How to Submit Nominations: Any interested person or organization may nominate qualified persons to be considered for appointment to this advisory committee. Individuals may self-nominate. Nominations should be submitted in electronic format (preferred) following the instructions for “Nominating Experts to the SAB Agricultural Science Committee” provided on the SAB Web site. Instructions can be accessed through the “Nomination of Experts” link on the blue navigational bar on the SAB Web site at <http://www.epa.gov/sab>. To be considered, all nominations should include the information requested. EPA values and welcomes diversity. In an effort to obtain nominations of diverse candidates, EPA encourages nominations of women and men of all racial and ethnic groups.

The following information should be provided on the nomination form: contact information about the person making the nomination; contact information about the nominee; the disciplinary and specific areas of expertise of the nominee; the nominee’s curriculum vita; and a biographical sketch of the nominee indicating current position, educational background; research activities; sources of any research funding over the last two years; and recent service on other national advisory committees or national professional organizations. Persons

having questions about the nomination procedures, or who are unable to submit nominations through the SAB Web site, should contact the Designated Federal Officer for the committee, as identified above. Non-electronic submissions must follow the same format and contain the same information as the electronic form. The SAB Staff Office will acknowledge receipt of nominations.

Candidates invited to serve will be asked to submit the “Confidential Financial Disclosure Form for Special Government Employees Serving on Federal Advisory Committees at the U.S. Environmental Protection Agency” (EPA Form 3110–48). This confidential form allows the EPA to determine whether there is a statutory conflict between that person’s public responsibilities as a Special Government Employee and private interests and activities, or the appearance of a loss of impartiality, as defined by

Federal regulation. The form may be viewed and downloaded through the “Ethics Requirements for Advisors” link on the blue navigational bar on the SAB Web site at <http://www.epa.gov/sab>.
