NASDAQ OMX PHLX LLC; Notice of
Filing and Immediate Effectiveness of
Proposed Rule Change To Correct Two
Typographical Errors in Rule 3315**

November 6, 2014.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on November 4, 2014, NASDAQ OMX PHLX LLC (“Phlx” or “Exchange”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

**I. Self-Regulatory Organization’s
Statement of the Terms of Substance of
the Proposed Rule Change**

The Exchange is filing with the Commission a proposal to amend NASDAQ OMX PSX (“PSX”)³ Rule 3315 to correct two typographical errors in which references were made to a NASDAQ Stock Market LLC (“NASDAQ”) rule rather than to the PSX rule itself.

The text of the proposed rule change is available on the Exchange’s Web site at <http://nasdaqomxphlx.cchwallstreet.com/>, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

**II. Self-Regulatory Organization’s
Statement of the Purpose of, and
Statutory Basis for, the Proposed Rule
Change**

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

Statutory Basis for, the Proposed Rule
Change*

1. Purpose

The purpose of this filing is to correct two typographical errors in PSX Rule 3315(d) in which references were made to a NASDAQ rule rather than the PSX rule itself, and thereby clarify and conform Exchange rules pertaining to error accounts in respect of order routing.

Order routing is currently discussed in PSX Rule 3315. Subsection (d)(2) deals with the maintenance and use of an error account when routing. PSX Rule 3315 was adopted⁴ to fully spell out how routing will work on the Exchange and to generally track the language of NASDAQ Rule 4758. When PSX Rule 3315 was adopted, two references to NASDAQ Rule 4758 were inadvertently left in. In PSX Rule 3315(d)(2)(A) and 3315(d)(2)(B), the intent was and is to make reference to PSX Rule 3315 rather than NASDAQ Rule 4758.

The Exchange is now proposing to correct these two typographical errors. The Exchange is thus substituting the current references to NASDAQ Rule 4758 in subsections (d)(2)(A) and (d)(2)(B) of PSX Rule 3315 with the correct references to PSX Rule 3315. There are no other changes.

The proposed non-substantive change substituting an improper rule reference is done to clarify the order routing rules and eliminate potential confusion, to the benefit of market participants.

2. Statutory Basis

Phlx believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,⁵ in general, and with Sections 6(b)(5) of the Act⁶ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest. This is achieved by correcting two non-substantive typographical errors in PSX Rule 3315, thereby clarifying the order routing rules and eliminating the potential for confusion, to the benefit of

The goal of the filing was to offer routing strategies on the Exchange that were materially identical to several strategies offered by its affiliate, NASDAQ.
