

RSTAC members receive no compensation for their services and are required to provide for expenses incidental to their service, including travel expenses, as the Board cannot provide for these expenses. The RSTAC Chairman, however, may request funding from the Department of Transportation to cover travel expenses, subject to certain restrictions in ICCTA. RSTAC also may solicit and use private funding for its activities, again subject to certain restrictions in ICCTA. RSTAC members currently have elected to submit annual dues to pay for RSTAC expenses.

RSTAC members must be citizens of the United States and represent as broadly as practicable the various segments of the railroad and rail shipper industries. They may not be full-time employees of the United States. According to revised guidance issued by the Office of Management and Budget, it is permissible for federally registered lobbyists to serve on advisory committees, such as RSTAC, as long as they do so in a representative capacity, rather than an individual capacity. *See Revised Guidance on Appointment of Lobbyists to Federal Advisory Committees, Boards, and Commissions*, 79 FR 47,482 (Aug. 13, 2014). Members of RSTAC are appointed to serve in a representative capacity.

The members of RSTAC are appointed for a term of three years. A member may serve after the expiration of his or her term until a successor has taken office. No member will be eligible to serve in excess of two consecutive terms.

Two vacancies for small railroad representatives currently exist. Representatives must be senior executive officers within their organizations. Upon appointment by the Chairman, both representatives will serve for three years, and may be eligible to serve second three-year terms following the end of their first terms.

Suggestions for candidates to fill the two vacancies should be submitted in letter form, identify the name of the candidate, provide a summary of why the candidate is qualified to serve on RSTAC, and contain a representation that the candidate is willing to serve as a member of RSTAC effective immediately upon appointment. RSTAC candidate suggestions should be filed with the Board by December 3, 2014. Candidates selected to serve on RSTAC are chosen at the discretion of the Board's Chairman. Please note that submissions will be available to the public at the Board's offices and posted on the Board's Web site under Docket No. EP 526 (Sub-No. 6).

This action will not significantly affect either the quality of the human environment or the conservation of energy resources.

Authority: 49 U.S.C. 726.

Decided: October 31, 2014.

By the Board, Rachel D. Campbell, Director, Office of Proceedings.

Jeffrey Herzig,
Clearance Clerk.

The Board is soliciting suggestions from the public for candidates to fill these two vacancies.

Any person submitting a filing in the traditional paper format should send the original and 10 copies to: Surface Transportation Board, Attn: Docket No. EP 670 (Sub-No. 2), 395 E Street SW., Washington, DC 20423-0001.

FOR FURTHER INFORMATION, CONTACT: Michael H. Higgins at 202-245-0284. [Assistance for the hearing impaired is available through the Federal Information Relay Service (FIRS) at 1-800-877-8339.]

SUPPLEMENTARY INFORMATION: The Board exercises broad authority over

transportation by rail carriers, including rates and services (49 U.S.C. 10701-10747, 11101-11124), construction, acquisition, operation, and abandonment of railroad lines (49 U.S.C. 10901-10907), and consolidation, merger, or common control arrangements between railroads (49 U.S.C. 10902, 11323-11327).

In 2007, the Board established RETAC as a federal advisory committee consisting of a balanced cross-section of energy and rail industry stakeholders to provide independent, candid policy advice to the Board and to foster open, effective communication among the affected interests on issues such as rail performance, capacity constraints, infrastructure planning and development, and effective coordination among suppliers, railroads, and users of energy resources. RETAC operates subject to the Federal Advisory Committee Act (5 U.S.C. App. 2, 1-16).

RETAC's membership is balanced and representative of interested and affected parties, consisting of not less than: five representatives from the Class I railroads; three representatives from Class II and III railroads; three representatives from coal producers; five representatives from electric utilities (including at least one rural electric cooperative and one state- or municipally-owned utility); four representatives from biofuel refiners, processors, or distributors, or biofuel feedstock growers or providers; one representative of the petroleum shipping industry; and two representatives from private car owners, car lessors, or car manufacturers. RETAC may also include up to two members with relevant experience but not necessarily affiliated with one of the aforementioned industries or sectors. Members are selected by the Chairman of the Board with the concurrence of a majority of the Board. The Chairman may invite representatives from the U.S. Departments of Agriculture, Energy, and Transportation and the Federal Energy Regulatory Commission to serve on RETAC in advisory capacities as *ex officio* (non-voting) members. The three members of the Board serve as *ex officio* members of the Committee.

RETAC meets at least twice per year. Meetings are generally held at the Board's headquarters in Washington, DC, but may be held in other locations. Members of RETAC serve without compensation and without reimbursement of travel expenses unless reimbursement of such expenses is authorized in advance by the Board's Managing Director. According to revised guidance issued by the Office of Management and Budget, it is

permissible for federally registered lobbyists to serve on advisory committees, such as RETAC, as long as they do so in a representative capacity, rather than an individual capacity. See *Revised Guidance on Appointment of Lobbyists to Federal Advisory Committees, Boards, and Commissions*, 79 FR 47,482 (Aug. 13, 2014). Members of RETAC are appointed to serve in a representative capacity. Further information about RETAC is available on the RETAC page of the Board's Web site at <http://www.stb.dot.gov/stb/rail/retac.html>.

The Board is soliciting nominations from the public for candidates to fill two vacancies on RETAC: (1) For a representative of the downstream segment of the domestic petroleum industry (e.g., refiners, petrochemical producers, NGL producers/distributors, logistics service providers, and other downstream participants); and (2) for a representative of the electric utility industry. Both vacancies are for a three-year term ending September 30, 2017.

Nominations for a candidate to fill this vacancy should be submitted in letter form and should include: (1) The name of the candidate; (2) the interest the candidate will represent; (3) a summary of the candidate's experience and qualifications for the position; (4) a representation that the candidate is willing to serve as a member of RETAC; and (5) a statement that the candidate agrees to serve in a representative capacity.
