Annual Burden Hours: 20,800 hours
Needs and Uses: Executive order (E.O.) 12829, "National Industrial Security Program (NISP)," stipulates that the Secretary of Defense shall serve as the Executive Agent for inspecting and monitoring the contractors, licensees, and grantees who require or will require access to classified information; and for determining the eligibility for access to classified information of contractors, licensees, and grantees and their respective employees. The Under Secretary of Defense for Intelligence assigned Defense Security Service (DSS) the responsibility for central operational management of DoD personnel security investigation (PSI) workload projections, and for monitoring of PSI funding and investigation quality issues for DoD components. This responsibility includes managing workload projections, along with funding and quality oversight matters related to PSIs conducted for employees and consultants of contractors cleared under the NISP. Prior to 2001, DSS compared historical PSI data for budget formulation. Since 2001, DSS conducted an annual survey of cleared contractors to more accurately assess personnel security and trustworthiness investigation requirements. In this annual collection of information, DSS
