I. Background

The Office of Workers' Compensation Programs (OWCP) administers the Longshore and Harbor Workers' Compensation Act (LHWCA). The Act provides benefits to workers' injured in maritime employment on the navigable waters of the United States or in an adjoining area customarily used by an employer in loading, unloading, repairing, or building a vessel. Form LS-207 has been designated for this purpose. Form LS-207 is used by insurance carriers and self-insured employers to controvert claims under the Longshore Act and extensions. The information is used by OWCP district offices to determine the basis for not paying benefits in a case. This information collection is currently approved for use through February 28, 2015.
