

SF 97 as “transferee” unless the SASP is the donee.

§ 102–37.595 When transferring donated surplus vehicles, what is the responsibility of the donee?

The donee is responsible for processing the SF 97 in accordance with state licensing and titling authorities. The donee signs the SF 97 as “transferee” upon receipt of the surplus motor vehicle. The donee is responsible for notifying the SASP if a SF 97 is not provided by the Government.

§ 102–37.600 When does title to a surplus donated vehicle change hands?

Title to the vehicle rests with the holding agency until the SF 97 is signed by the donee upon receipt of the surplus motor vehicle. (If applicable under the terms of the donation, the title will be conditional until the end of the period of restriction).

■ 11. Amend Appendix C to part 102.37 by alphabetically adding the definition of “Veterans Organizations” to read as follows:

Appendix C to Part 102–37—Glossary of Terms for Determining Eligibility of Public Agencies and Nonprofit Organizations

* * * * *

Veterans Organizations means organizations eligible to receive Federal surplus property for purposes of providing services to veterans under 40 U.S.C. 549(c)(3)(C). Eligible veterans organizations are those whose (1) membership comprises substantially veterans (as defined under 38 U.S.C. 101); and (2) representatives are recognized by the Secretary of Veterans Affairs under 38 U.S.C. 5902. The Department of Veterans Affairs maintains a searchable Web site of recognized organizations. The address is <http://www.va.gov/ogc/apps/accreditation/index.asp>.

Nature and Extent of Confidentiality:

This information collection affects individuals or households. However, access to personally identifiable information (PII) is limited to the third party vendor and the Commission only pursuant to the requirements of the Privacy Act of 1974, as amended.

Privacy Impact Assessment: This information collection affects individuals or households. The Commission is not collecting personally identifiable information (PII) for the purpose of populating in the database, however, the database is made available and accessible by the Commission and the TRS Fund Administrator. Although TRS users are required to provide their personal identifiable information to register for using TRS service, such information is available only to the Commission, the TRS Fund Administrator, and a third-party independent vendor selected by the Commission's Managing Director and the Commission. The third party vendor and the Commission are required to maintain all registered information, including personal information, in the registration database confidential in accordance to the directives under contract between the third party vendor and the Commission's Managing Director. The FCC is completing the

requirements for a new system of records notice (SORN), FCC/CGB-4, "Internet-based Telecommunications Relay Service-User Registration Database (ITRS-URD)," which will cover the personally identifiable information (PII) that may be collected, maintained, used, and stored, and disposed of when obsolete, and which are part of the information associated with these information collection requirements, *i.e.*, the new SORN will make this information collection comply with all requirements of the Privacy Act of 1974, as amended.

Needs and Uses: On June 10, 2013, the Commission released the *VRS Reform Report and Order*, FCC 13-82, published at 78 FR 40582, July 5, 2013, adopting further measures to improve the structure, efficiency, and quality of the VRS program, reducing the noted inefficiencies in the program, as well as reducing the risk of waste, fraud, and abuse, and ensuring that the program makes full use of advances in commercially-available technology. In the *VRS Reform Report and Order*, the Commission takes the following actions by: (1) Setting up an arrangement with the National Science Foundation (NSF) to enable research designed to further the Commission's multiple goals of ensuring that TRS is functionally equivalent to voice telephone services and improving the efficiency and

availability of TRS; (2) establishing a pilot iTRS National Outreach Program (iTRS-NOP) by selecting one or more independent iTRS Outreach Coordinators to conduct and coordinate IP Relay and VRS outreach nationwide under the Commission's (or the TRS Fund administrator's) supervision; (3) promoting the development and adoption of voluntary, consensus interoperability and portability standards, and facilitate compliance with those standards by directing the Managing Director to contract for the development and deployment of a VRS access technology reference platform; (4) establishing a central TRS user registration database (TRS-URD) which incorporates a centralized eligibility verification requirement to ensure accurate registration and verification of users, to achieve more effective fraud and abuse prevention; and (5) selecting a neutral party to build, operate, and maintain a neutral video communication service platform, which will allow eligible relay interpretation service providers to compete without having to build their own video communication service platforms.

Federal Communications Commission.
