I. Allocation

The Disaster Relief Appropriations Act, 2013 (Pub. L. 113-2, approved January 29, 2013) (Appropriations Act) made available \$16 billion in

Community Development Block Grant disaster recovery (CDBG-DR) funds for necessary expenses related to disaster relief, long-term recovery, restoration of infrastructure and housing, and economic revitalization in the most impacted and distressed areas resulting from a major disaster declared pursuant to the Robert T. Stafford Disaster Relief and Emergency Assistance Act of 1974 (42 U.S.C. 5121 *et seq.*) (Stafford Act), due to Hurricane Sandy and other eligible events in calendar years 2011, 2012, and 2013.

On March 1, 2013, the President issued a sequestration order pursuant to section 251A of the Balanced Budget and Emergency Deficit Control Act, as amended (2 U.S.C. 901a), and reduced funding for CDBG-DR grants under the Appropriations Act to \$15.18 billion. To date, a total of \$15.1 billion has been allocated or set aside: \$13 billion in response to Hurricane Sandy, \$514 million in response to disasters occurring in 2011 or 2012, \$565 million in response to 2013 disasters, and \$1 billion set aside for the National Disaster Resilience Competition. This Notice advises the public of a third allocation for 2013 disasters—\$89.8 million is provided for the purpose of assisting recovery in the most impacted and distressed areas in Colorado, the city of Chicago, Illinois, Cook County, Illinois, and Du Page County, Illinois. As the Appropriations Act requires funds to be awarded directly to a state or unit of general local government (hereinafter, local government), the term "grantee" refers to any jurisdiction receiving a direct award from HUD under this Notice.

To comply with statutory direction that funds be used for disaster-related expenses in the most impacted and distressed areas, HUD computes allocations based on the best available data that cover all the eligible affected areas. Based on further review of the impacts from Presidentially-declared disasters that occurred in 2013, and estimates of remaining unmet need, this Notice provides the following awards:

TABLE 1—ALLOCATIONS FOR DISASTERS OCCURRING IN 2013

Grantee	This allocation	Second allocation	First allocation	Total
State of Colorado	\$58,246,000	\$199,300,000	\$62,800,000	\$320,346,000
