II. What action is the agency taking?

Under a variety of EPA contracts, Student Services Contractors are continuing to assist the Office of Science Policy (OSP), Office of Research and Development (ORD) in research on the impact of hydraulic fracturing on drinking water resources. This includes analysis of data from nine hydraulic fracturing companies and nine well owner/operators. In time other Student Services Contractors will be involved in this activity under different contract order numbers. Original notice of this type access was published in the **Federal Register** on May 18, 2012 (77 FR 29635; FRL-9349-8). No further notice will be given for these entities'/ persons' clearances.

In accordance with 40 CFR 2.306(j), EPA has determined that Student Services Contractors required access to CBI submitted to EPA under all sections of TSCA to perform successfully the duties specified under the contract. Student Services Contractors' personnel were given access to information submitted to EPA under all sections of TSCA. Some of the information may have been claimed or determined to be CBI.

EPA is issuing this notice again to inform all submitters of information under all sections of TSCA that EPA has provided Student Services Contractors access to these CBI materials on a need-to-know basis only. All access to TSCA CBI under this contract is taking place at EPA Headquarters in accordance with EPA's *TSCA CBI Protection Manual* and, as required for successful performance of this contract, other authorized locations.

Access to TSCA data, including CBI, under these contracts will continue until December 31, 2016.

Student Services Contractors' personnel have signed nondisclosure agreements and were briefed on appropriate security procedures before they were permitted access to TSCA CBI. All Student Services Contractors personnel will comply with TSCA CBI access requirements before being given access to these materials.
