**SUPPLEMENTARY INFORMATION:** Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

—Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

—Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

—Enhance the quality, utility, and clarity of the information to be collected; and/or

—Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

*Overview of this information collection:*

1. *Type of Information Collection:* Extension of a currently approved collection.

2. *The Title of the Form/Collection:* COPS Office Progress Report.

3. *The agency form number:* N/A.

4. *Affected public who will be asked or required to respond, as well as a brief abstract:*

Under the Violent Crime and Control Act of 1994, the U.S. Department of Justice COPS Office would require the completion of the COPS Progress Report by recipients of COPS hiring and non-hiring grants. Grant recipients must complete this report in order to inform COPS of their activities with their awarded grant funding.

5. *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* An estimated 1,200 grantees will be required to submit an active

progress report each quarter. The estimated range of burden for respondents is expected to be between 20 minutes to 25 minutes for each quarterly completion.

6. *An estimate of the total public burden (in hours) associated with the collection:*

The estimated public burden associated with this collection is 2000 hours. It is estimated that respondents will take up to 25 minutes each quarter to complete the quarterly progress report. The burden hours for collecting respondent data sum to 2000 hours (1200 respondents × .4167 hours × 4 times annually = 2000 hours).

## DEPARTMENT OF JUSTICE

### Notice of Lodging of Proposed Consent Decree Under the Comprehensive Environmental Response, Compensation, and Liability Act

On January 7, 2015, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the Northern District of Indiana in the lawsuit entitled *United States v. ARG Corporation*, Civil Action No. 10-cv-311.

In August 2010, the United States filed suit against ARG Corporation ("ARG") and Norbert Toubes under the Comprehensive Environmental Response, Compensation, and Liability Act ("CERCLA") for the recovery of response costs incurred at the South Bend Lathe Superfund Site (the "Site"), in South Bend, Indiana. The Consent Decree resolves ARG's and Mr. Toubes' CERCLA liability for past response costs at the Site for a total of \$500,000. ARG and Mr. Toubes are required to pay \$250,000 on February 1, 2015 and \$250,000 on August 1, 2015.

The publication of this notice opens a period for public comment on the Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to

*United States v. ARG Corporation*, D.J. Ref. No. 90-11-3-09441. All comments must be submitted no later than thirty (30) days after the publication date of this notice. Comments may be submitted either by email or by mail:
