needed for the safety and management of IFR operations at the airport.

Class E airspace areas are published in Paragraph 6005 of FAA Order 7400.9Y, dated August 6, 2014 and effective September 15, 2014, which is incorporated by reference in 14 CFR 71.1. The Class E airspace designation listed in this document will be published subsequently in the Order.

The FAA has determined that this proposed regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore, (1) is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a Regulatory Evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this rule, when promulgated, will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

The FAA's authority to issue rules regarding aviation safety is found in Title 49 of the U.S. Code. Subtitle 1, Section 106 describes the authority of the FAA Administrator. Subtitle VII, Aviation Programs, describes in more detail the scope of the agency's authority. This rulemaking is promulgated under the authority described in Subtitle VII, Part A, Subpart I, Section 40103. Under that section, the FAA is charged with prescribing regulations to assign the use of airspace necessary to ensure the safety of aircraft and the efficient use of airspace. This regulation is within the scope of that authority as it would

establish controlled airspace at Dry Creek Airport, Cypress, TX.

### Environmental Review

This proposal will be subject to an environmental analysis in accordance with FAA Order 1050.1E, "Environmental Impacts: Policies and Procedures" prior to any FAA final regulatory action.

#### Removal of the 36-Month Non-Payment Testing Period Rule

**AGENCY:** Internal Revenue Service (IRS), Treasury.

**ACTION:** Notice of proposed rulemaking.

**SUMMARY:** This document contains proposed regulations that will remove a rule that a deemed discharge of indebtedness for which a Form 1099–C, "Cancellation of Debt," must be filed occurs at the expiration of a 36-month non-payment testing period. The Department of the Treasury and the IRS are concerned that the rule creates confusion for taxpayers and does not increase tax compliance by debtors or provide the IRS with valuable third-party information that may be used to ensure taxpayer compliance. The proposed regulations will affect certain financial institutions and governmental entities.

**DATES:** Comments and requests for a public hearing must be received by January 13, 2015.

**ADDRESSES:** Send submissions to: CC:PA:LPD:PR (REG–136676–13), Room 5203, Internal Revenue Service, P.O. Box 7604, Ben Franklin Station, Washington, DC 20044. Submissions may be hand-delivered Monday through Friday between the hours of 8:00 a.m. and 4:00 p.m. to CC:PA:LPD:PR (REG–136676–13), Courier's Desk, Internal Revenue Service, 1111 Constitution Avenue NW., Washington, DC 20224. Alternatively, taxpayers may submit comments electronically via the Federal eRulemaking Portal at [www.regulations.gov](http://www.regulations.gov) (IRS REG–136676–13).

#### SUPPLEMENTARY INFORMATION:

#### Background

This document contains proposed regulations to amend certain Income Tax Regulations (26 CFR Part 1) issued under section 6050P of the Internal Revenue Code (Code), which provide that the 36-month non-payment testing period is an identifiable event triggering

an information reporting obligation for discharge of indebtedness by certain entities. The proposed regulations would remove the 36-month non-payment testing period as an identifiable event.

#### Statutory Provisions

Section 61(a)(12) provides that income from discharge of indebtedness is includible in gross income. Section 6050P was added to the Code by section 13252 of the Omnibus Budget Reconciliation Act of 1993, Public Law 103–66 (107 Stat. 312, 531–532 (1993)). Section 6050P was enacted in part "to encourage taxpayer compliance with respect to discharged indebtedness" and to "enhance the ability of the IRS to enforce the discharge of indebtedness rules." H.R. Rep. No. 103–111, at 758 (1993). As originally enacted, section 6050P generally required applicable financial entities (generally financial institutions, credit unions, and Federal executive agencies) that discharge (in whole or in part) indebtedness of \$600 or more during a calendar year to file information returns with the IRS and to furnish information statements to the persons whose debt is discharged. In addition to other information prescribed by regulations, an applicable financial entity is required to include on the information return the debtor's name, taxpayer identification number, the date of the discharge, and the amount discharged. *See* 26 U.S.C. 6050P(a) (1994).

The Debt Collection Improvement Act of 1996 (1996 Act), Public Law 104–134 (110 Stat. 1321, 1321–368 through 1321–369 (1996)) was enacted on April 26, 1996. Section 31001(m)(2)(B)(i) and (ii) of the 1996 Act amended section 6050P to expand the reporting requirement to cover "applicable entities," which includes any executive, judicial, or legislative agency, not just federal executive agencies, and any previously covered applicable financial entity. Effective for discharges of indebtedness occurring after December 31, 1999, section 533(a) of the Ticket to Work and Work Incentives Improvement Act of 1999 (1999 Act), Public Law 106–170 (113 Stat. 1860, 1931 (1999)), added subparagraph (c)(2)(D) to section 6050P, to further expand entities covered by the reporting requirements to include any organization the "significant trade or business of which is the lending of money."

On April 4, 2000, the IRS released Notice 2000–22 (2000–1 CB 902) to provide penalty relief to organizations that were newly made subject to section 6050P by the 1999 Act (organizations
