

matter shall provide to the affected member of the news media notice of the order or warrant as soon as it is determined that such notice will no longer pose a clear and substantial threat to the integrity of the investigation, risk grave harm to national security, or present an imminent risk of death or serious bodily harm. In any event, such notice shall occur within 45 days of the government's receipt of any return made pursuant to the subpoena, court order, or warrant, except that the Attorney General may authorize delay of notice for an additional 45 days if he or she determines that, for compelling reasons, such notice would pose a clear and substantial threat to the integrity of the investigation, risk grave harm to national security, or present an imminent risk of death or serious bodily harm. No further delays may be sought beyond the 90-day period.

(4) The United States Attorney or Assistant Attorney General responsible for the matter shall provide to the Director of the Office of Public Affairs and to the Director of the Criminal Division's Office of Enforcement Operations a copy of any notice to be provided to a member of the news media whose communications records or business records were sought or obtained at least 10 business days before such notice is provided to the affected member of the news media, and immediately after such notice is, in fact, provided to the affected member of the news media.

(f) *Questioning, arresting, or charging members of the news media.* (1) No member of the Department shall subject a member of the news media to questioning as to any offense that he or she is suspected of having committed in the course of, or arising out of, newsgathering activities without first providing notice to the Director of the Office of Public Affairs and obtaining the express authorization of the Attorney General. The government need not view the member of the news media as a subject or target of an investigation, or have the intent to prosecute the member of the news media, to trigger the requirement that the Attorney General must authorize such questioning.

(2) No member of the Department shall seek a warrant for an arrest, or conduct an arrest, of a member of the news media for any offense that he or she is suspected of having committed in the course of, or arising out of, newsgathering activities without first providing notice to the Director of the Office of Public Affairs and obtaining

the express authorization of the Attorney General.

(3) No member of the Department shall present information to a grand jury seeking a bill of indictment, or file an information, against a member of the news media for any offense that he or she is suspected of having committed in the course of, or arising out of, newsgathering activities, without first providing notice to the Director of the Office of Public Affairs and obtaining the express authorization of the Attorney General.

(4) In requesting the Attorney General's authorization to question, to seek an arrest warrant for or to arrest, or to present information to a grand jury seeking an indictment or to file an information against, a member of the news media as provided in paragraphs (f)(1) through (3) of this section, members of the Department shall provide all facts necessary for a determination by the Attorney General.

(5) In determining whether to grant a request for authorization to question, to seek an arrest warrant for or to arrest, or to present information to a grand jury seeking an indictment or to file an information against, a member of the news media, the Attorney General should take into account the considerations reflected in the Statement of Principles in paragraph (a) of this section.

(g) *Exigent circumstances.* (1)(i) A Deputy Assistant Attorney General for the Criminal Division may authorize the use of a subpoena or court order, as described in paragraph (c) of this section, or the questioning, arrest, or charging of a member of the news media, as described in paragraph (f) of this section, if he or she determines that the exigent use of such law enforcement tool or technique is necessary to prevent or mitigate an act of terrorism; other acts that are reasonably likely to cause significant and articulable harm to national security; death; kidnapping; substantial bodily harm; conduct that constitutes a specified offense against a minor (for example, as those terms are defined in section 111 of the Adam Walsh Child Protection and Safety Act of 2006, 42 U.S.C. 16911), or an attempt or conspiracy to commit such a criminal offense; or incapacitation or destruction of critical infrastructure (for example, as defined in section 1016(e) of the USA PATRIOT Act, 42 U.S.C. 5195c(e)).

(ii) A Deputy Assistant Attorney General for the Criminal Division may authorize an application for a warrant, as described in paragraph (d) of this section, if there is reason to believe that the immediate seizure of the materials at issue is necessary to prevent the death

of, or serious bodily injury to, a human being, as provided in 42 U.S.C. 2000aa(a)(2) and (b)(2).

(2) Within 10 business days of the approval by a Deputy Assistant Attorney General for the Criminal Division of a request under paragraph (g) of this section, the United States Attorney or Assistant Attorney General responsible for the matter shall provide to the Attorney General and to the Director of the Office of Public Affairs a statement containing the information that would have been provided in a request for prior authorization.

(h) *Safeguarding.* Any information or records obtained from members of the news media or from third parties pursuant to this policy shall be closely held so as to prevent disclosure of the information to unauthorized persons or for improper purposes. Members of the Department should consult the United States Attorneys' Manual for specific guidance regarding the safeguarding of information or records obtained from members of the news media or from third parties pursuant to this policy.

(i) *Failure to comply with policy.* Failure to obtain the prior approval of the Attorney General, as required by this policy, may constitute grounds for an administrative reprimand or other appropriate disciplinary action.

(j) *General provision.* This policy is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

Dated: January 14, 2015.

Eric H. Holder, Jr.,
Attorney General.

Coast Guard

33 CFR Part 165

[Docket No. USCG-2013-0654]

RIN 1625-AA00

Safety Zone; SFOBB Demolition Safety Zone, San Francisco, CA

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone in the navigable waters of the San

Francisco Bay near Yerba Buena Island, CA in support of the San Francisco-Oakland Bay Bridge (SFOBB) Demolition Safety Zone from December 31, 2014 through December 30, 2015. An earlier temporary safety zone was established in this same area from September 1, 2013 through December 30, 2014 to protect mariners transiting the area from the dangers associated with over-head demolition and debris removal operations of the SFOBB. Extended demolition efforts necessitate a new temporary safety zone in the area. Unauthorized persons or vessels are prohibited from entering into, transiting through, or remaining in the safety zone without permission of the Captain of the Port or their designated representative.

DATES: This rule is effective without actual notice from January 21, 2015 until December 30, 2015. For the purposes of enforcement, actual notice will be used from December 31, 2014 until January 21, 2015. This rule will be enforced from 6 a.m. until 7 p.m. daily on the dates mentioned above.

ADDRESSES: Documents mentioned in this preamble are part of docket USCG-2013-0654.  NPRM Notice of Proposed Rulemaking
 SFOBB San Francisco-Oakland Bay Bridge

A. Regulatory History and Information

On September 3, 2013, the Coast Guard published a temporary final rule

entitled, "Safety Zone; SFOBB Demolition Safety Zone, San Francisco, CA" (78 FR 54171) establishing a safety zone in the navigable waters of the San Francisco Bay near Yerba Buena Island, CA. The purpose of the safety zone was to provide for the safety of mariners from dangers posed by over-head demolition and debris removal operations of the San Francisco-Oakland Bay Bridge (SFOBB) demolition project. On November 6, 2014, the California Department of Transportation (CALTRANS) submitted a request to extend the safety zone for an additional year due to an extension of the demolition project.

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest."

Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because publishing an NPRM would be impractical and contrary to the public interest. CALTRANS submitted its request to extend the safety zone on November 6, 2014, and the demolition project extension began before the rulemaking process would be completed. Because of the dangers posed by over-head demolition and debris removal operations of the SFOBB, the safety zone is necessary to provide for the safety of mariners transiting the area. For the safety concerns noted, it is in the public interest to have this safety zone in effect during the event.

Under 5 U.S.C. 553(d)(3), for the same reasons stated above, the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**.

B. Basis and Purpose

The legal basis for the proposed rule is 33 U.S.C. 1231; 46 U.S.C. Chapter 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05-1, 6.04-1, 6.04-6, 160.5; Public Law 107-295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1, which collectively authorize the Coast Guard to establish safety zones.

CALTRANS will sponsor the SFOBB Demolition Safety Zone from December 31, 2014 through December 30, 2015, in the navigable waters of the San

Francisco Bay near Yerba Buena Island, CA. Demolition and debris removal operations are scheduled to take place from 6 a.m. to 7 p.m. daily beginning on December 31, 2014 and ending on December 30, 2015. The safety zone will encompass the navigable waters of the San Francisco Bay within 100 yards of the SFOBB from Yerba Buena Island to the "I" Pier, also known as "E4" Pier. The demolition project is necessary to facilitate the completion of the Bay Bridge project. The safety zone is issued to establish a temporary limited access area on the waters surrounding the demolition operation. The safety zone is necessary to protect mariners transiting the area from the dangers associated with over-head debris removal.

C. Discussion of the Final Rule

The Coast Guard will enforce a safety zone in navigable waters around and under the SFOBB within 100 yards of the bridge beginning at Yerba Buena Island and ending at the "I" Pier for the demolition and debris removal of the Yerba Buena Island Detour and the Cantilever Truss segment of the SFOBB. Demolition and debris removal is scheduled to take place from 6 a.m. to 7 p.m. daily beginning on December 31, 2014 and ending on December 30, 2015. At the conclusion of the demolition operations the safety zone shall terminate.

The effect of the temporary safety zone will be to restrict navigation in the vicinity of the demolition and debris removal operations. Except for persons or vessels authorized by the Coast Guard Patrol Commander, no person or vessel may enter or remain in the restricted area. This safety zone is needed to protect public safety by keeping mariners and vessels away from the immediate vicinity of the construction operation. The maritime public will be advised in advance of this safety zone via Broadcast Notice to Mariners.

D. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on these statutes and executive orders.

1. Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Executive Order

12866 or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under those Orders.

We expect the economic impact of this rule will not rise to the level of necessitating a full Regulatory Evaluation. The safety zone is limited in duration, and is limited to a narrowly tailored geographic area. In addition, although this rule restricts access to the waters encompassed by the safety zone, the effect of this rule will not be significant because the local waterway users will be notified via public Broadcast Notice to Mariners to ensure the safety zone will result in minimum impact. The entities most likely to be affected are waterfront facilities, commercial vessels, and pleasure craft engaged in recreational activities.

2. Impact on Small Entities

The Regulatory Flexibility Act of 1980 (RFA), 5 U.S.C. 601–612, as amended, requires federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities. This rule may affect the following entities, some of which may be small entities: Owners and operators of waterfront facilities, commercial vessels, and pleasure craft engaged in recreational activities and sightseeing, if these facilities or vessels are in the vicinity of the safety zone at times when this zone is being enforced. This rule will not have a significant economic impact on a substantial number of small entities for the following reasons: (i) This rule will encompass only a small portion of the waterway for a limited period of time, (ii) vessel traffic can transit safely around the safety zone, and (iii) the maritime public will be advised in advance of this safety zone via Broadcast Notice to Mariners.

3. Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person

listed in the **FOR FURTHER INFORMATION CONTACT**, above.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

4. Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

5. Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it does not have implications for federalism.

6. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

7. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

8. Taking of Private Property

This rule will not cause a taking of private property or otherwise have

taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

9. Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

10. Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

11. Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

12. Energy Effects

This action is not a “significant energy action” under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

13. Technical Standards

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

14. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.ID, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a safety zone of limited size and duration. This rule is categorically excluded from further review under paragraph 34(g) of Figure 2–1 of the Commandant Instruction. An environmental analysis checklist supporting this determination and a Categorical Exclusion

Determination are available in the docket where indicated under

ADDRESSES. We seek any comments or information that may lead to the discovery of a significant environmental impact from this rule.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, and Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 46 U.S.C. Chapter 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Pub. L. 107–295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

■ 2. Add temporary § 165.T11–589 to read as follows:

§ 165.T11–589 Safety zone; SFOBB Demolition Safety Zone, San Francisco, CA.

(a) *Location.* This temporary safety zone is established in the navigable waters of the San Francisco Bay near Yerba Buena Island, California as depicted in National Oceanic and Atmospheric Administration (NOAA) Chart 18650. The safety zone will encompass the navigable waters around the SFOBB within 100 yards beginning at Yerba Buena Island and ending at the “I” Pier.

(b) *Enforcement period.* The zone described in paragraph (a) of this section will be in effect from 6 a.m. to 7 p.m. daily from December 31, 2014 until December 30, 2015. The Captain of the Port San Francisco (COTP) will notify the maritime community of periods during which this zone will be enforced via Broadcast Notice to Mariners in accordance with 33 CFR 165.7.

(c) *Definitions.* As used in this section, “designated representative” means a Coast Guard Patrol Commander, including a Coast Guard coxswain, petty officer, or other officer on a Coast Guard vessel or a Federal, State, or local officer designated by or assisting the COTP in the enforcement of the safety zone.

(d) *Regulations.* (1) Under the general regulations in 33 CFR part 165, subpart C, entry into, transiting or anchoring within this safety zone is prohibited unless authorized by the COTP or a designated representative.

(2) The safety zone is closed to all vessel traffic, except as may be

permitted by the COTP or a designated representative.

(3) Vessel operators desiring to enter or operate within the safety zone must contact the COTP or a designated representative to obtain permission to do so. Vessel operators given permission to enter or operate in the safety zone must comply with all directions given to them by the COTP or a designated representative. Persons and vessels may request permission to enter the safety zone on VHF–23A or through the 24-hour Command Center at telephone (415) 399–3547.

Dated: December 16, 2014.

Approval and Promulgation of Air Quality Implementation Plans; State of Colorado; Second Ten-Year PM₁₀ Maintenance Plan for Steamboat Springs

AGENCY: Environmental Protection Agency.

ACTION: Direct final rule.

SUMMARY: The Environmental Protection Agency (EPA) is taking final action approving State Implementation Plan (SIP) revisions submitted by the State of Colorado. On May 11, 2012, the designee of the Governor of Colorado submitted to EPA a revised maintenance plan for the Steamboat Springs area for the National Ambient Air Quality Standards (NAAQS) for particulate matter with an aerodynamic diameter less than or equal to 10 microns (PM₁₀). The SIP was adopted by the State on December 15, 2011. As required by Clean Air Act (CAA) section 175A, this revised maintenance plan addresses maintenance of the PM₁₀ standard for a second 10-year period beyond the area’s original redesignation to attainment for the PM₁₀ NAAQS. In addition, EPA is approving the revised maintenance plan’s 2024 transportation conformity motor vehicle emissions budget (MVEB) for PM₁₀. This action is being taken under sections 110 and 175A of the CAA.

DATES: This rule is effective on March 23, 2015 without further notice, unless

EPA receives adverse comment by February 20, 2015. If adverse comment is received, EPA will publish a timely withdrawal of the direct final rule in the **Federal Register** informing the public that the rule will not take effect.

ADDRESSES: Submit your comments, identified by Docket ID No. EPA–R08–OAR–2013–0814, by one of the following methods:
