

established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore, (1) is not a “significant regulatory action” under Executive Order 12866; (2) is not a “significant rule” under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a Regulatory Evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this rule, when promulgated, will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

The FAA’s authority to issue rules regarding aviation safety is found in Title 49 of the U.S. Code. Subtitle 1, Section 106 describes the authority of the FAA Administrator. Subtitle VII, Aviation Programs, describes in more detail the scope of the agency’s authority. This rulemaking is promulgated under the authority described in Subtitle VII, Part A, Subpart I, Section 40103. Under that section, the FAA is charged with prescribing regulations to assign the use of airspace necessary to ensure the safety of aircraft and the efficient use of airspace. This regulation is within the scope of that authority as it would establish controlled airspace at El Jardin Ranch Airport, Encinal, TX.

#### Environmental Review

This proposal will be subject to an environmental analysis in accordance with FAA Order 1050.1E, “Environmental Impacts: Policies and Procedures” prior to any FAA final regulatory action.

**AGENCY:** Office of the Assistant Secretary for Public and Indian Housing, HUD.

**ACTION:** Proposed rule; correction.

**SUMMARY:** HUD is correcting a proposed rule published in the **Federal Register** of October 16, 2014. The November 16, 2014 proposed rule incorrectly defined the term “HCC” in § 970.15. This document corrects as unnecessary an inadvertent error in expanding the abbreviation “HCC” as it occurred in § 970.15(a) of the rule. The term “HCC” is correctly defined in another section of the same rule.

**SUPPLEMENTARY INFORMATION:** On October 16, 2014, HUD published a proposed rule entitled, “Public Housing Program: Demolition or Disposition of Public Housing Projects, and Conversion of Public Housing to Tenant-Based Assistance” (79 FR 62250). In § 970.15(a), the proposed rule inadvertently defined the term “HCC” as Housing Conservation Coordinators. In § 970.5, “HCC” is correctly defined as Housing Construction Cost. As a result, HUD is correcting this section by removing the incorrect language from the rule.

In FR Doc. 2014–24068 appearing on page 62250 in the **Federal Register** of Thursday, October 16, 2014, the following correction is made. On page 62280, in the third column, correct paragraph (a)(2) of § 970.15 to read as follows:

#### **Special Local Regulation; Seminole Hard Rock Winterfest Boat Parade, Fort Lauderdale, FL**

**AGENCY:** Coast Guard, DHS.

**ACTION:** Notice of proposed rulemaking.

**SUMMARY:** The Coast Guard is proposing to establish a special local regulation during the Seminole Hard Rock Winterfest Boat Parade scheduled to occur on December 13, 2014, between the hours of 2 p.m. and 11:30 p.m. on

the waters of the New River and Intracoastal Waterway in Fort Lauderdale, Florida. This special local regulation is necessary to protect the public from hazards associated with the boat parade. The special local regulation will consist of a moving zone around participant vessels as the parade transits the navigable waters of the United States during the event. Persons and vessels that are not participating in the boat parade are prohibited from entering, transiting through, anchoring in, or remaining within the regulated area unless authorized by the Captain of the Port Miami or a designated representative.

**DATES:** Comments and related material must be received by the Coast Guard on or before November 28, 2014. Requests for public meetings must be received by the Coast Guard on or before November 28, 2014.

**ADDRESSES:** You may submit comments identified by docket number using any one of the following methods:

We encourage you to participate in this rulemaking by submitting

comments and related materials. All comments received will be posted without change to <http://www.regulations.gov> and will include any personal information you have provided.

##### **1. Submitting Comments**

If you submit a comment, please include the docket number for this rulemaking, indicate the specific section of this document to which each comment applies, and provide a reason for each suggestion or recommendation. You may submit your comments and material online at <http://www.regulations.gov>, or by fax, mail, or hand delivery, but please use only one of these means. If you submit a comment online, it will be considered received by the Coast Guard when you successfully transmit the comment. If you fax, hand deliver, or mail your comment, it will be considered as having been received by the Coast Guard when it is received at the Docket Management Facility. We recommend that you include your name and a mailing address, an email address, or a telephone number in the body of your document so that we can contact you if we have questions regarding your submission.

To submit your comment online, go to <http://www.regulations.gov>, type the docket number (USCG-2014-0812) in the "SEARCH" box and click "SEARCH." Click on "Submit a Comment" on the line associated with this rulemaking.

If you submit your comments by mail or hand delivery, submit them in an unbound format, no larger than 8½ by 11 inches, suitable for copying and electronic filing. If you submit comments by mail and would like to know that they reached the Facility, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during the comment period and may change the rule based on your comments.

##### **2. Viewing Comments and Documents**

You may review a Privacy Act notice regarding our public dockets in the January 17, 2008, issue of the **Federal Register** (73 FR 3316).

##### **4. Public Meeting**

We do not now plan to hold a public meeting. But you may submit a request for one, using one of the methods specified under **ADDRESSES**. Please explain why you believe a public meeting would be beneficial. If we determine that one would aid this rulemaking, we will hold one at a time and place announced by a later notice in the **Federal Register**.

#### **B. Regulatory History and Information**

The Coast Guard proposes to establish a Special Local Regulation on the New River and Intracoastal Waterway in Fort Lauderdale, Florida during the Seminole Hard Rock Winterfest Boat Parade. The parade is scheduled to take place from 2 p.m. to 11:30 p.m. on December 13, 2014. This proposed rule is necessary to protect the safety of parade participants, participant vessels, spectators, and the general public on the navigable waters of the United States during the event.

#### **C. Basis and Purpose**

The legal basis for the rule is the Coast Guard's authority to establish special local regulations: 33 U.S.C. 1233.

The purpose of the rule is to provide for the safety of life on the navigable waters of the United States during the boat parade.

#### **D. Discussion of Proposed Rule**

On December 13, 2014, Winterfest, Inc. will be hosting the Seminole Hard Rock Winterfest Boat Parade on the New River and the Intracoastal Waterway in Fort Lauderdale, Florida. The boat parade will consist of approximately 120 vessels, which will begin at Cooley's Landing Marina and transit east on the New River, then head north on the Intracoastal Waterway to Lake Santa Barbara.

The proposed special local regulation consists of a moving zone that will include a buffer zone extending 50 yards ahead of the lead parade vessel, 50 yards astern of the last participant

vessel, and 50 yards on either side of the parade participant vessels. Notice of the special local regulation will be provided prior to the boat parade by Local Notice to Mariners and Broadcast Notice to Mariners. This special local regulation will be enforced from 2 p.m. until 11:30 p.m. on December 13, 2014.

Persons and vessels may request authorization to enter the special local regulation areas by contacting the Captain of the Port Miami by telephone at 305-535-4472, or a designated representative via VHF radio on channel 16, to request authorization. If authorization to enter, transit through, anchor in, or remain within the special local regulation areas is granted by the Captain of the Port Miami or a designated representative, all persons and vessels receiving such authorization must comply with the instructions of the Captain of the Port Miami or a designated representative.

### E. Regulatory Analyses

We developed this proposed rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes or executive orders.

#### 1. Regulatory Planning and Review

This proposed rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of Executive Order 12866 or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under those Orders. The economic impact of this proposed rule is not significant for the following reasons: (1) This special local regulation will be enforced for nine and one half hours; (2) non-participant persons and vessels may enter, transit through, anchor in, or remain within the regulated areas during their respective enforcement periods if authorized by the Captain of the Port Miami or a designated representative; (3) non-participant persons and vessels not able to enter, transit through, anchor in, or remain within the regulated areas without authorization from the Captain of the Port Miami or a designated representative may operate in the surrounding areas during the respective enforcement periods; and (4) the Coast Guard will provide advance notification of the special local regulation to the local maritime community by Local

Notice to Mariners and Broadcast Notice to Mariners.

#### 2. Impact on Small Entities

The Regulatory Flexibility Act of 1980 (RFA), 5 U.S.C. 601-612, as amended, requires federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this proposed rule will not have a significant economic impact on a substantial number of small entities. This rule may affect the following entities, some of which may be small entities: The owners or operators of vessels intending to enter, transit through, anchor in, or remain within any of the regulated areas during the respective enforcement periods. For the reasons discussed in the Regulatory Planning and Review section above, this rule will not have a significant economic impact on a substantial number of small entities. If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this rule would have a significant economic impact on it, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

#### 3. Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121), we want to assist small entities in understanding this proposed rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section above. The Coast Guard will not retaliate against small entities that question or complain about this proposed rule or any policy or action of the Coast Guard.

#### 4. Collection of Information

This proposed rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520.).

#### 5. Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship

between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this proposed rule under that Order and determined that this rule does not have implications for federalism.

#### 6. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

#### 7. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this proposed rule would not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

#### 8. Taking of Private Property

This proposed rule would not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

#### 9. Civil Justice Reform

This proposed rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

#### 10. Protection of Children From Environmental Health Risks

We have analyzed this proposed rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and would not create an environmental risk to health or risk to safety that might disproportionately affect children.

#### 11. Indian Tribal Governments

This proposed rule does not have tribal implications under Executive Order 13175, Consultation and

Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

#### 12. Energy Effects

This proposed rule is not a “significant energy action” under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

#### 13. Technical Standards

This proposed rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

#### 14. Environment

We have analyzed this proposed rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.ID, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have made a preliminary determination that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This proposed rule involves the creation of a special local regulation issued in conjunction with a regatta or marine parade. This rule is categorically excluded from further review under paragraph 34(h) of Figure 2–1 of the Commandant Instruction. Preliminary environmental analysis checklists supporting this determination are available in the docket where indicated under **ADDRESSES**. We seek any comments or information that may lead to the discovery of a significant environmental impact from this proposed rule.

#### List of Subjects in 33 CFR Part 100

Marine safety, Navigation (water), Reporting and recordkeeping requirements, Waterways.

For the reasons discussed in the preamble, the Coast Guard proposes to amend 33 CFR part 100 as follows:

#### PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS

■ 1. The authority citation for part 100 continues to read as follows:

**Authority:** 33 U.S.C. 1233

■ 2. Add a temporary § 100.35T07–0812 to read as follows:

#### § 100.35T07–0812 Special Local Regulation; Seminole Hard Rock Winterfest Boat Parade, Fort Lauderdale, FL.

(a) *Regulated area.* The following moving zone is a regulated area. All waters within a moving zone that will begin at Cooley’s Landing Marina and end at Lake Santa Barbara, which will include a buffer area extending 50 yards ahead of the lead parade vessel, 50 yards astern of the last participating vessel, and 50 yards on either side of the entire parade. This special local regulation will be enforced from 2 p.m. until 11:30 p.m. on December 13, 2014.

(b) *Definition.* The term “designated representative” means Coast Guard Patrol Commanders, including Coast Guard coxswains, petty officers, and other officers operating Coast Guard vessels, and Federal, state, and local officers designated by or assisting the Captain of the Port Miami in the enforcement of the regulated areas.

(c) *Regulations.* (1) Non-participant persons and vessels are prohibited from entering the moving zone. Non-participant persons and vessels may request authorization to enter, transit through, anchor in, or remain within the regulated areas by contacting the Captain of the Port Miami by telephone at 305–535–4472, or a designated representative via VHF radio on channel 16. If authorization is granted by the Captain of the Port Miami or a designated representative, all persons and vessels receiving such authorization must comply with the instructions of the Captain of the Port Miami or a designated representative.

(2) The Coast Guard will provide notice of the special local regulation by Local Notice to Mariners, Broadcast Notice to Mariners, and on-scene designated representatives.

(d) *Enforcement times.* This rule will be enforced from 2 p.m. until 11:30 p.m. on December 13, 2014.

Dated: October 15, 2014.
