

it ratified the Convention in January 2007. Under the Act, the United States is to be represented on the Commission by five United States Commissioners, appointed by the President.

Permanent Advisory Committee

The Act (16 U.S.C. 6902) provides (in section 6902(d)) that the Secretary of Commerce, in consultation with the United States Commissioners to the Commission, will appoint individuals as members of the advisory committee established under the Act, referred to here as the "Permanent Advisory Committee".

The appointed members of the Permanent Advisory Committee are to include not less than 15 nor more than 20 individuals selected from the various groups concerned with the fisheries covered by the Convention, providing, to the extent practicable, an equitable balance among such groups. On behalf of the Secretary of Commerce, NMFS is now seeking nominations for these appointments.

In addition to the 15–20 appointed members, the Permanent Advisory Committee includes the chair of the Western Pacific Fishery Management Council's Advisory Committee (or designee), and officials of the fisheries management authorities of American Samoa, Guam, and the Northern Mariana Islands (or their designees).

Members of the Permanent Advisory Committee will be invited to attend all non-executive meetings of the United States Commissioners to the Commission and at such meetings will be given opportunity to examine and be heard on all proposed programs of investigation, reports, recommendations, and regulations of the Commission.

Each appointed member of the Permanent Advisory Committee will serve for a term of two years and is eligible for reappointment. This request for nominations is for the term to begin on or after August 3, 2015, and is for a term of two consecutive years.

The Secretaries of Commerce and State will furnish the Permanent Advisory Committee with relevant information concerning fisheries and international fishery agreements.

NMFS, on behalf of the Secretary of Commerce, will provide to the Permanent Advisory Committee administrative and technical support services as are necessary for its effective functioning.

Appointed members of the Permanent Advisory Committee will serve without pay, but while away from their homes or regular places of business in the performance of services for the advisory

committee will be allowed travel expenses, including per diem in lieu of subsistence, in the same manner as persons employed intermittently in the Government service are allowed expenses under section 5703 of title 5, United States Code. They will not be considered Federal employees while performing service as members of the advisory committee except for the purposes of injury compensation or tort claims liability as provided in chapter 81 of title 5, United States Code and Chapter 171 of title 28, United States Code.

Procedure for Submitting Nominations

Nominations for the Permanent Advisory Committee should be submitted to NMFS (see **ADDRESSES**). This request for nominations is for first-time nominees as well as previous and current Permanent Advisory Committee members. Self nominations are acceptable. Nominations should include the following information: (1) Full name, address, telephone, and email address of nominee; (2) nominee's organization(s) or professional affiliation(s) serving as the basis for the nomination, if any; and (3) a background statement, not to exceed one page in length, describing the nominee's qualifications, experience and interests, specifically as related to the fisheries covered by the Convention.

Comments

A 60-day Notice requesting public comment was published in the **Federal Register** on July 10, 2013. This comment period ended September 9, 2013. We received one comment from the public regarding the potential additional burden of collecting the information quarterly and of collecting performance measures by subgrantees, and that some of the information to be collected was duplicative. We have addressed these comments in the following ways. First, only first year grantees will submit progress reports quarterly. All other grantees will submit reports on a biannual basis. Second, we will not be collecting performance measures by subgrantees and will continue to collect performance measures in aggregate by the intermediary. Finally, grantees will no longer submit performance measures via the project plan in eGrants, but will provide that information in one place in the data supplement, preventing duplication per the concerns of the commenter.

Description: In an attempt to streamline data collection processes and reduce reporting burdens, the Social Innovation Fund is revising the way in

which it collects performance progress information from grantees. These revisions include a revised progress report, a Data Supplement, and a new performance measure module.
