Privately Owned Vehicle (POV) Mileage Reimbursement Rates

AGENCY: Office of Government-Wide Policy (OGP), General Services Administration (GSA).

ACTION: Notice of FTR Bulletin 15–02, Calendar Year (CY) 2015 Privately Owned Vehicle (POV) Mileage Reimbursement Rates and Standard Mileage Rate for Moving Purposes (Relocation Allowances).

SUMMARY: The General Services Administration's (GSA) annual privately owned vehicle (POV) mileage reimbursement rate reviews have resulted in new CY 2015 rates for the use of privately owned automobiles (POAs), POAs when a Government owned automobile (GOA) is authorized, privately owned motorcycles, and privately owned airplanes for official purposes. Additionally, the POV rate used in conjunction with official relocation will change. FTR Bulletin 15-02 establishes the new CY 2015 POV mileage reimbursement rates for official temporary duty and relocation travel (\$0.575 for POAs, \$0.23 for POAs when a GOA is authorized, \$0.545 for privately owned motorcycles, \$1.29 for privately owned airplanes, and \$0.23 for moving purposes), pursuant to the process discussed below. This notice of subject bulletin is the only notification to agencies of revisions to the POV mileage rates for official travel and relocation other than the changes posted on GSA's Web site. GSA determines these rates by reviewing the annual standard automobile study contracted for by the Internal Revenue Service (IRS), as well as conducting independent automobile, motorcycle and aircraft studies that evaluate various factors, such as the cost of fuel, the depreciation of the original vehicles costs, maintenance and insurance, and/ or by applying consumer price index

DATES: Effective: December 30, 2014. Applicability: This notice applies to travel performed on or after January 1, 2015 through December 31, 2015.

FOR FURTHER INFORMATION CONTACT: For clarification of content, please contact Mr. Cy Greenidge, Office of Government-Wide Policy, Office of Asset and Transportation Management, at 202–219–2349, or by email at travelpolicy@gsa.gov. Please cite Notice of FTR Bulletin 15–02.

SUPPLEMENTARY INFORMATION:

Change in Standard Procedure

GSA posts the POV mileage reimbursement rates, formerly published in 41 CFR Chapter 301, solely on the internet at www.gsa.gov/mileage. Also, posted on this site is the standard mileage rate for moving purposes. This process, implemented in FTR Amendments 2010-07, 75 FR 72965, November 29, 2010, 2007-03, 72 FR 35187, June 27, 2007, and 2007-06, 72 FR 70234, December 11, 2007, in the Federal Register ensures more timely updates in mileage reimbursement rates by GSA for Federal employees who are on official travel or relocating. Notices published periodically in the Federal Register, such as this one, and the changes posted on the GSA Web site, now constitute the only notification to Federal agencies of revisions to the POV mileage reimbursement rates and the standard mileage reimbursement rate for moving purposes.

Dated: December 16, 2014.

Alexander J. Kurien,

Deputy Associate Administrator, Office of Asset and Transportation Management, Office of Government-Wide Policy.

collection for the proper performance of the agency's functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

SUPPLEMENTARY INFORMATION: Under the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3501–3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term "collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA (44 U.S.C. 3506(c)(2)(A)) requires federal agencies to publish a 30-day notice in the Federal Register concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, CMS is publishing this notice that summarizes the following proposed collection(s) of information for public comment:

1. Type of Information Collection Request: Extension of a currently approved collection; Title of Information Collection: Fee-for-Service Recovery Audit Prepayment Review Demonstration and Prior Authorization Demonstration; *Use:* On July 23, 2012, the Office of Management and Budget approved the collections required for two demonstrations of prepayment review and prior authorization. The first demonstration allows Medicare Recovery Auditors to review claims on a pre-payment basis in certain States. The second demonstration established a prior authorization program for Power Mobility Device claims in certain States.

For the Recovery Audit Prepayment Review Demonstration, CMS and its agents request additional documentation, including medical records, to support submitted claims. As discussed in more detail in Chapter 3 of the Program Integrity Manual, additional documentation includes any medical documentation, beyond what is included on the face of the claim that supports the item or service that is billed. For Medicare to consider coverage and payment for any item or service, the information submitted by the provider or supplier (e.g., claims) must be supported by the documentation in the patient's medical records. When conducting complex medical review, the contractor specifies documentation they require in accordance with Medicare's rules and policies. In addition, providers and suppliers may supply additional documentation not explicitly listed by the contractor. This supporting information may be requested by CMS and its agents on a routine basis in instances where diagnoses on a claim do not clearly indicate medical necessity, or if there is a suspicion of fraud.

For the Prior Authorization of Power Mobility Devices (PMDs) Demonstration, we are piloting prior authorization for PMDs. Prior authorization will allow the applicable documentation that supports a claim to be submitted before the item is delivered. For prior authorization, relevant documentation for review is submitted before the item is delivered or the service is rendered. CMS will conduct this demonstration in California, Florida, Illinois, Michigan, New York, North Carolina, Texas, Pennsylvania, Ohio, Louisiana, Missouri, Maryland, New Jersey, Indiana, Kentucky, Georgia, Tennessee, Washington, and Arizona based on beneficiary address as reported to the Social Security Administration and recorded in the Common Working File (CWF). For the demonstration, a prior
