

the closed position for 45 days to facilitate the repairs.

**DATES:** This deviation is effective from November 5, 2014 through December 19, 2014.

**ADDRESSES:** The docket for this deviation, [USCG–2014–0946] is available at <http://www.regulations.gov>. Type the docket number in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this deviation. You may also visit the Docket Management Facility in Room W12–140, on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

**FOR FURTHER INFORMATION CONTACT:** If you have questions on this deviation, call or email Ms. Judy Leung-Yee, Project Officer, First Coast Guard District, telephone (212) 668–7165, [judy.k.leung-ye@uscg.mil](mailto:judy.k.leung-ye@uscg.mil). If you have questions on viewing the docket, call Cheryl Collins, Program Manager, Docket Operations, telephone (202) 366–9826.

**SUPPLEMENTARY INFORMATION:** The Metro North (Devon) Bridge across the Housatonic River, mile 3.9, has a vertical clearance in the closed position of 19 feet at mean high water and 25 feet at mean low water. The existing drawbridge operation regulations are listed at 33 CFR 117.207(b).

The Housatonic River is transited by commercial barges and seasonal recreational vessel traffic.

The bridge owner, Metro North, requested a bridge closure for 45 days to facilitate repairs to the miter plates and headlocks at the bridge.

Under this temporary deviation, the Metro North (Devon) Bridge may remain in the closed position from 10 a.m. on November 5, 2014 through 2 p.m. on December 19, 2014; except that, the draw shall open on Fridays, Saturdays and Sundays during the repair period, after at least a 24 hour advance notice is given.

There are no alternate routes for vessel traffic; however, vessels that can pass under the closed draw during this closure may do so at any time. The bridge may be opened in the event of an emergency.

The Coast Guard will inform the users of the waterways through our Local and or Broadcast Notices to Mariners of the change in operating schedule for the bridges so that vessels can arrange their transits to minimize any impact caused by the temporary deviation.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the effective period of this temporary deviation. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: October 24, 2014.

## DEPARTMENT OF HOMELAND SECURITY

### Coast Guard

#### 33 CFR Part 165

[Docket No. USCG–2014–0902]

RIN 1625–AA00

#### Safety Zone; Pier Removal, WI Central Railroad Bridge, Fox River, Green Bay, WI

**AGENCY:** Coast Guard, DHS.

**ACTION:** Temporary final rule.

**SUMMARY:** The Coast Guard is establishing a temporary safety zone on the Fox River in Green Bay, Wisconsin. This safety zone is intended to restrict vessels from a portion of the Fox River due to demolition work on a railroad bridge. This temporary safety zone is necessary to protect the surrounding public and vessels from the hazards associated with the demolition work on the railroad bridge.

**DATES:** This rule is effective from November 4, 2014 until 9 p.m. on November 30, 2014. This rule will be enforced with actual notice from 6 a.m. on October 25, 2014 until November 4, 2014.

**ADDRESSES:** Documents mentioned in this preamble are part of docket USCG–2014–0902. To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type the docket number in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this rulemaking. You may also visit the Docket Management Facility in Room W12–140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

**FOR FURTHER INFORMATION CONTACT:** If you have questions on this temporary

rule, contact or email MST1 Joseph McCollum, U.S. Coast Guard Sector Lake Michigan, at 414–747–7148 or [Joseph.P.McCollum@uscg.mil](mailto:Joseph.P.McCollum@uscg.mil). If you have questions on viewing the docket, call Cheryl Collins, Program Manager, Docket Operations, telephone 1–800–647–5527.

#### SUPPLEMENTARY INFORMATION:

##### Table of Acronyms

DHS Department of Homeland Security  
FR Federal Register  
NPRM Notice of Proposed Rulemaking

#### A. Regulatory History and Information

On September 11, 2014, in response to demolition work on the west pier of the WI Central Railroad Bridge for September 12 & 19, 2014, the Coast Guard issued a Temporary final rule (TFR) (USCG–2014–0835) entitled Safety Zone; Bridge Demolition, Fox River, Green Bay, WI and published it in the **Federal Register** on Friday, September 26, 2014 (79 FR 57799). On September 16, 2014 the Coast Guard was informed that the demolition work will continue in October on the same railroad bridge. The Coast Guard is issuing this TFR to establish a safety zone for the demolition scheduled for October.

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing an NPRM with respect to this rule because doing so would be impracticable and contrary to the public interest. The final details for this event were not known to the Coast Guard until there was insufficient time remaining before the event to publish an NPRM. Specifically, the Coast Guard was informed of this demolition project on September 16, 2014. Thus, delaying the effective date of this rule to wait for a comment period to run would be both impracticable and contrary to the public interest because it would inhibit the Coast Guard’s ability to protect persons and vessels from the hazards associated with the bridge demolition project, which are discussed further below.

Under 5 U.S.C. 553(d)(3), The Coast Guard finds that good cause exists for making this temporary rule effective less than 30 days after publication in the

**Federal Register** for the same reasons discussed in the preceding paragraph, waiting for a 30 day notice period to run would be impracticable and contrary to the public interest.

## B. Basis and Purpose

The legal basis for this rule is the Coast Guard's authority to establish safety zones: 33 U.S.C. 1231; 33 CFR 1.05-1, 160.5; Department of Homeland Security Delegation No. 0170.1.

On October 27 and 28, 2014, the Coast Guard anticipates that blasting will take place as part of a demolition project on the east and central piers of the Wisconsin Central Railroad Bridge at mile marker 2.61 on the Fox River in Green Bay, Wisconsin. The Captain of the Port Lake Michigan has determined that this demolition project involving blasting will pose a significant risk to public safety and property. Such hazards include loss of life and property in the proximity of explosives, and collisions among transiting vessels and contractors involved in the demolition project.

## C. Discussion of the Final Rule

With the aforementioned hazards in mind, the Captain of the Port Lake Michigan has determined that this temporary safety zone is necessary to ensure the safety of persons and vessels during the demolition project in Green Bay, Wisconsin. This rule is effective from 6 a.m. on October 25, 2014 until 9 p.m. on November 30, 2014. This rule will be enforced intermittently with actual notice from 6 a.m. until 9 p.m. on each day of October 27, 2014 and October 28, 2014. If there is a rescheduling of the demolition project within this effective date range, the Captain of the Port Lake Michigan will establish an updated enforcement date with a Notice of Enforcement. The safety zone will encompass all waters of the Fox River near Green Bay, Wisconsin within a 1000-foot radius of the Wisconsin Central Railroad Bridge in approximate position 44°30'14" N, 088°01'22" W (NAD 83).

Entry into, transiting, or anchoring within the safety zone is prohibited unless authorized by the Captain of the Port Lake Michigan or her designated on-scene representative. The Captain of the Port or her designated on-scene representative may be contacted via VHF Channel 16.

## D. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses

based on these statutes and executive orders.

### 1. Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of Executive Order 12866 or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under those Orders.

We conclude that this rule is not a significant regulatory action because we anticipate that it will have minimal impact on the economy, will not interfere with other agencies, will not adversely alter the budget of any grant or loan recipients, and will not raise any novel legal or policy issues. The safety zone created by this rule will only impact a small area and will be enforced for a limited duration in October and November, 2014. Under certain conditions, moreover, vessels may still transit through the safety zone when permitted by the Captain of the Port or her designated on-scene representative.

### 2. Impact on Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601-612), we have considered the impact of this temporary rule on small entities. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities. This rule will affect the following entities, some of which might be small entities: The owners or operators of vessels intending to transit or anchor in a portion of the Fox River during the times that this zone is enforced in October and November of 2014.

This safety zone will not have a significant economic impact on a substantial number of small entities for the reasons cited in the *Regulatory Planning and Review* section. Additionally, before the enforcement of the zone, we would issue local Broadcast Notice to Mariners so vessel owners and operators can plan accordingly.

### 3. Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental

jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT**, above.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

### 4. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

### 5. Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and determined that this rule does not have implications for federalism.

### 6. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

### 7. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

### 8. Taking of Private Property

This rule will not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

### 9. Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

### 10. Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

### 11. Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

### 12. Energy Effects

This action is not a “significant energy action” under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

### 13. Technical Standards

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

### 14. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.ID, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves the establishment of a safety zone and, therefore it is categorically excluded from further review under paragraph 34(g) of Figure 2–1 of the Commandant

Instruction. An environmental analysis checklist supporting this determination and a Categorical Exclusion Determination are available in the docket where indicated under **ADDRESSES**. We seek any comments or information that may lead to the discovery of a significant environmental impact from this rule.

### List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

### PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

**Authority:** 33 U.S.C. 1231; 46 U.S.C. Chapters 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Pub. L. 107–295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

■ 2. Add § 165.T09–0902 to read as follows:

#### § 165.T09–0902 Safety Zone; Pier Removal, WI Central Railroad Bridge, Fox River, Green Bay, WI.

(a) *Location.* All waters of the Fox River near Green Bay, Wisconsin within a 1000-foot radius of the Wisconsin Central Railroad Bridge in approximate position 44°30'14" N, 088°01'22" W (NAD 83).

(b) *Effective and enforcement period.* This rule is effective from 6 a.m. on October 25, 2014 until 9 p.m. on November 30, 2014. This rule will be enforced intermittently with actual notice from 6 a.m. until 9 p.m. on each day of October 27, 2014 and October 28, 2014. If there is a rescheduling of the demolition project within this effective date range, the Captain of the Port Lake Michigan will establish an updated enforcement date with a Notice of Enforcement.

(c) *Regulations.* (1) In accordance with the general regulations in § 165.23 of this part, entry into, transiting, or anchoring within this safety zone is prohibited unless authorized by the Captain of the Port Lake Michigan or her designated on-scene representative.

(2) This safety zone is closed to all vessel traffic, except as may be permitted by the Captain of the Port Lake Michigan or her designated on-scene representative.

(3) The “on-scene representative” of the Captain of the Port Lake Michigan is any Coast Guard commissioned,

warrant or petty officer who has been designated by the Captain of the Port Lake Michigan to act on her behalf.

(4) Vessel operators desiring to enter or operate within the safety zone must contact the Captain of the Port Lake Michigan or her on-scene representative to obtain permission to do so. The Captain of the Port Lake Michigan or her on-scene representative may be contacted via VHF Channel 16. Vessel operators given permission to enter or operate in the safety zone must comply with all directions given to them by the Captain of the Port Lake Michigan or her on-scene representative.

Dated: October 14, 2014.

**A.B. Cocanour,**

*Captain, U.S. Coast Guard, Captain of the Port, Lake Michigan.*

## POSTAL SERVICE

### 39 CFR Part 601

#### Purchasing of Property and Services; Supplier Debarment, Suspension, and Ineligibility

**AGENCY:** Postal Service.™

**ACTION:** Final rule.

**SUMMARY:** The Postal Service is revising its regulations governing supplier debarment, suspension, and ineligibility to reflect that the Postal Service has eliminated its separate list of debarred, suspended, or ineligible suppliers, and now uses the list maintained by the General Services Administration (GSA) under its System for Award Management (SAM).

**DATES:** *Effective date:* December 4, 2014.

**FOR FURTHER INFORMATION CONTACT:** Paul McGinn, 202–268–4368.

**SUPPLEMENTARY INFORMATION:** The Postal Service (USPS®) is revising 39 CFR 601.113, governing supplier debarment, suspension, and ineligibility. The Postal Service has eliminated its own separate list of debarred, suspended, and ineligible suppliers, and now uses the GSA’s System for Award Management (SAM) to determine whether a particular supplier is suspended, debarred, or ineligible, and to notify the public when the USPS suspends or debars a supplier. Necessary changes have been made to the language of § 601.113, including replacement of the term “debarment, suspension, and ineligibility” with “suspension, debarment, and ineligibility” to reflect the sequence of events followed in that
