Notice of Inquiry; Request for Comments on a New Beef Promotion, Research, and Information Order

AGENCY: Agricultural Marketing Service, USDA.

ACTION: Notice of Inquiry, request for comments.

SUMMARY: The Agricultural Marketing Service (AMS) of the Department of Agriculture (USDA) requests public comments to inform its development of a beef promotion, research, and information order under the Commodity Promotion, Research, and Consumer Information Act of 1996 (1996 Act). This request for comments offers the opportunity for interested individuals and organizations to provide views concerning provisions that would be included in an industry-funded promotion, research, and information program for beef and beef products. The proposed order would be in addition to the existing beef promotion and research program established under the Beef Promotion and Research Act of 1985 (1985 Act). A referendum on an order established under the 1996 Act would be conducted 3 years after assessments begin to determine whether beef producers favor the program and if it should continue. A second referendum would be held within 7 years of the start of the program.

DATES: Written comments must be received by December 10, 2014.

ADDRESSES: Interested persons and organizations are invited to submit written comments by any of the following methods:

Federal eRulemaking: At www.regulations.gov, follow the instructions for submitting comments.
