### Critical Circumstances

With regard to the ITC's negative critical circumstances determination on imports of NOES from the PRC, Germany, Japan, and Sweden, we will instruct CBP to lift suspension and to refund any cash deposit made to secure the payment of estimated antidumping duties with respect to entries of the merchandise entered, or withdrawn from warehouse, for consumption on or after February 21, 2014 (*i.e.*, 90 days prior to the date of publication of the preliminary determinations), but before May 22, 2014, the publication date of the preliminary determinations.

<sup>9</sup> As explained in the *Germany, Japan, the PRC, and Sweden Final Determinations*, the estimated weighted-average dumping margin for the PRC-wide entity will be adjusted for export subsidies. See *Germany, Japan, the PRC, and Sweden Final Determinations*, 79 FR at 61612. Accordingly, we offset the estimated weighted-average dumping margin for the PRC-wide entity of 407.52 percent by the countervailing duty rate attributable to export subsidies (*i.e.*, 10.77 percent) to calculate the cash deposit *ad valorem* rate for the PRC-wide entity of 396.75 percent. For information regarding these export subsidies, see *PRC CVD Final Determination* and accompanying Issues and Decision Memorandum at 8 (countervailed export subsidy programs: Preferential Export Financing from the Export-Import Bank of China (1.06 percent) and Tax Refunds for Reinvestment of FIE Profits in Export-Oriented Enterprises (9.71 percent)).

#### Certain Steel Threaded Rod From the People's Republic of China: Final Results of Antidumping Duty Administrative Review; 2012-2013

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (the "Department") published the *Preliminary Results* of the fourth administrative review of the antidumping duty order on certain steel threaded rod from the People's Republic of China ("PRC") on May 28, 2014.<sup>1</sup> We gave interested parties an opportunity to comment on the *Preliminary Results*. Based upon our analysis of the comments and information received, we made changes to the margin calculations for these final results. The final dumping margins are listed below in the "Final Results of Administrative Review" section of this notice. The period of review ("POR") is April 1, 2012, through March 31, 2013.

**DATES:** *Effective Date:* December 3, 2014.

**SUPPLEMENTARY INFORMATION:****Background**

The Department published the *Preliminary Results* on May 28, 2014.<sup>2</sup> Between May 21, 2014, and July 15, 2014, the Department issued supplemental questionnaires to RMB Fasteners Ltd., IFI & Morgan Ltd., and Jiaxing Brother Standard Part Co., Ltd. (collectively “the RMB/IFI Group”). On June 18, 2014, and July 22, 2014, the RMB/IFI Group submitted its responses to those supplemental questionnaires.

In accordance with 19 CFR 351.309, we invited parties to comment on our *Preliminary Results*. Between August 4, 2014, and August 11, 2014, interested parties submitted case and rebuttal briefs. Additionally, on August 25, 2014, the Department extended the deadline for the final results to November 4, 2014.<sup>3</sup> Moreover, on October 22, 2014, the Department again extended the final results to November 24, 2014.<sup>4</sup>

**Scope of the Order**

The merchandise covered by the order includes steel threaded rod. The subject merchandise is currently classifiable under subheading 7318.15.5051, 7318.15.5056, 7318.15.5090, and 7318.15.2095 of the United States Harmonized Tariff Schedule (“HTSUS”). Although the HTSUS subheadings are provided for convenience and customs purposes, our written description of the scope of the order, which is contained in the accompanying Issues and Decision Memorandum (“I&D Memo”), is dispositive.<sup>5</sup>

<sup>4</sup> See Memorandum to Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, through James Doyle, Office Director, from Jerry Huang, Senior International Trade Compliance Analyst, “Certain Steel Threaded Rod from the People’s Republic of China: Second Extension of Deadline for Final Results of Administrative Review” (October 22, 2014).

<sup>5</sup> For a full description of the scope of the order, see Memorandum from Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, to Paul Piquado, Assistant Secretary for Enforcement and Compliance, “Issues and Decision Memorandum for the Final Results of Fourth Antidumping Duty Administrative Review: Certain Steel Threaded Rod from the People’s Republic of China” (November 21, 2014) (“I&D Memo”).

**Analysis of Comments Received**

We addressed all issues raised in the case and rebuttal briefs by parties in these reviews in the I&D Memo, and attached to this notice, in Appendix I, a list of the issues which parties raised. The I&D Memo is a public document and is on file in the Central Records Unit (“CRU”), Room 7046 of the main Department of Commerce building, as well as electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (“ACCESS”). ACCESS is available to registered users at <http://access.trade.gov> and in the CRU. In addition, a complete version of the I&D Memo can be accessed directly on the internet at <http://enforcement.trade.gov/frn/index.html>. The signed I&D Memo and the electronic versions of the I&D Memo are identical in content.

**Changes Since the Preliminary Results**

Based on a review of the record and comments received from interested parties regarding our *Preliminary Results*, we revised the margin calculations for the RMB/IFI Group. Specifically, we incorporated into our calculations a revised database that was submitted by the RMB/IFI Group after the *Preliminary Results*.<sup>6</sup> For a list of all issues addressed in these final results, please refer to Appendix I accompanying this notice.

**PRC-Wide Rate and PRC-Wide Entity**

For the PRC-Wide Entity, the Department in the *Preliminary Results* assigned the rate of 206 percent, the only rate ever determined for the PRC-Wide Entity in this proceeding.<sup>7</sup> Because this rate is the same as the PRC-Wide rate from previous segments in this proceeding and nothing on the record of the instant review calls into question the reliability of the PRC-Wide rate, we find it appropriate to continue to apply the PRC-Wide rate of 206 percent.<sup>8</sup>

In the *Preliminary Results*, the Department determined that those companies which did not demonstrate eligibility for a separate rate are properly considered part of the PRC-

Wide Entity.<sup>9</sup> Since the *Preliminary Results*, none of these companies submitted comments regarding these findings. Therefore, we continue to treat these companies as part of the PRC-Wide Entity.<sup>10</sup>

Additionally, in the *Preliminary Results*, for 68 companies, the Department found that, while the request for review had been withdrawn, none of these companies had a separate rate. Accordingly, these 68 companies remained part of the PRC-wide entity, which remained under review for the *Preliminary Results*.<sup>11</sup> Thus, the Department did not rescind the review for any of these 68 companies in the *Preliminary Results*.<sup>12</sup> Since the *Preliminary Results*, no party has presented any information to the contrary and thus, these 68 companies remain part of the PRC-Wide Entity, which remains under review for the final results.<sup>13</sup>

**Final Results of Administrative Review**

The weighted-average dumping margins for the administrative review are as follows:

A change in practice with respect to the conditional review of the PRC-wide entity is not applicable to this administrative review. See *Antidumping Proceedings: Announcement of Change in Department Practice for Respondent Selection in Antidumping Duty Proceedings and Conditional Review of the Nonmarket Economy Entity in NME Antidumping Duty Proceedings*, 78 FR 65964, 65969–70 (November 4, 2013).

<sup>13</sup> For a list of companies that are subject to this administrative review as part of the PRC-Wide Entity, see Appendix II to this notice.

<sup>14</sup> The PRC-Wide Entity includes the companies listed in Appendix II to this notice.

Department will determine, and U.S. Customs and Border Protection (“CBP”) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review. The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of the final results of this administrative review.

Where the respondent reported reliable entered values, we calculated importer (or customer)-specific *ad valorem* rates by aggregating the dumping margins calculated for all U.S. sales to each importer (or customer) and dividing this amount by the total entered value of the sales to each importer (or customer).<sup>15</sup> Where the Department calculated a weighted-average dumping margin by dividing the total amount of dumping for reviewed sales to that party by the total sales quantity associated with those transactions, the Department will direct CBP to assess importer-specific assessment rates based on the resulting per-unit rates.<sup>16</sup> Where an importer- (or customer-) specific *ad valorem* or per-unit rate is greater than *de minimis*, the Department will instruct CBP to collect the appropriate duties at the time of liquidation.<sup>17</sup> Where an importer- (or customer-) specific *ad valorem* or per-unit rate is zero or *de minimis*, the Department will instruct CBP to liquidate appropriate entries without regard to antidumping duties.<sup>18</sup>

The Department announced a refinement to its assessment practice in non-market economy cases. Pursuant to this refinement in practice, for entries that were not reported in the U.S. sales databases submitted by companies individually examined during this review, the Department will instruct CBP to liquidate such entries at the PRC-Wide rate. Additionally, if the Department determines that an exporter had no shipments of the subject merchandise, any suspended entries that entered under that exporter’s case number (*i.e.*, at that exporter’s rate) will be liquidated at the PRC-Wide rate.<sup>19</sup>

#### Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for

consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: (1) For the exporters listed above, the cash deposit rate will be the rate established in the final results of review (except, if the rate is zero or *de minimis*, *i.e.*, less than 0.5 percent, a zero cash deposit rate will be required for that company); (2) for previously investigated or reviewed PRC and non-PRC exporters not listed above that have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recent period; (3) for all PRC exporters of subject merchandise which have not been found to be entitled to a separate rate, the cash deposit rate will be the PRC-Wide rate of 206 percent; and (4) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporters that supplied that non-PRC exporter. The deposit requirements shall remain in effect until further notice.

#### Disclosure

We will disclose the calculations performed within five days of the date of publication of this notice to parties in this proceeding in accordance with 19 CFR 351.224(b).

#### Reimbursement of Duties

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Department’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

#### Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order (“APO”) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing these final results of administrative review in

accordance with sections 751(a)(1) and 777(i) of the Act.

#### Certain Preserved Mushrooms From the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review; 2013/2014

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**DATES:** *Effective Date:* December 3, 2014.

**SUMMARY:** The Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on certain preserved mushrooms from the People's Republic of China (PRC) covering the period February 1, 2013, through January 31, 2014. We preliminarily determine that sales made by Linyi City Kangfa Foodstuff Drinkable Co., Ltd. (Kangfa), and Zhangzhou Gangchang Canned Foods Co., Ltd. (Gangchang) were made below normal value (NV). We invite interested parties to comment on these preliminary results.

**FOR FURTHER INFORMATION CONTACT:** Michael J. Heaney, or Robert James AD/

CVD Operations, Office VI, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-4475 or (202) 482-0649, respectively.

#### SUPPLEMENTARY INFORMATION:

##### Scope of the Order

The products covered by this order are certain preserved mushrooms, whether imported whole, sliced, diced, or as stems and pieces. The certain preserved mushrooms covered under this order are the species *Agaricus bisporus* and *Agaricus bitorquis*. "Certain Preserved Mushrooms" refers to mushrooms that have been prepared or preserved by cleaning, blanching, and sometimes slicing or cutting. These mushrooms are then packed and heated in containers including, but not limited to, cans or glass jars in a suitable liquid medium, including, but not limited to, water, brine, butter or butter sauce. Certain preserved mushrooms may be imported whole, sliced, diced, or as stems and pieces. Included within the scope of this order are "brined" mushrooms, which are presalted and packed in a heavy salt solution to provisionally preserve them for further processing. The merchandise subject to this order is classifiable under subheadings: 2003.10.0127, 2003.10.0131, 2003.10.0137, 2003.10.0143, 2003.10.0147, 2003.10.0153, and 0711.51.0000 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS subheadings are provided for convenience and Customs purposes, the written description of the scope of this order is dispositive.<sup>1</sup>

##### No Shipments Certification

On June 2, 2014, (1) Dezhou Kaihang Agricultural Science Technology Co., Ltd., (Dezhou Kaihang), (2) Fujian Haishan Foods Co., Ltd. (Fujian Haishan), (3) Fujian Pinghe Baofeng Canned Foods (Fujian Pinghe), (4) Fujian Zishan Group Co., Ltd. (Fujian Zishan), (5) Inter-Foods (Dongshan) Co., Ltd. (Inter-Foods), (6) Xiamen Longhuai Import & Export Co., Ltd. (Xiamen Longhuai), (7) Xiamen International Trade & Industrial Co., Ltd. (XITIC), and

<sup>1</sup> See Decision Memorandum for the Preliminary Results of the Antidumping Duty Administrative Review of Certain Preserved Mushrooms from the People's Republic of China; 2013/2014 from Christian Marsh Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, to Paul Piquado, Assistant Secretary for Enforcement and Compliance, dated November 25, 2014 (Preliminary Decision Memorandum), issued concurrently with and hereby adopted by this notice.

(8) Zhangzhou Hongda Import & Export Trading Co., Ltd. (Zhangzhou Hongda) submitted no shipment certifications. Both XITIC and Zhangzhou Hongda currently have separate rate status. Accordingly, on October 17, 2014, the Department sent an inquiry to U.S. Customs and Border Protection (CBP) to determine whether CBP entry data is consistent with the no shipments certifications from XITIC and Zhangzhou Hongda. The Department received no information contrary to either XITIC's or Zhangzhou Hongda's claims of no shipments. Based on the no-shipment certifications and our analysis of the CBP information, we preliminarily determine that both XITIC and Zhangzhou Hongda did not have any reviewable transactions during the POR. In addition, for both XITIC and Zhangzhou Hongda, the Department finds that consistent with its recently announced refinement to its assessment practice in non-market economy (NME) cases, it is appropriate not to rescind the review in part in this circumstance but, rather, to complete the review with respect to both XITIC and Zhangzhou Hongda and issue appropriate instructions to CBP based on the final results of the review.<sup>2</sup> However, since Dezhou Kaihang, Fujian Haishan, Fujian Pinghe, Fujian Zishan, Inter-Foods, and Xiamen Longhuai were part of the PRC-wide entity at the outset of this administrative review, and continue to be part of the PRC-wide entity in this administrative review, we are not making a determination of no shipments with respect to Dezhou Kaihang, Fujian Haishan, Fujian Pinghe, Fujian Zishan, Inter-Foods, and Xiamen Longhuai for the preliminary results of the instant administrative review.

##### Methodology

The Department conducted this review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act).
