

to other NRTLs that operate multiple sites.

### C. Supplemental Programs

OSHA limits QAI's scope of recognition to include the following supplemental program:

*Program 9:* Acceptance of services other than testing or evaluation performed by subcontractors or agents (for calibration services only).

#### A. Conditions

In addition to those conditions already required by 29 CFR 1910.7, QAI also must abide by the following conditions of the recognition:

1. QAI must inform OSHA as soon as possible, in writing, of any change of ownership, facilities, or key personnel, and of any major change in its operations as an NRTL, and provide details of the change(s);

2. QAI must meet all the terms of its recognition and comply with all OSHA policies pertaining to this recognition; and

3. QAI must continue to meet the requirements for recognition, including all previously published conditions on QAI's scope of recognition, in all areas for which it has recognition.

Pursuant to the authority in 29 CFR 1910.7, OSHA hereby grants recognition to QAI as an NRTL, subject to the limitations and conditions specified above.
