Agency Information Collection Activities: Requests for Comments; Clearance of Renewed Approval of Information Collection: Protection of Voluntarily Submitted Information

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, FAA invites public comments about our intention to request the Office of Management and Budget (OMB) approval to renew an information collection. The **Federal Register** Notice with a 60-day comment period soliciting comments on the following collection of information was published on September 9, 2014. One of the ways to have an information program designated as protected under Section 40123 is for an air carrier or other person to submit an application for an individual program. The FAA evaluates the application and either publishes a designation based on the application for public comment or denies the application.

DATES: Written comments should be submitted by December 19, 2014.

ADDRESSES: Interested persons are invited to submit written comments on the proposed information collection to the Office of Information and Regulatory

Affairs, Office of Management and Budget. Comments should be addressed to the attention of the Desk Officer, Department of Transportation/FAA, and sent via electronic mail to oira_submission@omb.eop.gov, or faxed to (202) 395-6974, or mailed to the Office of Information and Regulatory Affairs, Office of Management and Budget, Docket Library, Room 10102, 725 17th Street NW., Washington, DC 20503.

Background: The **Federal Register** Notice with a 60-day comment period soliciting comments on the following collection of information was published on September 9, 2014 (79 FR 53508). To encourage people to voluntarily submit desired information, § 40123 was added to Title 49, United States Code, in the Federal Aviation Reauthorization Act of 1996. Section 40123 allows the Administrator, through FAA regulations, to protect from disclosure voluntarily provided safety and security information. This rule imposes a negligible paperwork burden for air carriers that choose to participate in this program. The air carrier submits a letter notifying the Administrator that they wish to participate in a current program.

Respondents: Approximately 5 applicants.

Frequency: Information is collected on occasion.

Estimated Average Burden per Response: 1 hour.

Estimated Total Annual Burden: 5 hours.
