SUPPLEMENTARY INFORMATION: This proposed rule would amend Indian Health Service (IHS) Purchased and Referred Care, formally known as Contract Health Services, regulations to apply Medicare payment methodologies to all physician and other health care professional services and non-hospital based services that are either authorized under such regulations or purchased by urban Indian organizations. Specifically, it proposes that the health programs operated by IHS, Tribe, Tribal organization, or urban Indian organization will pay the lowest of the amount provided for under the applicable Medicare fee schedule, prospective payment system, or Medicare waiver; the amount negotiated by a repricing agent, if available; or the usual and customary billing rate. Repricing agents may be used to determine whether IHS may benefit from savings by utilizing negotiated rates offered through commercial health care networks. This proposed rule seeks comment on how to establish reimbursement that is consistent across Federal health care programs, aligns payment with inpatient services, and enables the IHS to expand beneficiary access to medical care.

This comment period is being extended to allow all interested parties the opportunity to comment on the proposed rule. Therefore, we are extending the comment period until February 4, 2015.

Dated: January 7, 2015.

Yvette Roubideaux,

Acting Director, Indian Health Service.

SUPPLEMENTARY INFORMATION: NMFS and the Council manage Pacific Island fisheries through fishery ecosystem plans (FEP) for American Samoa, the Mariana Archipelago (Guam and the Commonwealth of the Northern Mariana Islands (CNMI)), the Pacific Remote Island Areas (PRIA), Hawaii, and western Pacific pelagic fisheries. In 2009, President Bush issued Presidential Proclamations that established three Marine National Monuments in the Pacific Islands under the authority of the Antiquities Act: The Marianas Trench Marine National Monument (Proclamation 8335), the Pacific Remote Islands Marine National Monument (PRI Monument, Proclamation 8336), and the Rose Atoll Marine National Monument (Proclamation 8337).
