The United States Trade Representative has since notified Congress of the Administration's intent to join a consensus among EGA participants to invite the Government of Iceland to join the EGA negotiations. Assistant, at the above number. All other questions regarding this notice should be directed to Bill McElnea, Director for Environment and Natural Resources, at (202) 395-7320.

SUPPLEMENTARY INFORMATION:

Background

On March 21, 2014, the United States Trade Representative notified Congress of the Administration's intention to enter into the EGA negotiations. This notification states that the EGA negotiations "are open to all WTO Members that are prepared to eliminate tariffs on a set of environmental goods, building on the list of 54 goods endorsed by APEC Leaders as the starting point." A copy of the notification is available at www.ustr.gov/sites/default/files/03212014-Letter-to-Congress.pdf. USTR solicited public comments on this initiative through a notification published in the **Federal Register** on March 28, 2014 (Document number: 2014-06831). Comments received through that process may be reviewed at <http://www.regulations.gov> under docket number USTR-2014-0004.

On July 8, 2014, the United States and 13 other WTO members, accounting for 86 percent of global trade in environmental goods, launched the EGA negotiations in Geneva, Switzerland. In addition to the United States, Australia, Canada, China, Costa Rica, the European Union, Hong Kong, Israel, Japan, Korea, New Zealand, Norway, Singapore, Switzerland and Chinese Taipei are participating in the negotiations. The EGA aims to eliminate tariffs on a set of environmental technologies such as wind turbines, water treatment filters, and solar water heaters. WTO members apply tariffs as high as 35 percent on environmental goods.

The Government of Iceland notified EGA participants of their interest in joining these negotiations on November 12, 2014. Following this notification of interest, EGA participants agreed to begin any relevant domestic procedures so as to allow Iceland to join the EGA negotiations. On December 12, 2014, the United States Trade Representative notified Congress of the Administration's intent to join a consensus among EGA participants to invite the Government of Iceland to join the EGA negotiations.

The Chair of the TPSC invites interested persons to provide written comments that will assist USTR in assessing Iceland's potential participation in the EGA negotiations. The TPSC Chair invites comments on all relevant matters, and, in particular, with regard to those environmental goods of

which Iceland is a significant producer and consumer, as well as current market conditions for environmental technologies in Iceland.

USTR is observing the relevant procedures of the Bipartisan Trade Promotion Authority Act of 2002 (19 U.S.C. 3804) with respect to notifying and consulting with Congress on the invitation of new members to these negotiations.

Requirements for Submissions

Persons submitting comments must do so in English and must identify (on the first page of the submission) "Environmental Goods Agreement—New Participant: Iceland".
