**ACTION:** Notice; extension of comment period.

**SUMMARY:** The FHWA and NHTSA are extending the comment period for a notice and request for comment which was published on November 28, 2014, at 79 FR 70914. The original comment

period is set to close on December 29, 2014. The extension is based on concern expressed by the American Association of State Highway and Transportation Officials (AASHTO) that the December 29 closing date does not provide sufficient time to review and provide comprehensive comments on the notice. The FHWA and NHTSA recognize that others interested in commenting may have similar concerns and agrees that the comment period should be extended. Therefore, the closing date for comments is changed to February 15, 2015, which will provide stakeholders interested in commenting additional time to discuss, evaluate, and submit responses to the docket.

**DATES:** Comments must be received on or before February 15, 2015.

**ADDRESSES:** Mail or hand deliver comments to the U.S. Department of Transportation, Dockets Management Facility, 1200 New Jersey Avenue SE., Washington, DC 20590, or submit electronically at <http://www.regulations.gov>. All comments should include the docket number that appears in the heading of this document. All comments received will be available for examination and copying at the above address from 9 a.m. to 5 p.m., e.t., Monday through Friday, except Federal holidays. An electronic copy of this document may also be downloaded from the **Federal Register's** home page at: <http://www.federalregister.gov>.

**Background**

On November 28, 2014, FHWA and NHTSA published in the **Federal Register** a notice and request for comment on actions the agencies could take without statutory changes to better streamline and harmonize State highway safety plan development and reporting requirements. The notice seeks comments from all interested parties to help evaluate potential future courses of action.

The original comment period for the notice closes on December 29, 2014. The AASHTO has expressed concern that this closing date does not provide sufficient time to review and provide comprehensive comments and has requested the comment period be extended to February 15, 2015. The agencies recognize that others interested in commenting may have similar concerns and agree that the comment period should be extended. To allow time for this organization and others to submit comprehensive comments, the closing date is changed from December 29, 2014, to February 15, 2015.

**[Docket No. FRA–2014–0011–N–24]**

**Proposed Agency Information Collection Activities; Comment Request**

**AGENCY:** Federal Railroad Administration (FRA), Department of Transportation (DOT).

**ACTION:** Notice and request for comments.

**SUMMARY:** In compliance with the Paperwork Reduction Act of 1995, this notice announces that the renewal Information Collection Requests (ICRs) abstracted below are being forwarded to the Office of Management and Budget (OMB) for review and comment. The ICRs describes the nature of the information collection and its expected burden. The **Federal Register** notice with a 60-day comment period soliciting comments on the following collection of information was published on October 17, 2014 (79 FR 62513).

**DATES:** Comments must be submitted on or before January 29, 2015.

**FOR FURTHER INFORMATION CONTACT:** Mr. Robert Brogan, Office of Planning and Evaluation Division, RRS–21, Federal Railroad Administration, 1200 New Jersey Ave. SE., Mail Stop 25, Washington, DC 20590 (Telephone: (202) 493–6292), or Ms. Kimberly Toone, Office of Information Technology, RAD–20, Federal Railroad Administration, 1200 New Jersey Ave. SE., Mail Stop 35, Washington, DC 20590 (Telephone: (202) 493–6132). (These telephone numbers are not toll-free.)

**SUPPLEMENTARY INFORMATION:** The Paperwork Reduction Act of 1995 (PRA), Public Law 104–13, sec. 2, 109 Stat. 163 (1995) (codified as revised at 44 U.S.C. 3501–3520), and its implementing regulations, 5 CFR part 1320, require Federal agencies to issue two notices seeking public comment on information collection activities before OMB may approve paperwork packages. 44 U.S.C. 3506, 3507; 5 CFR 1320.5, 1320.8(d)(1), 1320.12. On October 17, 2014, FRA published a 60-day notice in the **Federal Register** soliciting comment on ICR that the agency is seeking OMB approval. See 79 FR 62513. FRA received no comments in response to this notice.

Before OMB decides whether to approve these proposed collections of information, it must provide 30 days for public comment. 44 U.S.C. 3507(b); 5 CFR 1320.12(d). Federal law requires OMB to approve or disapprove paperwork packages between 30 and 60 days after the 30 day notice is published. 44 U.S.C. 3507 (b)–(c); 5 CFR 1320.12(d); see also 60 FR 44978, 44983, Aug. 29, 1995. OMB believes that the 30 day notice informs the regulated community to file relevant comments and affords the agency adequate time to digest public comments before it renders a decision. 60 FR 44983, Aug. 29, 1995. Therefore, respondents should
