

securities exchange. The Adviser represents that, by allowing the Fund to invest in ETFs and closed-end funds that invest substantially all of their assets in fixed-income securities and have such investments count towards the Fund's 80% threshold, the Fund may be able to realize its investment objective in a more diversified and efficient manner than is currently available under the Fund's current 20% limitation on non-fixed income securities investments. Possible increased investments in such ETFs and closed-end funds would give the Fund access to a diverse set of fixed-income securities in an efficient fashion, with the liquidity and transparency of a U.S. exchange-traded security.

With respect to the Fund's operation as a diversified Fund, this change was made because, in view of the Fund's investments, the Fund has been operating in a manner consistent with a diversified fund for three years and, pursuant to Commission guidance, the Fund has amended its disclosure in that regard. The revised representation in the September 27, 2013 Amendment reflects this fact.

The proposed rule change is designed to promote just and equitable principles of trade and to protect investors and the public interest in that the Adviser represents that there is no change to the Fund's investment objective. The Fund will continue to comply with all initial and continued listing requirements under NYSE Arca Equities Rule 8.600. The Adviser represents that the purpose of the proposed changes is to provide additional flexibility to the Adviser to meet the Fund's investment objective, as discussed above.

The proposed rule change is designed to perfect the mechanism of a free and open market and, in general, to protect investors and the public interest in that the Fund will continue to comply with all initial and continued listing requirements under NYSE Arca Equities Rule 8.600. The Adviser represents that the purpose of the proposed changes is to provide additional flexibility to the Adviser to meet the Fund's investment objective, as discussed above. The Adviser represents that there is no change to the Fund's investment objective. Except for the changes noted above, all other facts presented and representations made in the Prior Release remain unchanged.

#### *B. Self-Regulatory Organization's Statement on Burden on Competition*

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance

of the purposes of the Act. The proposed changes to the Fund's means of achieving the investment objective will permit the Fund to adjust its portfolio to allow the Fund to continue to meet its investment objectives in the most efficient manner possible and will enhance competition among issues of Managed Fund Shares that invest in fixed income securities.

## **SOCIAL SECURITY ADMINISTRATION**

[Docket No. SSA-2014-0055]

### **Charging Standard Administrative Fees for Nonprogram-Related Information Requests for Detailed Social Security Earnings**

**AGENCY:** Social Security Administration.

**ACTION:** Notice of updated schedule of standardized administrative fees.

**SUMMARY:** On November 8, 2013,<sup>1</sup> we announced in the **Federal Register** a new administrative fee we charge to the public for detailed yearly Social Security earnings information. We charge administrative fees to recover our full costs when we provide information and related services for nonprogram purposes. We are announcing an update to the previously published fee for detailed yearly Social Security earning information.

The updated standard fee is part of our continuing effort to standardize fees

<sup>19</sup> 17 CFR 200.30-3(a)(12).

<sup>1</sup> 78 FR 67210, November 8, 2013.

for nonprogram information requests. We reserve the right to review and update the published standard fees as necessary, but no less than every two years, to ensure the agency recovers the full cost of providing nonprogram-related services. Standard fees provide consistency and ensure we recover the full cost of supplying information when we receive a request for a purpose not directly related to the administration of a program under the Social Security Act (Act).

**SUPPLEMENTARY INFORMATION:** Section 1106 of the Act and the Privacy Act<sup>2</sup> authorize the Commissioner of Social Security to promulgate regulations regarding agency records and information and to charge fees for providing information and related services. Our regulations and operating instructions identify when we will charge fees for information.<sup>3</sup> Whenever we determine a request for information is for any purpose not directly related to the administration of the Social Security programs, we require the requester to pay the full cost of providing the information.

*New Information:* Based on the most recent cost analysis, we determined the new standard fee for detailed yearly Social Security earnings information is \$136 for each request. We will certify the detailed earnings information for an additional \$56. Note: Certification is usually not necessary. We based this updated standard fee on our most recent cost calculations for supplying this information and the standard fee methodology previously published in the **Federal Register**. A requestor can obtain certified and non-certified detailed yearly Social Security earnings information by completing the Form SSA-7050 (Request for Social Security Earnings Information). A requestor can continue to obtain non-certified, yearly earnings totals (Form SSA-7004, Request for a Social Security Statement) through our free online service mySocialSecurity, <http://socialsecurity.gov/myaccount/>, a personal online account for Social Security information and services. Online Social Security Statements display uncertified yearly earnings, free of charge, and do not show any employer information. Certified yearly Social Security earnings totals cost \$56, available by completing Form SSA-7050.

We will continue to evaluate all standard fees at least every two years to ensure we capture the full costs

associated with providing information for nonprogram-related purposes. We will require nonrefundable advance payment of the standard fee by check, money order, or credit card. We will not accept cash. If we revise any of the standard fees, we will publish another notice in the **Federal Register**. For other nonprogram-related requests for information not addressed here or within the current schedule of standardized administrative fees, we will continue to charge fees calculated on a case-by-case basis to recover our full cost of supplying the information.
