**Federal Acquisition Regulation;
Incorporating Section K in Contracts**

AGENCIES: Department of Defense (DoD), General Services Administration (GSA), and National Aeronautics and Space Administration (NASA).

ACTION: Final rule.

SUMMARY: DoD, GSA, and NASA are issuing a final rule amending the Federal Acquisition Regulation (FAR) to standardize the incorporation by reference of representations and certifications in contracts.

DATES: *Effective:* December 26, 2014.

FOR FURTHER INFORMATION CONTACT: Mr. Curtis E. Glover, Sr., Procurement Analyst, at (202) 501–1448, for clarification of content. For information pertaining to status or publication schedules, contact the Regulatory Secretariat at 202–501–4755. Please cite FAC 2005–78, FAR Case 2014–001.

SUPPLEMENTARY INFORMATION:**I. Background**

DoD, GSA, and NASA published a proposed rule in the **Federal Register** at 78 FR 22615 on April 23, 2014, to revise the language at FAR subpart 4.12, Representations and Certifications, and add a new clause at FAR 52.204–19 to standardize the incorporation by reference of representations and certifications in contracts, regardless of which contract award form is used. FAR clause 52.212–4 has a new paragraph (v) to cover this issue for commercial items. One respondent submitted comments on the proposed rule.

II. Discussion and Analysis

The Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (the Councils) reviewed the comments in the development of the final rule. A discussion of the comments and the changes made to the rule as a result of those comments are provided as follows:

A. Analysis of Changes

One editorial change was made to the proposed rule as a result of the public comments.

B. Analysis of Public Comments**1. Edits**

Comment: The respondent recommended adding commas to the changes in FAR parts 14 and 15.

Response: Instead of commas, the word “see” was added.

2. Out of Scope

Comment: The respondent suggested revising the last sentence in the introductory paragraph of FAR 4.1202 (which will become 4.1202(a)) to include a reference to either 52.212–1 or 52.212–3.

Response: No changes were made for the out-of-scope suggestion.

Comment: The respondent suggested that the FAR matrix be revised to indicate that 52.204–6, 52.204–7, 52.204–13, and possibly, 52.204–12 are not applicable to commercial items.

Response: No changes were made for the out-of-scope suggestion.

III. Executive Orders 12866 and 13563

Executive Orders (E.O.s) 12866 and 13563 direct agencies to assess all costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distributive impacts, and equity). E.O. 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This is not a significant regulatory action and, therefore, was not subject to review under section 6(b) of E.O. 12866, Regulatory Planning and Review, dated September 30, 1993. This rule is not a major rule under 5 U.S.C. 804.

IV. Regulatory Flexibility Act

DoD, GSA, and NASA have prepared a Final Regulatory Flexibility Analysis (FRFA) consistent with the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.* The FRFA is summarized as follows:

The objective of this final rule is to standardize the incorporation by reference of representations and certifications in contracts.

No issues were raised by the public in response to the initial regulatory flexibility analysis. There are no reporting, recordkeeping, or other compliance requirements in the final rule. This final rule is an internal procedure requiring the contracting officer to acknowledge the small

entity’s representations and certifications by incorporating them by reference in the contract award document.

This final rule does not revise or impact the existing representations and certifications submitted by small entities; therefore, this final rule should have no significant economic impact on a substantial number of small entities.

Interested parties may obtain a copy of the FRFA from the Regulatory Secretariat. The Regulatory Secretariat has submitted a copy of the FRFA to the Chief Counsel for Advocacy of the Small Business Administration.

V. Paperwork Reduction Act

The final rule does not contain any information collection requirements that require the approval of the Office of Management and Budget under the Paperwork Reduction Act (44 U.S.C. chapter 35).

Federal Acquisition Regulation: Streamlining Claims Processing

AGENCIES: Department of Defense (DoD), General Services Administration (GSA), and National Aeronautics and Space Administration (NASA).

ACTION: Final rule.

SUMMARY: DoD, GSA, and NASA are issuing a final rule amending the Federal Acquisition Regulation (FAR) to implement the Streamlining Claims Processing for Federal Contractor Employees Act which amends the United States Code (U.S.C.) to transfer certain functions from the Government Accountability Office (GAO) to the Department of Labor (DOL) relating to the processing of claims for the payment of workers who were not paid appropriate wages under certain provisions of the U.S.C.

DATES: *Effective:* December 26, 2014.

FOR FURTHER INFORMATION CONTACT: Mr. Edward Loeb, Procurement Analyst, at 202–501–0650 for clarification of content. For information pertaining to status or publication schedules, contact the Regulatory Secretariat at 202–501–

4755. Please cite FAC 2005–78, FAR Case 2014–011.

SUPPLEMENTARY INFORMATION:

I. Background

The Streamlining Claims Processing for Federal Contractor Employees Act (the Act) (Pub. L. 113–50) was enacted on November 21, 2013. The Act transfers certain administrative authorities relating to the processing of claims for the payment of workers who were not paid appropriate wages under certain provisions of title 40 U.S.C. from the GAO to the DOL. One of the specific functions transferred to the DOL at 40 U.S.C. 3144 and 3703 is the authority to pay certain wages. FAR part 22, Application of Labor Laws to Government Acquisitions, which addresses the withholding or suspending of contract payments and the disposition of such payments, requires revision to be consistent with the Act. Specifically, FAR 22.406–9, Withholding from or suspension of contract payments, at paragraph (c), includes instructions regarding the disposition of contract payments that have been withheld or suspended. Also, FAR 22.406–11, Contract terminations, includes instructions for submitting reports when terminations result from violation of labor standards clauses. This final rule revises these FAR sections to appropriately reflect the administrative authorities of the DOL, and to provide a link to the DOL Web site and guidance for disbursement of withheld funds. Reference to Standard Form (SF) 1093, Schedule of Withholdings Under the Construction Wage Rate Requirements Statute (40 U.S.C. Chapter 31, Subchapter IV, Section 3144) and/or the Contract Work Hours and Safety Standards Statute (40 U.S.C. Chapter 37, Section 3703), is deleted. The SF 1093 was previously used to disburse funds to the GAO and is now obsolete.

II. Publication of This Final Rule for Public Comment Is Not Required by Statute

“Publication of proposed regulations”, 41 U.S.C. 1707, is the statute which applies to the publication of the Federal Acquisition Regulation. Paragraph (a)(1) of the statute requires that a procurement policy, regulation, procedure or form (including an amendment or modification thereof) must be published for public comment if it relates to the expenditure of appropriated funds, and has either a significant effect beyond the internal operating procedures of the agency issuing the policy, regulation, procedure or form, or has a significant cost or
