

valued at \$1,015,757, from the United States through the UAE to Iran. Faizy and Ghavidel, through Techonweb, filed or caused to be filed Electronic Export Information falsely stating that the computers were destined for ultimate consignees in Dubai, UAE. As alleged above, Faizy, Ghavidel, and Techonweb did not seek or obtain the required U.S. Government authorization in connection with any of the activities or transactions alleged herein.

Whereas, BIS and Respondents have entered into a Settlement Agreement pursuant to Section 766.18(a) of the Regulations, whereby they agreed to settle this matter in accordance with the terms and conditions set forth therein;

Whereas, I have approved of the terms of such Settlement Agreement; and

Whereas, in doing so, I have taken into consideration the plea agreement that Faizy and Ghavidel have entered into with the U.S. Attorney's Office for the Northern District of Texas;

It is therefore ordered: FIRST, that for a period of ten (10) years from the date of this Order, Borna Faizy a/k/a Brad Faizy, with a last known address of 4405 Newcastle Drive, Frisco, TX 75034, and when acting on his behalf, his successors, assigns, employees, agents or representatives, Touraj Ghavidel a/k/a Brent Dell, with a last known address of 6617 Tamarron Lane, Plano, TX 75024, and when acting for or on his behalf, his successors, assigns, employees, agents or representatives, and Signal Micro Systems, Inc. d/b/a Techonweb, with a last known address of 16837 Addison Road, Addison, TX 75001, and when acting for or on its behalf, its successors, assigns, directors, officers, employees, agents or representatives (each a "Denied Person" and collectively the "Denied Persons"), may not, directly or indirectly, participate in any way in any transaction involving any commodity, software or technology (hereinafter collectively referred to as "item") exported or to be exported from the United States that is subject to the Regulations, or in any other activity subject to the Regulations, including, but not limited to:

A. Applying for, obtaining, or using any license, License Exception, or export control document;

B. Carrying on negotiations concerning, or ordering, buying, receiving, using, selling, delivering, storing, disposing of, forwarding, transporting, financing, or otherwise servicing in any way, any transaction involving any item exported or to be exported from the United States that is subject to the Regulations, or in any other activity subject to the Regulations; or

C. Benefitting in any way from any transaction involving any item exported or to be exported from the United States that is subject to the Regulations, or in any other activity subject to the Regulations.

SECOND, that no person may, directly or indirectly, do any of the following:

A. Export or reexport to or on behalf of any of the Denied Persons any item subject to the Regulations;

B. Take any action that facilitates the acquisition or attempted acquisition by any of the Denied Persons of the ownership, possession, or control of any item subject to the Regulations that has been or will be exported from the United States, including financing or other support activities related to a transaction whereby any of the Denied Persons acquires or attempts to acquire such ownership, possession or control;

C. Take any action to acquire from or to facilitate the acquisition or attempted acquisition from any of the Denied Persons of any item subject to the Regulations that has been exported from the United States;

D. Obtain from any of the Denied Persons in the United States any item subject to the Regulations with knowledge or reason to know that the item will be, or is intended to be, exported from the United States; or

E. Engage in any transaction to service any item subject to the Regulations that has been or will be exported from the United States and which is owned, possessed or controlled by any of the Denied Persons, or service any item, of whatever origin, that is owned, possessed or controlled by any of the Denied Persons if such service involves the use of any item subject to the Regulations that has been or will be exported from the United States. For purposes of this paragraph, servicing means installation, maintenance, repair, modification or testing.

THIRD, that, after notice and opportunity for comment as provided in Section 766.23 of the Regulations, any person, firm, corporation, or business organization related to any of the Denied Persons by affiliation, ownership, control, or position of responsibility in the conduct of trade or related services may also be made subject to the provisions of the Order.

FOURTH, Respondents shall not take any action or make or permit to be made any public statement, directly or indirectly, denying the allegations in the Proposed Charging Letter or the Order. The foregoing does not affect Respondents' testimonial obligations in any proceeding, nor does it affect their right to take legal or factual positions in civil litigation or other civil proceedings

in which the U.S. Department of Commerce is not a party.

FIFTH, that the Proposed Charging Letter, the Settlement Agreement, and this Order shall be made available to the public.

SIXTH, that this Order shall be served on Respondents and shall be published in the **Federal Register**.

This Order, which constitutes the final agency action in this matter, is effective immediately.

Issued this 16th day of October, 2014.

### International Trade Administration

[A-570-831]

#### Fresh Garlic From the People's Republic of China: Initiation of Changed Circumstances Review

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (the Department) received information sufficient to warrant initiation of a changed circumstances review of the antidumping duty order on fresh garlic from the People's Republic of China (PRC). Based upon a request filed by Lanling Qingshui Vegetable Foods Co., Ltd. (Lanling Qingshui), the Department intends to determine in this review whether Lanling Qingshui is the

successor-in-interest of Cangshan Qingshui Vegetable Foods Co., Ltd. (Cangshan Qingshui), a producer/exporter examined in prior administrative reviews of the order.<sup>1</sup>

**DATES:** *Effective Date:* October 23, 2014.

**FOR FURTHER INFORMATION CONTACT:**

Myrna Lobo at (202) 482-2371 or Jacky Arrowsmith at (202) 482-5255, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230.

**SUPPLEMENTARY INFORMATION:**

#### Background

On November 16, 1994, the Department published notice of the *Order* in the **Federal Register**.<sup>2</sup> On September 5, 2014, Lanling Qingshui requested that the Department conduct a changed circumstances review pursuant to section 751(b)(1) of the Tariff Act of 1930, as amended (the Act), 19 CFR 351.216 and 19 CFR 351.221(c)(3), to determine that it is the successor-in-interest to Cangshan Qingshui for purposes of the *Order*. In its request, Lanling Qingshui provided its business licenses before and after the name change, a government document indicating the county name change which led to the company's name change, and information on its ownership and customers. We received no comments from other interested parties.

#### Scope of the Order

The products covered by the order are all grades of garlic, whole or separated into constituent cloves, whether or not peeled, fresh, chilled, frozen, water or other neutral substance, but not prepared or preserved by the addition of other ingredients or heat processing. The differences between grades are based on color, size, sheathing, and level of decay. The scope of the order does not include the following: (a) Garlic that has been mechanically harvested and that is primarily, but not exclusively, destined for non-fresh use; or (b) garlic that has been specially prepared and cultivated prior to planting and then harvested and otherwise prepared for use as seed. The subject merchandise is used principally as a food product and for seasoning. The subject garlic is currently classifiable under subheadings: 0703.20.0000, 0703.20.0010, 0703.20.0015, 0703.20.0020, 0703.20.0090,
