

many of our efforts to protect reefs rely on education and changing attitudes toward reef protection, the information collected will allow CRCP staff to ensure programs are designed appropriately at the start, future program evaluation efforts are as successful as possible, and outreach efforts are targeting the intended recipients with useful information.

## II. Method of Collection

Information will be collected in the means most efficient and effective in the individual jurisdiction. For the three years covered by this clearance we expect to use face-to-face interviews in American Samoa, and as appropriate, telephone and/or internet-based survey techniques in Hawaii and Florida, Commonwealth of the Northern Mariana Islands, Guam, Puerto Rico, and the U.S. Virgin Islands.

## III. Data

*OMB Control Number:* 0648–0646.

*Form Number(s):* None.

*Type of Review:* Regular submission (extension of a currently approved information collection).

*Affected Public:* Individuals or households.

*Estimated Number of Respondents:* 3,128.

*Estimated Time per Response:* 25 minutes.

*Estimated Total Annual Burden Hours:* 1,303.

*Estimated Total Annual Cost to Public:* \$0 in recordkeeping/reporting costs.

## IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.

Dated: November 19, 2014.

## DEPARTMENT OF COMMERCE

### National Ocean and Atmospheric Administration

#### Proposed Information Collection; Comment Request; Shipboard Observation Form for Floating Marine Debris

**AGENCY:** National Ocean and Atmospheric Administration, Commerce.

**ACTION:** Notice.

**SUMMARY:** The Department of Commerce, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995.

**DATES:** Written comments must be submitted on or before January 23, 2015.

**ADDRESSES:** Direct all written comments to Jennifer Jessup, Departmental Paperwork Clearance Officer, Department of Commerce, Room 6616, 14th and Constitution Avenue NW., Washington, DC 20230 (or via the Internet at [Jjessup@doc.gov](mailto:Jjessup@doc.gov)).

**FOR FURTHER INFORMATION CONTACT:** Requests for additional information or copies of the information collection instrument and instructions should be directed to Sherry Lippiatt, NOAA Marine Debris Program, (510) 410–2602, [Sherry.Lippiatt@noaa.gov](mailto:Sherry.Lippiatt@noaa.gov).

#### SUPPLEMENTARY INFORMATION:

##### I. Abstract

This request is for extension of a currently approved information collection.

This data collection project will be coordinated by the NOAA Marine Debris Program, and involve recreational and commercial vessels (respondents), shipboard observers (respondents), NGOs (respondents) as well as numerous experts on marine debris observations at sea. The Shipboard Observation Form for Floating Marine Debris was created based on methods used in studies of floating marine debris by established researchers, previous shipboard observational studies conducted at sea by NOAA, and the experience and input

of recreational sailors. The goal of this form is to be able to calculate the density of marine debris within an area of a known size. Additionally, this form will help collect data on potential marine debris resulting from the March 2011 Japan tsunami in order to better model movement of the debris as well as prepare (as needed) for continued debris arrival to areas around the Pacific. This form may additionally be used to collect data on floating marine debris in any water body.

## II. Method of Collection

Respondents have a choice of either electronic or paper forms. Methods of submittal include email of electronic forms, and mail and facsimile transmission of paper forms.

## III. Data

*OMB Control Number:* 0648–0644.

*Form Number(s):* None.

*Type of Review:* Regular submission (extension of a current information collection).

*Affected Public:* Individuals or households; not-for profit institutions; business or other for-profit organizations.

*Estimated Number of Respondents:* 20.

*Estimated Time Per Response:* 30 minutes.

*Estimated Total Annual Burden Hours:* 10 hours.

*Estimated Total Annual Cost to Public:* \$0 in recordkeeping/reporting costs.

## IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.

Dated: November 18, 2014.

## DEPARTMENT OF COMMERCE

### National Oceanic and Atmospheric Administration

#### Intent To Prepare a Draft Environmental Impact Statement for the Proposed He'eia National Estuarine Research Reserve in Kane'ohe Bay, Hawai'i

**AGENCY:** National Estuarine Research Reserve System, Office for Coastal Management, National Ocean Service, National Oceanic and Atmospheric Administration, Department of Commerce.

**ACTION:** Notice.

**SUMMARY:** In accordance with section 315 of the Coastal Zone Management Act of 1972, as amended (16 U.S.C. 1451-1466), the State of Hawai'i and the National Oceanic and Atmospheric Administration (NOAA) intend to conduct two public scoping meetings on December 17, 2014, in Kane'ohe, Hawai'i, and on December 19, 2014, in Honolulu, Hawai'i, as part of NOAA's draft environmental impact statement (DEIS) and draft management plan (DMP) process to solicit comments for the preparation of a DEIS and DMP on the Proposed He'eia National Estuarine Research Reserve in Kane'ohe Bay.

**DATES:** December 17, 2014, at 5:00-7:00 p.m. and December 19, 2014, at 5:00-7:00 p.m.

**ADDRESSES:** December 17 at the King Intermediate School, 46-155 Kamehameha Hwy., Kane'ohe, HI 96744 and December 19 at the NOAA Fisheries Honolulu Service Center, 1139 N. Nimitz Hwy., Ste 220, Honolulu, HI 96817.

**FOR FURTHER INFORMATION CONTACT:** Contact Rebecka Arbin, Hawai'i Office of Planning, P. O. Box 2359, Honolulu, HI 96804 at (808)587-2831 or [rebecka.j.arbin@dbedt.hawaii.gov](mailto:rebecka.j.arbin@dbedt.hawaii.gov) or Joelle Gore, Acting Chief, Stewardship Division, Office for Coastal Management, National Ocean Service, NOAA, 1305 East-West Highway, Silver Spring, Maryland 20910, at (301) 713-3155 ext. 177, or [Hawaii.nerr.comments@noaa.gov](mailto:Hawaii.nerr.comments@noaa.gov).

**SUPPLEMENTARY INFORMATION:** The decision to be made by NOAA is whether to designate the proposed He'eia National Estuarine Research

Reserve. The State of Hawai'i, through its Office of Planning, site partners and NOAA are working to determine the boundaries of the reserve, how the reserve would be managed, and the policies of the proposed reserve. These decisions will be made through an analysis process and described in the reserve management plan.

Found within the largest sheltered bay in the Hawaiian Islands, the He'eia estuary constitutes a range of diverse habitats, including uplands, wetland, and fringing coral reefs, and is representative of the estuarine habitats in the Insular biogeographic region. In addition, the site hosts numerous traditional Hawaiian practices, including an ancient Hawaiian fish pond and taro cultivation. The combination of unique traditional Hawaiian land uses and natural habitats is expected to attract a broad range of research interests from multiple scientific disciplines. In July 2012, the Governor of Hawai'i sent NOAA a letter of interest in exploring the feasibility of designating a reserve within the Hawaiian Islands based on ongoing conversations with community groups and the University of Hawai'i. In February 2013, the State of Hawai'i undertook a site selection process to determine appropriate areas of the Hawaiian Islands that might be nominated for inclusion in the reserve System. Hawai'i, working with scientists, community organizations, and the public, gathered input and suggestions to inform the selection of a potential site for consideration as a national estuarine research reserve.

On May 21, 2014, the Governor of the State of Hawai'i nominated the He'eia estuary for consideration as a Hawai'i reserve. On October 27, 2014, NOAA accepted the site nomination document for the proposed He'eia reserve and initiated planning efforts with the Hawai'i Office of Planning HIMB.

The He'eia reserve is proposed to be administered by the State of Hawaii in cooperation with the Hawaii Office of Planning, the Hawai'i Department of Land and Natural Resources, the University of Hawai'i, Hawai'i Community Development Authority, and community organizations Kako'o 'O'iwi, Paepae o He'eia, Ko'olaupoko Hawaiian Civic Club, Kamaaina Kids, and The Nature Conservancy, with support from other state and county agencies and community members. The Hawai'i Office of Planning, in collaboration with those partners, is jointly developing an outline of a preliminary DMP. The outline is intended to identify specific needs and priorities related to research, education,

and stewardship. At the public meetings, the Hawai'i Office of Planning and NOAA will provide a synopsis of the process for developing a DEIS and DMP and will solicit comments on the scope and the significant issues to be analyzed in a DEIS.

Interested parties who wish to submit suggestions or comments about the scope or content of the proposed DEIS and DMP are invited to attend the above meetings or provide comments to the Hawai'i Office of Planning or NOAA's Office for Coastal Management. Comments can be submitted to [Hawaii.nerr.comments@noaa.gov](mailto:Hawaii.nerr.comments@noaa.gov) or U.S. mail at the addresses listed below.

Federal Domestic Assistance Catalog Number 11.420 (Coastal Zone Management) Research Reserves

Dated: November 18, 2014.

## COMMODITY FUTURES TRADING COMMISSION

### Agricultural Advisory Committee Meeting

**AGENCY:** Commodity Futures Trading Commission.

**ACTION:** Notice of meeting.

**SUMMARY:** The Commodity Futures Trading Commission (CFTC or Commission) announces that on December 9, 2014, from 10:00 a.m. to 3:00 p.m., the Agricultural Advisory Committee (AAC) will hold a public meeting at the CFTC's Washington, DC, headquarters. The meeting will focus on, among other issues, topics related to the agricultural economy, as well as the deliverable supplies of agricultural commodities as they pertain to position limits.

**DATES:** The meeting will be held on Tuesday, December 9, 2014 from 10:00 a.m. to 3:00 p.m. Members of the public who wish to submit written statements in connection with the meeting should submit them by December 1, 2014.

**ADDRESSES:** The meeting will take place in the first floor Conference Center at the Commission's headquarters, Three Lafayette Centre, 1155 21st Street NW., Washington, DC 20581. Written statements should be submitted to: Agricultural Advisory Committee, c/o Cory Claussen, Commodity Futures Trading Commission, Three Lafayette Centre, 1155 21st Street NW.,
