

The Postal Service states that the intended effective date of Modification One is December 1, 2014; asserts that it is providing more than the 45 days advance notice required under 39 CFR 3010.41; and identifies the parties to Modification One as the United States Postal Service and Korea Post, the postal operator for Korea. *Id.* at 3–4.

Reporting requirements. In lieu of the detailed data collection plan required by rule 3010.43, the Postal Service proposes to report information on Modification One through the Annual Compliance Report. *Id.* at 6. The Postal Service also invokes, with respect to service performance measurement reporting under rule 3055.3(a)(3), the standing exception in Order No. 996 for all agreements filed in the Foreign Postal Operators 1 product grouping. *Id.*

Consistency with applicable statutory criteria. The Postal Service recites the three criteria for Commission review in 39 U.S.C. 3622 and asserts that it addresses the two it considers pertinent to this filing (concerning whether the modification improves the Postal Service's net financial position (or enhances the performance of operational functions) and will not cause unreasonable harm to the marketplace). The Postal Service asserts that the third criterion (available on public and reasonable terms to similarly situated mailers) is not applicable. *Id.* at 6–7.

Functional equivalence. The Postal Service addresses reasons why it considers the modification functionally equivalent to the baseline China Post Agreement, notwithstanding acknowledgement and identification of similarities and differences. *Id.* at 8–10. The Postal Service asserts that it does not consider that the specified differences detract from the conclusion that Modification One is functionally equivalent to the baseline China Post Agreement. *Id.* at 10.

IV. Commission Action

The Commission, in conformance with rule 3010.44, establishes Docket No. R2015–1 to consider issues raised by the Notice. Applicants’ Representations

1. PGZ is registered as a closed-end management investment company organized as a Delaware statutory trust.¹ The common shares of PGZ are listed and traded on the New York Stock Exchange. The investment objective of PGZ is high current income, with a secondary objective of capital appreciation. Applicants represent that, under normal market conditions, PGZ invests at least 80% of its total assets in commercial real estate securities, primarily consisting of commercial mortgage backed securities and other U.S. and non-U.S. real estate-related securities (primarily real estate investment trusts (“REITs”). Although PGZ does not currently intend to issue preferred shares, applicants state that the board of trustees (“Board”) of PGZ may authorize the issuance of preferred shares in the future.

2. The Adviser, a corporation organized under the laws of the State of Colorado, is registered as an investment adviser under the Investment Advisers Act of 1940 (the “Advisers Act”).² Principal Real Estate Investors, LLC, a limited liability company organized under the laws of the State of Delaware, is registered as an investment adviser

¹ The only registered closed-end investment company that currently intends to rely on the order has been named as an applicant. Applicants request that the order also apply to each other registered closed-end investment company advised or to be advised in the future by ALPS or by an entity controlling, controlled by, or under common control (within the meaning of section 2(a)(9) of the Act) with ALPS (including any successor in interest) (each such entity, including ALPS, the “Adviser”) that in the future seeks to rely on the order (such investment companies, together with PGZ, are collectively, the “Funds” and individually, a “Fund”). Any Fund that relies on the order in the future will comply with the terms and conditions of the application. A successor in interest is limited to entities that result from a reorganization into another jurisdiction or a change in the type of business organization.

² Any investment adviser to a Fund will be registered under the Advisers Act.

under the Advisers Act and is the sub-adviser to PGZ. Any sub-adviser to a Fund will be registered as an investment adviser under the Advisers Act or not subject to registration.

3. Applicants state that prior to the Fund’s implementing a distribution policy (“Distribution Policy”) in reliance on the order, the Board, including a majority of the trustees who are not “interested persons” of the Fund, as defined in section 2(a)(19) of the Act (the “Independent Trustees”), will request, and the Adviser will provide, the information as is reasonably necessary to make an informed determination of whether the Board should adopt a proposed Distribution Policy. In particular, the Board and the Independent Trustees will review information regarding the purpose and terms of the Distribution Policy; the likely effects of the policy on the Fund’s long-term total return (in relation to market price and its net asset value per common share (“NAV”)); the expected relationship between the Fund’s distribution rate on its common shares under the policy and the Fund’s total return (in relation to NAV); whether the rate of distribution would exceed the Fund’s expected total return in relation to its NAV; and any reasonably foreseeable material effects of the policy on the Fund’s long-term total return (in relation to market price and NAV). The Independent Trustees also will consider what conflicts of interest the Adviser and the affiliated persons of the Adviser and the Fund might have with respect to the adoption or implementation of the Distribution Policy. Applicants state that only after considering the information will the Board, including the Independent Trustees, approve a Distribution Policy and, in connection with the approval, will determine that the Distribution Policy is consistent with the Fund’s investment objectives and in the best interests of the Fund’s common shareholders.

1. Applicants state that the purpose of a Distribution Policy, generally, would be to permit a Fund to distribute over the course of each year, through periodic distributions in relatively equal amounts (plus any required special distributions) that are composed of payments received from portfolio holdings, supplemental amounts generally representing capital gains or, possibly, returns of capital that may represent unrealized capital gains. The Fund seeks to establish a distribution rate that approximates the Fund’s projected total return that can reasonably be expected to be generated by the Fund over an extended period of
