Information Collection Request Title: ONC HIT Certification Program

Abstract: The OS/Office of the National Coordinator for Health Information Technology (ONC) is requesting approval by OMB for reinstatement with change of a previously approved collection of information (OMB control number 0990-0013). We seek to add the collection of information requirement in § 170.523(f)(8) for ONC-ACBs to report to ONC a hyperlink with each EHR technology they certify that provides the public with the ability to access the test results used to certify the EHR technology. We also seek to add the collection of information requirement in § 170.540(c) for ONC-ACBs to submit a renewal request, containing any updates to the information in § 170.520, every three years. Under the ONC HIT Certification Program, accreditation organizations that wish to become the ONC-Approved Accreditor (ONC-AA) must submit certain information, organizations that wish to become and remain an ONC-ACB must submit the information specified by the application and renewal requirements, and ONC-ACBs must comply with collection and
