**DATES:** The first meeting of the Downloadable Security Technology Advisory Committee will take place no later than Wednesday, March 4, 2015.

The duties of the advisory committee will be to study and report findings and recommendations regarding a "uniform, and technology- and platform-neutral software-based downloadable security system." STELA Reauthorization Act of 2014, Public Law 113-200, § 106 (2014). The Committee Management Secretariat, General Services Administration concurs with the establishment of the advisory committee.
