

submitted in support of its petition, the petitioner should, to the extent possible, include in its petition the non-sensitive supporting information contained in the confidential materials so that members of the public may review, consider, and comment on the petition.

5. *Comments and Oppositions.* Comments on or oppositions to a petition must be filed electronically via ECFS at <http://apps.fcc.gov/ecfs/upload/begin?filedFrom=E>. The "ECFS Express" form cannot be used for the filing of comments or oppositions. If the submission is sent to the Commission only by email, the Commission will upload the submission to ECFS. Comments or oppositions filed via ECFS must include "13-318" as the "Proceeding Number" on the ECFS form. In addition, filers must enter the four-digit case identifier number (e.g., "CC-2345") as the "File Number" on the ECFS form. If a filer wishes to file an identical set of comments or oppositions via ECFS on multiple petitions that have been assigned more than one case identifier number, the comments or oppositions must be filed separately for each petition/case identifier number. In such a case, a different case identifier number will have to be entered as the "File Number" for each separate filing (e.g., "CC-2345" entered as the File Number for the first filing and "CC-2346" entered as the File Number for the second filing and so on, even if the comments or oppositions being filed are identical to the first filing). Multiple case identifier numbers may not be entered as one "File Number."

6. *Replies.* Replies to comments on or oppositions to a petition must be filed electronically via ECFS at <http://apps.fcc.gov/ecfs/upload/begin?filedFrom=E>. The "ECFS Express" form cannot be used for this purpose. If the submission is sent to the Commission only by email, the Commission will upload the submission to ECFS. Replies must include "13-318" as the "Proceeding Number" and the four-digit case identifier number (e.g., "CC-2345") as the "File Number" in this proceeding. If a filer wishes to file an identical set of replies via ECFS on multiple petitions that have been assigned more than one case identifier number, the replies must be filed separately for each petition/case identifier number. In this case, a different case identifier number will have to be entered as the "File Number" for each separate filing (e.g., "CC-2345" entered as the File Number for the first filing and "CC-2346" entered as the File Number for the second filing and so on, even if the replies being filed are
