

regulations and TRIA, as amended by the 2015 Reauthorization Act.

Interim Guidance One (Documentation)

Due to requirements under state law regulating rates and forms, an insurer may need additional time to provide disclosures and offers of coverage for insured losses in compliance with the Program regulations and TRIA, as amended by the 2015 Reauthorization Act. An insurer should provide disclosures and offers that comply with the Program regulations and TRIA, as amended by the 2015 Reauthorization Act, as soon as possible and not later than April 13, 2015.

Interim Guidance Two (Form of Disclosure)

Section 50.17(c) of the Program regulations provides that an insurer may use NAIC Model Disclosure Form No. 1 or NAIC Model Disclosure Form No. 2, or other disclosures that meet the requirements of the Program regulations. NAIC Model Disclosure Form No. 1 and NAIC Model Disclosure Form No. 2, as amended in 2015, are consistent with the disclosure requirements of the Program regulations and TRIA, as amended by the 2015 Reauthorization Act.

Interim Guidance Three (Timing of Disclosure)

As amended by the 2015 Reauthorization Act, TRIA no longer requires an insurer to provide to a policyholder certain disclosures at the time of a policy's "purchase," but still requires the insurer to provide such disclosures at the time of "offer" and "renewal." The timing of an insurer's disclosures may conform with either subpart B of the Program regulations or Section 103(b)(2) of TRIA, as amended by the 2015 Reauthorization Act.

Interim Guidance Four (Content of Disclosure)

An insurer that offered coverage for insured losses prior to January 12, 2015, using the then-current NAIC Model Disclosure Form No. 1, NAIC Model Disclosure Form No. 2, or other disclosures consistent with the Program regulations, is not required to provide a revised disclosure to the policyholder. Subject to Interim Guidance One, disclosures on or after January 12, 2015 provided in connection with a new or mid-term offer of coverage for insured losses should be based on the requirements of the Program regulations and TRIA, as amended by the 2015 Reauthorization Act.

Interim Guidance Five (New Offers of Coverage)

(a) Except as described herein, Treasury expects that an insurer will make a new offer of coverage for insured losses with respect to any in-force policy that does not provide coverage for insured losses.

(b) An insurer is not expected to make a new offer of coverage for insured losses if—

(i) the policy incorporates a conditional exclusion or change of terms and conditions relating to coverage for insured losses and, because the Program is in effect, the insurer forbears effective January 1, 2015 (or as of the effective date of the policy, if later) on the exercise of the conditional exclusion or change in terms and conditions. Not later than April 13, 2015, an insurer should provide to the policyholder written notice of the insurer's forbearance or written notice of the insurer's withdrawal of any previous exercise of the conditional exclusion or change in terms and conditions. In the written notice, the insurer should state that the insurer's forbearance or withdrawal, as applicable, is effective January 1, 2015 (or as of the effective date of the policy, if later); or

(ii) the policyholder declined coverage for insured losses, so long as the insurer's offer did not materially differ in price from that which the insurer would have offered following enactment of the 2015 Reauthorization Act.

(c) If a policyholder declined coverage for insured losses but the insurer's offer did materially differ in price from that which the insurer would have offered following enactment of the 2015 Reauthorization Act, then the insurer should consider making a new offer to that policyholder.
