A. Program Description

The purpose of the OSCUI Loan Program is to assist low-income designated credit unions (LICU) in providing basic financial services to their members to stimulate economic activities in their communities. Through the OSCUI Loan Program, NCUA provides financial support in the form of loans to LICUs. These funds help improve and expand the availability of financial services to these members. The OSCUI Loan Program also serves as a source of funding to help LICUs respond to emergencies. The Loan Program consists of Congressional appropriations that are administered by OSCUI, an office of the NCUA.

Permissible Uses of Funds: NCUA will consider requests for funds consistent with the purpose of the OSCUI Loan Program. 12 CFR 705.1. A non-exhaustive list of examples of permissible uses or projects of loan proceeds are contained in § 705.4 of the regulation, and include: (i) Development of new products or services for members including new or expanded share draft or credit card programs; (ii) Partnership arrangements with community based service organizations or government agencies; (iii) Loan programs, including, but not limited to, micro business loans, payday loan alternatives, education loans, and real estate loans; (iv) Acquisition, expansion or improvement of office space or equipment, including branch facilities, ATMs, and electronic banking facilities; and (v) Operational programs such as security and disaster recovery.

NCUA will consider other proposed uses of funds that in its sole discretion it determines are consistent with the purpose of the OSCUI Loan Program, the requirements of the regulations, and this NOFO.

Regulation: Part 705 of NCUA’s regulations implements the OSCUI Grant and Loan Program. 12 CFR 705. A revised Part 705 was published on November 2, 2011. 76 FR 67583. Additional requirements are found at 12 CFR parts 701 and 741. Applicants should review these regulations in addition to this NOFO. Each capitalized term in this NOFO is more fully defined in the regulations, the loan application, and the loan agreement. For the purposes of this NOFO, an Applicant is a Qualifying Credit Union that submits a complete Application to NCUA under the OSCUI Loan Program.

B. Federal Award Information

OSCUI loans are made to LICUs that meet the requirements in the program regulation and this NOFO, subject to funds availability. OSCUI loans are generally made at lower than market interest rates.

Congress has not made an appropriation to the OSCUI Loan Program for Fiscal Years 2014–2015. NCUA expects to lend approximately \$5.2 million under this NOFO, derived from appropriated and earned funds. Monies for additional loans come from scheduled loan amortizations. NCUA reserves the right to: (i) Award more or less than the amount cited above; (ii) fund, in whole or in part, any, all, or none of the applications submitted in response to this NOFO; and (iii) reallocate funds from the amount that is anticipated to be available under this NOFO to other programs, particularly if NCUA determines that the number of awards made under this NOFO is fewer than projected.

The specific terms and conditions governing a loan will be established in the loan documents each Participating Credit Union will sign prior to disbursement of funds. The following are the general loan terms under the program

1. *Maximum Loan Amount:* NCUA expects that most loans made under this NOFO will be in an amount less than or equal to \$300,000. NCUA has determined that loans of this size will help maximize allocation of this limited resource among many credit unions. However, NCUA will consider funding requests in excess of \$300,000 from Applicants that demonstrate the need and capability to effectively deploy such funding; and have a high probability of realizing significant impact, while maintaining financial and operational soundness. NCUA may consider other factors for the approval of funding requests in excess of \$300,000 and will be assessed on a case-by-case basis. See
